

# Lion Soccermen Meet Green Terrors At 2:30 Tomorrow

## Between The Lions

By HERB CAHAN, Sports Editor

Perhaps the less said about last Saturday's humiliating defeat of our football team the better. The players have surely had their share of a verbal rebuffing from the coaching staff and student body.

The squad had enough scolding this week to make up for what they failed to do against Bucknell, and the boys certainly seem determined to vindicate themselves. Lehigh must be beaten!

And according to reports brought back by Backfield Coach Al Michaels, who scouted the Engineers, we will have our usual trouble with the Bethlehem Boys. Seniors on the Nittany Lion squad haven't forgotten that 7-6 upset Lehigh handed us two years ago.

Not will anyone forget the scene a poorly rated Engineer eleven gave us last year, before a miraculous catch of a forward pass by Alex Barantovich resulted in a 17-7 Lion victory.

So, if past history and present reports are any indication, tomorrow's encounter will be a tough one. But, in spite of all this—we think that Penn State's gridmen have profited by last week's drubbing—so we'll pick them over.

## Lion Lineup Intact For Third Game

By MANNY ROTH

Jarred by a surprising battle from an unheralded squad of Bucknell Bison, Bill Jeffrey's undefeated Lion soccermen are prepared to redeem themselves in a crucial meet with the Green Terrors of Western Maryland at 2:30 tomorrow afternoon on New Beaver field.

Bucknell, relying on individual rather than team play, held the Jeffreymen to a scant single goal in the game here last Saturday. "Prediction" had it that the Bison would be crushed by at least five goals.

The Lions are looking toward their third consecutive victory of the season in the meet with the Terrors. Undeclared since 1932, the hosters have thus far annexed 34 victories, and have been tied but four times.

The lineup for tomorrow's contest, according to Coach Jeffrey, will be the same as was used last week.

"They've all had a taste of real competition," ventures Bill, "and they know what's expected. The boys are in top condition. We'll give the Terrors the best we have to offer."

Dick Hang will be at goal with George Merwin and Bob Schuler at the fullback posts. Captain Freddie Spjkel, Walt Painter, and Sam Davies will tend to halfback duties. Gus Bigot, Walt Hoersterman, Franny McKrall, Bob Ernst, and Van Hartman will comprise the forward line.

## Lehigh's Grid Mentors

Clay Harneson, center, assisted by Carl Heldt, left, and Mart Westerman, right, are guiding the destinies of Lehigh's football team for the second year. All three mentors are Purdue graduates.

## Gridmen Seek Lehigh Victory

(Continued From Page One)

Allet and Nemeth may see little action. Two sophomores, Walt Kniaz, tackle, and Wade Mori, guard, have stepped into the starting line up as replacements for Hanley and Nemeth. Both men have distinguished themselves on the defense in the first two contests and will capably fill the veterans' posts.

The Engineers, victorious over Penn Military College and Iving Boston University and Case may have a stouter team than last year's outfit to oppose the Nittany men in the 19th meeting of the schools.

### 14 Lettermen Missing

Fourteen lettermen were lost by graduation, but the ten remaining letter winners have been aided by some promising sophomore material up from a four yearling squad.

Lehigh has also been hit by various injuries and only four lettermen will be included in the starting lineup tomorrow. Jim Campbell, veteran quarterback, will guide the backfield toutsome of Marcus Weitz and Steve Smoke, halfbacks, and Norm Avei fullback.

Probable starters in the front line include Jack Kroner and Hulme Thomas, ends, Frank Raibold and Stan Grossman, tackles, Gene Kirkpatrick and Paul Duvell, guards, and Walt Priele, center. Only Kirkpatrick and Thomas have won letters.

Opposing Coach Glen Harneson's eleven will be Harry Harrison, John Patrick '41, Craig White, and Lloyd Kics in the backfield with Barantovich, Kniaz, Mori, Sevey, Forgett, Joe Peel, Pop Ellwood, and Grover Washnough from end to end.

Little Joe Clocca, half pint tall back, may get a chance to show some of his stuff against the Brown and White as a replacement for Zipper Harrison. State has annexed 12 victories dropped six, and tied one in the series with Lehigh. However the Engineers recorded the highest score ever made against a Penn State team—106 to 0 way back in 1889.

With most of Bob Higgins' ends on the shelf, Gil Radcliff, junior wing, may possibly see considerable action. Chuck Peters looked great in several scrimmages during the week.

Weslaco (Tex.) Junior High School played Raymondville (Tex.) High, Nov. 22, 1935 and won 56-0. During game, with ball on Weslaco's 15 yard line, halfback Torres ran 85 yards for a touchdown. Play was called back Mattar then ran the 85 but his touchdown didn't count because of offside. After which, halfback Porter took the ball 85 yards and offside allowed it.

## Lion Cubs Set For Syracuse

(Continued From Page One)

Twenty-five freshman football players compose the squad leaving today for Syracuse for the second game of the 1938 schedule against the Syracuse yearlings tomorrow at 11 p. m.

Despite a win over Pitt by one point and a 11 to 5 first-down margin, the Lion cubs face a plucky club of known strength using the Minnesota system of play with Bill Davis as its tackling ace.

The Orange cubs are fortified by a 7-0 victory over Wyoming Seminary last Saturday.

The opening Nittany lineup will be the same as that used against Pitt with one or two exceptions. Leonard Fketch has been moved up to first string tackle while Dean Seay will be in at guard in case Chuck Wilkinson, first string guard now in the infirmary with an injury, is unable to make the trip. Other starters will be Bates and Erwin at end, Gubinski at tackle, Evans at guard, Kolenda at center, and Eigemann, Debler, Smaltz, and Krouse in the backfield.

During practices this week Coach McAndrews has been drilling the ends, Bates, Erwin, Kerpel, Robb, and Megarsee, and all backs on pass offense and defense. According to McAndrews, the Nittany passing in the Pitt game was "not so hot" and it is in this field that the fresh must show some "stuff" to outplay the Orange cubs.

Showing great improvement as a team though the winning time was slower, the Yearling cross-countrymen ran through their second time-trial on Tuesday. Final time-trial will represent the Cubs when they meet the Cornell Fresh next Saturday will be run tomorrow afternoon.

Leading the freshmen in Tuesday's clocked workout were Bernard Kotz and Herman Goffberg with a time of 16 minutes and 44 seconds. Both looked strong and should be able to set a faster pace when the three miles is run in meet competition.

Earl Buckwalter next just nosed out Harold Thiel to take third place. Following Thiel came Alex Bougenie and George Harrison. Harrison showed great improvement, cutting approximately two minutes off his previous time. Arnold Olsen was seventh man to finish.

Coach Pete Olevy is fairly well satisfied with his squad's showing and believes that then balance will help them make out well this season. Less than a minute separated the first and sixth man in Tuesday's workout.

## Harriers Aim For Triumph Over Lehigh

Fresh from an upset victory over Manhattan last Saturday Coach Chick Werner's cross-countrymen are taking no chances of being on the other end of that "upset" business when they meet a supposedly weak Lehigh outfit at Bethlehem tomorrow morning.

For the past five years the Engineers have been defeated by a perfect score but still the Statesmen refuse to take them lightly. Coach Werner has worked his men as hard this week as he would for a meet with Syracuse, known as the toughest team in the East.

"We expect to win easily," Werner said, "but we are taking no chances."

### Selects First Seven

Using the Manhattan meet as a time-trial, Coach Werner selected the first seven Nittanymen who finished to represent State against the Engineers.

Led by first place winner Bill Smith, "the man who runs like a machine" the Lion squad made up of Captain Chuck Pierce, Frank Maule, Graham Miller, Len Henderson, Herb Nipson and Bill Giest left for Bethlehem at 9 this morning.

Lehigh will base their hopes of breaking into the scoring on Morgan Elmer, blonde-haired junior who suffered an attack of cramps when the Engineers ran here last year but even then was able to take seventh place in the meet.

After meeting the Engineers, the varsity harriers will have a two week interval in which to prepare for their five-mile jaunt against a strong Orange outfit from Syracuse here on October 29. Should the Lions leap this hurdle they will establish themselves as favorites to take the ICA championships in New York City in November.

Ice hockey received a tremendous impetus in its struggle to be recognized as a varsity sport yesterday when Dean Carl P. Schott, School of Physical Education and Athletics, approved an appropriation of \$100 which will be used to outfit this year's team.

Although it will be sponsored by the School of Physical Education and Athletics, hockey will not be classified as a letter sport. Because he has had previous coaching experience, Dr. Arthur F. Davis has been appointed head mentor for both the varsity and freshman linkmen.

Schedule Being Considered  
A six or seven-game schedule, including tilts with Lehigh, Haverford, Swarthmore, Carnegie Tech, Pitt, Army and Penn is being considered. Dr. Davis said. Definite action with regard to a regular schedule will be taken within the next two weeks. Dr. Davis also hinted the possibility of a three-game freshmen's schedule. "Dry practice for last year's veterans."
