

Roller Skating Resumed Here

Second Session To Be Held Tomorrow in Armory; Starts at 1 P. M.

With over 450 students participating in the opening session of roller skating last Saturday, the student recreation division of the School of Physical Education and Athletics considers the activity a success and will continue it so long as student interest remains, Ray Conger, chairman of the student recreation committee, said yesterday.

The second session will be held tomorrow in the Armory Skating will again be divided into periods of two hours, with a change of 20 cents for each two hours.

Because of damage done to the Armory floor last week, proper techniques of stopping without dragging the skates will be demonstrated by the floor manager before each period.

We Women

'Vigilantes Solve Drink Problem'—Rumor

Did you young college men and women know that we had a female Edgar Hoover, an insidious insurer of stool pigeons as one of our leaders? Oh yes, indeed, so our erudite gossipers report. Rumor has it that a Gestapo of popular women has been organized by our Dean to apprehend any female who quaffs of the devil's refreshment. This unqualified diabolical becomes more involved, more drastic every time we hear it.

How, possibly, could an administrative body here to further education and thought, run the risk of forming a group whose secrecy could not be kept and that was completely in violation of its purpose?

How can we have such lack of regard for our fellow-students as to suspect them of stooping to such a nefarious task?

How, finally, can we suspect a woman who genuinely has the interests of the students at heart of employing a process of investigation that we have not the audacity of accusing anyone save maniacal dictators in foreign nations?

2,500 Are Expected At Chapel Musicale

With seating arrangements and loud speaker facilities for 2,500 people, the annual Christmas chapel musical program will be held in Recreation Hall Sunday at 10:30 a. m. instead of the regular starting time at 11 o'clock.

Especially scheduled for Rec. Hall to accommodate an expected large crowd such as overflowed Schwab auditorium last year, the service will be in charge of Prof. John H. Frizzell, College Chaplain, and Prof. Richard W. Grant, director of music.

The College choir of 110 voices, gowned in their blue and white robes for the first time this semester, will sing at the service. Others taking part will be Irene O. Grant, organist, Barbara Trevell, soprano, Samuel Gallo '39, tenor, and Edward Wood '41, violinist.

Varsity, Cub Mermen To Compete Tonight

Pitting his varsity against his freshman swimmers, Coach Bob Galbraith will give his mermen a competitive workout in Glennland Pool tonight at 8:45.

Stiffest competition threatens to come in the backstroke, freestyle sprints and the diving. Elmer Webb, cub backstroke, turned in an excellent performance in last week's intra-fresh meet and will get a real test against the varsity's Mark Vincent and Dave Welsh.

Fresh divers Al Pice, Dave Lynch and Vaughn Evans are capable of giving veterans Luther Hoy and Guy McLaughlin a lot of wavy. Phil Bogatin will be no pushover for Captain Chuck Welsh and Bill Kirkpatrick.
