Outplayed in the first quarter by a hard-driving Susquehanna Cub court squad, Coach Nick Thiel's '42 basketball team returned to crush the Cusaders 44-12 in the initial scrimmage session of the year in Rec Hall Saturday night

Klepke, Susquehanna forward, broke through after two minutes of play and sank one to put the Cusaders temporarily in the lead

Len Krouse, Nittany forward re-latched and tied the count, but the visitors kept pressing and continually netted the defense

Nevertheless, the yearlings held a mildly comfortable 17-11 lead at the end of the half.

Finding their plays in the second session and taking advantage of ineffective long shots by the Cusaders, the Nittanymen piled up 42 points before the closing gun

Lion Mat Success Hinges On Possible Weight Limit Shifts

Have the wrestling limits been changed?

Charlie Speldel anxiously awaits official answer to that question, for on it possible hinges much of the success of the 1939 Lion wrestling team

Carl "Midget" King, scappy junior, was greatly weakened last season by the strenuous ordeal of working down to 118 pounds If the limit has been changed to 121 pounds, as was rumored last month, King should show up much better than before

Changes in Weights Aid Several

Changes in weight limits would probably help settle the hotly contested 135, 145, and 155 pound spots, since several possible starters are now on the fence between classes

Another factor expected to greatly affect the starting lineup for the opener with Nebraska on January 11 is the showing that matmen make in the annual interclass tourney during the first week after Christmas recess

can be obtained to supplement the gift presented by the Class of '32

No official approval has yet been given to the class gift, it was learned, primarily because the \$4,500 is far too little to cover the entire cost of the proposed mural project.

No action was taken on the name change proposal

Hockey Team Plans Five Game Schedule

Hockey games with Cornell and Syracuse have been scheduled for some time after Christmas, but no definite dates have yet been set

An attempt is being made to arrange a tip to meet Cornell and Syracuse between semesters

The hockey squad held its first ice practice last Saturday afternoon at Whipple's Dam

Games with Lehigh, Pittsburgh, and Carnegie Tech are being sought, but so far negotiations have failed to materialize, Richard James '39 manager, said yesterday
