

McWilliams Is Elected First Single Basketball Captain In Five Years

Cliff McWilliams, lone junior regular, was elected to captain Penn State's basketball team in 1940. He is the first to hold the honor singularly since 1935. Uncaptained the past season for the first time in Lion court history, the team voted not to elect an honorary leader following the basketball banquet last Thursday. Co-captains guided the Lions for the two years prior to last season.

BUSBY SAYS

Peanuts, popcorn, cigars, cigarettes, chewing tobacco. Hey, hey Gee, I smell circus. And dang if I ain't right. That super-colossal, stupiddness, great-big all-College Circus is just around the corner—next Saturday.

Speaking of Cornet, did all of you two readers see our classy trophies, medals, and snazzy pictures in the window of the Cornet pet usual. They are really the nuts, eh? And everything goes to somebody or some group if they are good enough in the Circus. Say, along with these several hundred thousand other circus fans whom you will probably see as me I really intend to make my formal appearance, so keep your eyes focused for a cigar leading me around. Chances are I may appear with that famous act which ran in New York three years and was stranded in Pine Grove Mills for six.

10 Displays To Feature Initial Show

More than 160 students are slated to appear in the first annual all-College Circus, rapidly being arranged in Rec Hall for its initial showing this Saturday night. Approximately 60 girls will be included, Director Gene Wettstone revealed.

With ten displays—three acts in three rings to each display—already scheduled, the circus looms as one of the most entertaining features of the spring season. An admission charge of 25 cents for adults and 10 cents for children will be charged.

Receipts from the Circus, sponsored by the School of Physical Education and Athletics, will be used to purchase additional recreational equipment and aid the fund for the proposed College Recreation Lodge.

Highlight of the affair will be the crowning of the Circus Queen who will be presented a trophy emblematic of her honor of ruling over Penn State's first Circus. Fraternities will vie for another trophy to be awarded to the group giving the most clever act in the show. Medals are to be presented to members of the Independent group with the best act.

Wernermen Show Speed In Tryouts

Although the Wernermen have been hindered by the typical "California" weather and a slow, rough track since practice started, they showed plenty of speed in the season's first time trials last Saturday afternoon.

After two strenuous daily workouts throughout the Easter vacation the Nitany Lions handed Coach Chuck Werner a nice "egg" Saturday which he hopes will break along with a few records at the Penn Relays in Philadelphia, April 28 and 29.

Jack Bachman hurled the discus 138 feet 1 inch, the farthest in his life to highlight the trials. Frank Platt heaved the shot 41 feet 4 inches in another very creditable performance.

In the 100 yard dash, Will Sutton led the sprinters to the tape in 10.1 seconds, followed closely by Walt Hosterman, Bill Engel, Van Hartman, and Bernie Kalma. Hosterman also ran one two in a fast 22.0. Johnny Stange performed beyond all expectations when he ran the mile in 1:31. Len Henderson, Graham Miller, and Frank Maule pushed Stange the whole way but failed to overtake the fast flying intramural champion.
