

Women in Sports

Although the women's rifle team has taken a back seat in sports, it is the only women's team that takes part in intercollegiate sports.

Pudge Saunders, manager and member of the team, has announced that they have won from the University of Indiana and the University of Michigan.

Intramural basketball started last week. The games are played in the gymnasium on Monday nights and in the Armory the other nights.

The intramural cup will be awarded to the house having won the greatest number of games. If a house wins the cup for three consecutive years, it becomes the permanent owner.

13-Man Squad Carries Lion Hopes In IC-4A Track Meet

The Lion track team will base IC-4A indoor championship hopes on the 13-man squad which departed for New York this morning.

Following trials in all events yesterday and Tuesday, Coach Chick Werner selected the men who will compete against outstanding trackers of the country on the boards in Madison Square Garden tomorrow.

State's strongest bid for recognition will be concentrated in the distance events with Bill Smith and Pete Olexy sure starters in the two-mile grind. Smith led Olexy to the tape in a thrilling finish Tuesday, the latter pressing the winner with a terrific last lap spurt.

Heart Ailment Causes Foley '41 to Withdraw

Joseph E. Foley, freshman in chemical engineering, has been sent to his home in Philadelphia suffering from a swelling of the heart sac caused by the presence of an unrecognized fluid.

Foley, who was a member of the freshman cross-country team and former national Catholic high school mile champion, reported early in the week to the College Dispensary. He complained of what he thought were stomach pains, but after an X-ray, Dr. Joseph P. Ritenour, College physician, noticed the prominent wide shadow in the region of the heart and lungs.

It was decided that the care of a specialist would be needed, so Wednesday morning he was sent to Philadelphia, where he was taken to a hospital immediately after consulting his family physician.

Lion Boxers To Seek 4th Win In Army Duel

Harrison met 1937 Captain Lou Ritzke last year and was badly beaten. In the flyweight fight, Mike Cooper is slated to go into the ring against Cadet Lavensky with Paul Bachman.

Nate Handler's fight will complete the card when he mixes blows with Cadet Milley. Milley was defeated last week at West Virginia but Army won the meet, 5-3, to keep their record clean for the year.

CAMPUS BULLETIN

Notices of meetings to be published in this column may be left at Student Union Office in Old Main up to 1 p.m. on the day preceding publication.

TODAY: Hill services at 7 o'clock in 405 Old Main.

Ski Club open meeting in 410 Old Main at 7 o'clock. Moving pictures will be shown and emblems passed out.

Prof. Henry L. Yeagley will speak at a regular Alpha Nu meeting in 201 Textile Chemistry building at 7 p.m. clock.

SUNDAY: Sophomore Independent clique will meet in 410 Old Main at 3 p. m.

MISCELLANEOUS: N. Y. A. and drop refund checks are now available at the bursar's office.

Students interested in a career in the United States Coast Guard should inquire at the Student Union office.

contenders in the mile run.

Kalmanowicz in 50-Yd. Dash: Exciting competition was provided in trials for the 50-yard dash to determine the Lions' lone entry. Bernie Kalmanowicz bested Paul Stoller, promising sophomore, in two out of three attempts to gain the place.

Two hurdlers, Dave Bauer and Miller Frazier, will be entered, the latter taking Bauer twice in the 50-yard high hurdles last Tuesday.

Pole-vaulters Bob Clark and George Jackson have an excellent chance to place as both have been clearing 12 feet six inches, Clark vaulting 13 feet in Tuesday's attempt.

Completing the squad will be a freshman medley relay team composed of Walt Hosterman running the 220, Van Allan Hartman in the 440 leg, Jim Williams in the 880, and Milt Keiser carrying the baton for the last mile.

The second assistant wrestling managers are working on the problem of developing the perfect miniature wrestler for demonstration purposes. So far, the models vary from 3 to 8 inches in length.

SPORTS CHATTER

Jack Gocke's conference scoring record of 118 points is 17 points away from Solly Michoff with just the Pitt game to go.

He is very enthusiastic about the possibilities of this method in actual teaching of holds. By watching them the wrestlers can see each phase of the hold, and Charlie can explain each part of the maneuver.

It's more than likely that the Temple cagers will be one of the four fives picked to play in the Garden on March 9 to determine the two Eastern representatives for the national tournament to be held March 14 and 16.

Besides the two Eastern teams, there will be two teams selected from other sections of the country. Stanford looks like champion of the southern division of the Pacific coast league after getting off to a bad start early in the season.

Invitations have been mailed to eleven colleges for the Eastern Intercollegiate Boxing Championships being held in Rec hall next Friday and Saturday.

Only three individual champions will return from last year's event. Johnny Mastrella and Ord Fink of Syracuse at 145 and 165, and Clarence Bess, Army's 125-pounder, who won the 118-pound class last year.

During the next few days the women should be considering candidates for W.S.G.A. and W.A.A. offices.

Beauty will be the main requisite for May Queen. As candidates will be nominated from the floor, aspiring fairs should wear their best bibs and tuckers for the occasion.

Baked apples would be an appropriate dessert to serve the faculty guests at the Mac Hall Sunday dinner.

Mortar Board will invite high school students to the annual Vocational Guidance Conference to be held March 26. It would be wise for some of the undergraduates who change their course every semester to also attend the meeting.

I. C. Fight Tickets On Sale Monday

Tickets for the Eastern Intercollegiate boxing tournament to be held here next Friday and Saturday will go on sale at the Athletic Association ticket office in Old Main Monday.

Prices are as follows: 55 cents for preliminaries at 7 o'clock Friday evening; 75 cents for semi-finals at 2 o'clock Saturday afternoon; and \$1.10 for title matches at 3 o'clock Saturday evening.

Prices are the same for balcony and bleacher seats, even though only balcony seats will be reserved.

Pipe Cleaners Give Lion Grapplers New Twists

Twisted pipe cleaners, covered with tape and colored to represent wrestlers are the latest hobby of Charlie Speidel, wizard of the mats. Charlie maneuvers the tiny grapplers into holds and works different escapes.

Return Of Seven Veterans Brightens Baseball Outlook

Foremost among the numerous "March blown queries" is the question "What is State's baseball outlook for 1938?"

Summing the situation up in two short words, the outlook is "plenty good." And here's the reason. Joe Bedenk's 1938 diamond edition will be a veteran team.

With only two losses from last year's regular line-up, those of his A-1 battery, Frank Smith and Mike Kornick, the Lion nine probably will go to bat with veterans in every position of its starting roster save the backstop.

The competitive angle for a starting job behind the bat is exceptionally neuter. "Doc" Crossin, at present, looms as likely successor to Kornick's old position.

Simoncelli Lone Vet Hurler: Minus Smith and Boho, starters last year, Bedenk is left with a lone veteran moundsman in Captain Ben Simoncelli plus several far but inexperienced hurlers.

Chasing veteran Mel Vonarx for the initial sack position is Johnny Relic; last year a hard-hitting freshman outfielder. Rabbit Wear will again cover second base with his running mate, Harry Harrison, at shortstop.

At third, newcomer Paul Menzie is pushing veteran Johnny Waters.

All students, faculty members, and friends who are interested in going on this hike should meet in front of the Post Office on Sunday at 2 o'clock.

The main point of interest for the hikers, the World War museum at Boalsburg, has been organized by officers of the 28th division who saw active service in the war.

Leaders for the hike are David E. Conger '40, Howard B. Frankenfield '39, Fred W. Hitz '40, and Robert W. Phares '40, and William A. Thurston '40.

Pi Gamma Alpha, Art Fraternity, Reorganized: Pi Gamma Alpha, honorary art fraternity organized last year for advanced art students, has been reorganized to permit participation of any student who has taken an art course.

Prof. A. W. Case, fine arts, will be in charge of the three-hour night sessions to be held weekly.

For the fourth year Dr. DeWitt G. Baldwin, nationally known lecturer on Burmese and an authority on the World Mission of Christianity, is on the campus to hold personal and group interviews.

Dr. Baldwin has been in this country for four years, visiting colleges and students to gain their points of view.

Fraternities, sororities, and campus organizations interested in securing Dr. Baldwin for interviews can make arrangements at the P. S. C. A. office.

Vitamins Present In Fruit Chase Spring Fever

Eating oranges can help to eliminate spring fever.

This, at least, represents the claim of Dr. R. Adams Dutcher, head of the department of agricultural and biological chemistry.

Dr. Dutcher, who says that spring fever as an ailment has practically disappeared, explains: "We are eating enough fresh fruits and vegetables to keep our body supplied with much-needed vitamins, the lack of which results in that tired, spring-fever feeling."

"In the old days people had little fresh fruits or vegetables during the winter months. Even dried fruits were a delicacy. When they began eating more leafy vegetables later in the year, they lost the tired feeling."

"Transportation," Dr. Dutcher explains, "has changed everything. Today, only people living in isolated places or those in extreme poverty have a vitamin deficiency."

Where do the oranges come in? Oranges, Dr. Dutcher points out, are the best source of the needed vitamins.
