SOPH FLOP?

ANOTHER YEAR, another Soph Hop, another dohoh!

It's the old story and it's fastly becoming a Penn State tradition

Coupled with the fact that good bands are seldom available at a date so near Christmas, student finances are usually all but sapped by a hectic Fall season replete with Houseparty, Penn and Pitt Weekends

Hence, a big dance prior to the Christmas holidays will not pay for itself unless a nationally prominent "name band" is procured

The whole "big weekend" social card could be juggled around so that Soph Hop would fall about the second weekend in January

One fact remains—unless definite steps are taken to remedy the present set-up, Soph Hop will die a horrible death

TO THE WOMEN

ARE YOU doing your part? Every year as the big weekends roll around we find petty thieving going on in the big dorms

You probably raise your eyebrows when you read or hear about some unfortunate woman losing money, jewelry or smaller articles

Not until then will you get worried and complain to the chaperon, but it isn't her fault

Give Captain Dennis of the Campus Patrol and the College some cooperation in this matter of taking temptation out of the reach of every passing hand

Inductive of the lack of interest on the women's part to this problem is the fact that very few of you have gotten keys from the Purchasing Agent's office

Get these before Thanksgiving vacation and lock your rooms! Only by this method can you be sure of having everything intact when you return

Your key deposit was paid with your fees, so walk in and collect the key with your room number on it

Ah Rats

Getting a little fed up with all the publicity the theta's were getting with their rats (paid us for the smart crack Friday, dear theta's) the kappa's come out with the ratstest of them all

Tuesday night, Billy McKnight, ks, woke up with a terrible pain in his nose

Early Wednesday, the windowcraiser came in his room in time to see a big rat scamper out to the roof

Remaining smooth member

Page The Racing Commission

After Billy Smith's sensational wall away victory in New York, Monday, local race track tout are afraid that in the future official, he will demand that Smith take a saliva test when he wins by 200 lengths

Bill's nickname to Wai Admiral Although few of the papers carried it, the best story of the race is that at one place Smith went off his course by 15 yards, turned around ran back and then took the lead

Campus Sight:

Harold Goldberg and Ruth Stein, Pitching woo, anyplace, anytime

Add Progress Note

After almost circumventing the old no-drinking rule because of lack of enforcement (remember the 18th Amendment), Dean Ray's office finally comes to life to announce that any co-ed caught in a local beer dispensing place will be suspended

Dianas and the Dogs

Janie Gruber, Lucy Pascoe, and Dottie Savard went hiking the other afternoon in Cente's spacious woods, all going well until they entered a field in which there was a dog

She hurdled the fence

Add Popularity

I just received a letter from Philadelphia Whoopes!, my fame spreads Shut up, Maniac

Re-Hitch

Hitch-hiking to York, a mere 120 miles, took phisgmakappa's Ralph Bollinger and Jim Hutchens 13 hours

'England, France Sold Czecholovakia Down River,' Says McHenry

Germany Not Ready For War; Dark Future Forecast For European Countries

By DR DEAN E. McHENRY

Americans of all ranks and stations were intensely concerned with the day-to-day episodes in the crisis which led to the partition of Czechoslovakia

The first and most revealing question is: Could Germany have matched the combined strength of Britain, France, Russia, the Little Entente (Czechoslovakia, Rumania, and Yugoslavia) and the other nations?

Unquestionably Czechoslovakia could have made good terms with the Germans in 1936, 1937, or early 1938
