General Motors MEANS GOOD MEASURE
Folks take such things as No Draft Ventilation as a matter of course now that all GM cars have this improvement. But when you add Knee-Action, the Unisteel Body, the Turret Top, improved Hydraulic Brakes and a steady parade of betterments—you see how a great organization moves ahead—using its resources for the benefit of the public—giving greater value as it wins greater sales.

IS COLLEGE A WASTE OF TIME?
WITH a ten-billion-dollar plant and one and a half million employees, education is our biggest industry. But what does it produce? A developed mind? Greater happiness? The ability to make money in anything from beauty culture to bond selling? A famed liberal educator shows you what's wrong with our system, and what can be done about it. First of four articles.
