## WELFARE COMMITTEE PROPOSES HOUSE MOTHERS

### PWA Studies Plans For New Grant To College; Delay Seen

#### Final Submission Of Program Slated Next Week

**BULLETIN**  
WASHINGTON, Sept. 22.—Recent suspensions of funds previously granted the Pennsylvania General State Authority by the Public Works Administration will have no bearing on consideration of the Authority's new proposals, the United Press said. Administrator Harold L. Ickes stated today.

Ickes also said the Authority may receive a portion of PWA grants it seeks for a proposed \$107,000,000 school and college building program, which includes additional improvements at the Pennsylvania State College.

Preliminary plans for the new college building program which would be launched here by the General State Authority before January 1 were being studied today by the Public Works Administration in Washington.

Indications were that the plans definitely included the original proposal of \$157,694,000 which would be used mainly for additions to present academic buildings.

It could not be ascertained, however, whether they also included the additional \$2,500,000 for construction of "income-bearing" buildings—including a woman's dormitory and four men's dormitories—which was linked to the original plan through Senator Edward Jackson Thompson (D., Cent.).

Ickes Receives Plans  
Presenting the plans personally to PWA Administrator Harold L. Ickes was a large Pennsylvania delegation, led by Col. Augustus S. Janeway, executive director of the State Authority, Thomas A. Logue, Secretary of Internal Affairs, and Arthur W. Howe, Secretary of Public Assistance.

Although expressing the belief that some delay might be experienced in drawing up the whole new proposed state-wide program, Colonel Janeway said that final submission of plans would be made before next Friday, according to applications under the present PWA extension.

### 45 Are Picked For Vacancies In Blue Band

#### Band Holds Afternoon Drills Under Prof. Fishburn, Student Leaders

Up on New Beaver Field Lion graders are shaping up for the strenuous season ahead.

And, over in the practice fields, sandwiched between Bill Jeffrey's booters and Gene Bischoff's intramural contests, another feature of autumn, Saturday afternoons is getting into shape—the Blue Band.

With the band at its full capacity of 45 men following the naming of 45 juniors to the organization at tryouts Tuesday evening, drills and formation practices got underway this week with Prof. Hummel Fishburn of the Music Department in charge.

Assisting Professor Fishburn are Student Director Elliott M. Treese and Drum Major Frank M. Anderson. The band is made up of juniors and seniors who have undergone two years of ROTC band service. Musical director is Wilfred O. Thompson, U.S.A. bandmaster, retired.

Senior members of the band are: Piccolo L. Stein, R. H. Peterson, Clarinet L. R. Apfelbaum, W. F. Buck, J. Hellman, J. R. Kimlin, A. H. Kunkel, V. J. Lester, W. R. Platt, F. Sitek, R. M. Yinnes, Bass Clarinet J. H. Poyntel, Alto Saxophone F. A. Vossels, C. W. Welker, Tenor Sax O. C. Rice, Jr., Baritone H. D. Baldwin, H. D. Begcher, B. F. Beachler, A. W. Lehman.

Trumpet E. J. Newton, D. C. Nokes, E. M. Treese, W. E. Willis, Trombone I. C. Golub, Bass J. A. Noonan, Snare Drum W. A. Allen, D. S. Poltz, A. A. Goss, W. H. Todd, Cymbals W. T. Davis, C. D. Zimman.

Junior members are: Piccolo W. B. Robinson, Clarinet R. S. Bowman, R. E. Bucher, R. B. Gunde, A. R. Gulick, G. E. Tuskeep, L. (Continued On Page Two)

### Tribunal To Clamp Down On Violators

#### First Violator Punished; Must Wear Sign

Subbed for violating freshman customs when he was caught talking to a girl, Ruben Novey '42 will wear a sandwich sign from noon today until midnight Saturday next.

The sentence was inflicted by Student Tribunal Tuesday night after Novey was found guilty of the charges filed against him.

Because they failed to appear before the Tribunal, David Mathai and Robert W. Flekenscher will be escorted to the next meeting by but men to be tried for custom violations.

Approximately 20 additional exemptions were issued by the Tribunal at Tuesday's meeting. Beland A. Briggs '34, acting chairman, said exemptions were refused a delegation of town boys requesting liberations off the campus.

Over 30 Violators Notified  
More than 30 violators will be notified to attend the Tribunal meeting Tuesday night, September 27, at 7:30 o'clock, at which time the judicial board will swing the axe in earnest.

An appropriate parade to enliven the intermission between halves during State's forthcoming grid opener with Maryland is planned by the Tribunal. A score or more convictions are expected by that time.

For their cooperation in grabbing violators, Student Tribunal again wishes to thank both Blue Key and Druids.

### 1929 Ring Captain Honored By Navy

#### Clark Grazier Gets Medal For Work On USS Panay

To an outstanding athlete and graduate of Penn State has been awarded the highest decoration the Navy can bestow—the Navy Cross.

Recipient of this honor is Lieutenant Clark Grazier, Medical Corps, U. S. Navy, who was graduated in the pre-medical curriculum in '29 and was captain of the Lion boxing team that year. He is a member of Theta Xi fraternity.

Lieutenant Grazier was on duty on the U. S. S. Panay on the Yangtze river when it was sunk by Japanese planes last December and has been decorated for his services in that disaster. Grazier, who comes from Ingomar, Pa., is now on duty in the Naval Hospital at Manila, Philippine Islands.

The Cross was awarded by the Secretary of the Navy in the name of the President and carried with it the following citation: "For distinguished service in the line of his profession on the occasion of the bombing and loss of the U. S. S. Panay on December 12, 1937. Lieutenant Grazier displayed great calmness, ability, and resourcefulness both while under fire aboard ship and also under very difficult conditions with limited medical equipment while caring for wounded ashore."

"His untiring efforts and professional skill contributed immeasurably in reducing the seriousness of the injuries sustained and in going undoubtedly prevented additional fatalities. His performance on this occasion was in keeping with the highest traditions of the Naval Service."

Acting on the advice of the administration of Lingnan University and considering the danger prevalent in the Canton area of South China, the Penn State China Committee decided not to send any exchange students from the College to Lingnan this year at a meeting held Monday afternoon in Old Main.

Ralph L. Watts' plan of the School of Agriculture and a member of the Lingnan Board of Trustees, was re-elected chairman of the committee. Other officers elected for 1938-39 are Prof. John H. Frijzel, vice chairman, Harry W. Seaman, treasurer, and Dean Charlotte E. Ray, recording secretary.

### State Fund Study Asked By Shapiro

#### Refusal To Admit Four Brings Charge

Prompted by the Colleges' alleged refusal to admit four students recommended for scholarships, Sen. Harry Shapiro (D., Philadelphia) proposed Wednesday that the State Legislature study appropriations made to state aided educational institutions to "see what the state gets" for its money.

The charge of refusal was made by Sen. Bernard McGinnis (D., Allegheny) who said Pies Ralph D. Hetzel had written to him explaining that the freshman quota had been filled before the four recommendations were received.

Reading figures from one state aided medical school Senator Shapiro said that as many out of state students were enrolled in the last several years as Pennsylvanians. He asked the legislature to study the appropriations in the future rather than voting them "perfunctorily."

Members of the Senate were advised by Minority leader Clarence J. Buckman (R., Bucks), and Sen. Edward J. Thompson (D., Centre), to endorse students who had already been admitted to the College.

The meeting was presided over by Prof. Warren B. Mack, chairman, with the following members of the committee present: Prof. Harold A. Everett, Ruth E. Graham and Franklin C. Banner, Dr. Joseph P. Ritenour, and Deans Charlotte E. Ray and Arthur H. Warnock, both ex-officio.

The measures adopted by the committee follow:  
"It was voted that it be contrary to the policies of the Committee on Student Welfare for any student organization under its supervision to hold or sponsor drinking parties at which alcoholic beverages are consumed or, in case it occupies a house, to permit drinking parties to be held in its house or to set aside a room to be used for social drinking. In this connection the Committee is aware of the fact that the State Liquor Control Board has ruled that drinking parties held on the premises of fraternities and similar social clubs which do not hold liquor licenses constitute violations of the State liquor code and are punishable as such."

Suggest House Mothers  
"It was voted to suggest to the fraternities that they give consideration to the installation of house mothers as a method of helping with the solution of the unchaperoned guest problem, concerning which there is much unfavorable criticism of the fraternities, and other problems that the chapters must meet."  
"It was voted that until a new code governing the presence of unchaperoned women guests in fraternity houses is drafted by Interfraternity Council and approved by Student Welfare, it was announced yesterday."

### Six Students Have Perfect '3' Averages

#### 251 Garner Mark of 2.5 Average

Six students, including one member of the present senior class, finished the second semester of last year with perfect "3" all-college averages, figures released yesterday by Registrar William S. Hoffman reveal.

One member of last year's graduating class, two freshmen and one sophomore complete the list. Three of the perfect averages were made in the School of Chemistry and Physics, two in the Liberal Arts School, and one in the Agricultural School.

A total of 251 students completed averages of 2.5 or more, including 61 graduating seniors, 62 present seniors, 74 juniors, 60 sophomores, and 5 two-year ages.

Highest number of 25 students came from the School of Chemistry and Physics, with 59 finishing in the top bracket. Engineering placed 50, Liberal Arts 49, Agriculture 38, Education 15, Mineral Industries 9, and Physical Education 7.

Top among members of last year's graduating class was Christine M. Kaufmann, Liberal Arts, with a perfect 3. Leaders of the other schools were Agriculture, Lotie M. Stanzel 3, Chemistry and Physics, Donald B. Broughton 2.96, Education, Leeta M. Gridley 2.95, Engineering, Samuel M. Dean 2.92, and Mineral Industries, W. Julian Patton, 2.8, and Physical Education, Elmer Collins 2.61.

Leading the Class of 1939 are Agriculture, Betty Jane Eaman 3, Chemistry and Physics, David J. Bohm 2.91, Education, Margaret G. Lloyd 2.88, Engineering, Nicholas Kay 2.83, Liberal Arts, W. D. Barns 2.8, and Mineral Industries, John E. Wray 2.71.

Top averages in the Class of 1940 are Agriculture, Martin V. (Continued On Page Four)

### Solution Forwarded For Unchaperoned Fraternity Guests

#### Ban Also In Effect For Drinking Parties In Houses, Other Organizations; Severe Penalties Listed

Stating "there is much unfavorable criticism" of fraternities prevalent on the campus in regard to the "unchaperoned guest problem," the Senate Committee on Student Welfare officially suggested for the first time at a meeting Wednesday that social groups here "give consideration to the installation of house mothers as a method of helping with the solution" of the problem.

At the same time, the Committee clamped a ban on drinking parties in fraternities and all student organizations under its supervision.

In addition, the Committee also approved a code regulating the presence of unchaperoned women in fraternity houses to be effective until such time as Interfraternity Council drafts a new set of rules.

Penalties for violation of the ruling rest with the Committee and will be imposed by it, Dean of Men A. R. Warnock, said yesterday. Among the possible penalties which may be imposed is the curtailment of all social privileges of a fraternity chapter.

The meeting was presided over by Prof. Warren B. Mack, chairman, with the following members of the committee present: Prof. Harold A. Everett, Ruth E. Graham and Franklin C. Banner, Dr. Joseph P. Ritenour, and Deans Charlotte E. Ray and Arthur H. Warnock, both ex-officio.

The measures adopted by the committee follow:  
"It was voted that it be contrary to the policies of the Committee on Student Welfare for any student organization under its supervision to hold or sponsor drinking parties at which alcoholic beverages are consumed or, in case it occupies a house, to permit drinking parties to be held in its house or to set aside a room to be used for social drinking. In this connection the Committee is aware of the fact that the State Liquor Control Board has ruled that drinking parties held on the premises of fraternities and similar social clubs which do not hold liquor licenses constitute violations of the State liquor code and are punishable as such."

Suggest House Mothers  
"It was voted to suggest to the fraternities that they give consideration to the installation of house mothers as a method of helping with the solution of the unchaperoned guest problem, concerning which there is much unfavorable criticism of the fraternities, and other problems that the chapters must meet."  
"It was voted that until a new code governing the presence of unchaperoned women guests in fraternity houses is drafted by Interfraternity Council and approved by Student Welfare, it was announced yesterday."

### Iola Murray Dons Wig For Screen Bit Parts

Did you see "Joy of Living," "Ground Crew," "Having a Wonderful Time," Vivacious Lady," "Mr. Doodle Kicks Off," or "Ladies in the Morgue?" She was the small blond who was cast in the roles of co-eds and debutantes.

### 3 Students Named To Joint Committee

Doris Blakemore '39, Dunning Rupprecht '40, and Frank Gleason '41 were named to the Scholarship Committee by Student Board Wednesday night.

### Stag Hike To Open PS Club Social Year

Opening its series of social events for the year the Penn State Club will hold a club hike to Shingletown Gap at 2 p. m. Sunday.

### Majority Of Chairmen Denounce Rushing Code

Denouncing the new 1938 Rushing Code with monotonous rapidity, fraternity rushing chairmen with few exceptions voiced their disapproval in statements issued to the Collegian yesterday.

### 16th Dads' Day Affair Set For Next Saturday

The sixteenth annual observance of Dads' Day is scheduled for this time with a complete program of entertainment being arranged by the Association of Parents of Penn State.

### Rotc Head Ill in N.Y.

Col. Ambrose R. Emory, Infantry, U.S.A., formerly in command of the 27th Infantry in Hawaii and successor to Col. Russell V. Venable in the ROTC unit here, is ill at the Station Hospital, Fort Jay, N.Y. He is not expected to report for duty until late in September.

### Froth Issues Call

Freshmen and sophomores who wish to try out for the business staff of Froth should report today and next Monday afternoons at 4 o'clock to the Froth office, Arthur S. Elton business manager of the publication, announced yesterday.
