Exemptions Of Students From Act To Be Weighed

Special to the Collegian

WASHINGTON, April 20—Some action to exempt college students from the provisions of the Social Security Act will soon be taken by the House Ways and Means Committee, Rep John D. McCormack (D., Mass.), acting chairman, indicated here today.

ELECTION CODE

(Continued From Page One)

Accompanying the petitions must be a statement of platform. The Elections Committee shall approve all platforms, but shall reserve the right to censor any provisions which it may deem ridiculous. Pictures, suitable for reproduction should accompany petitions of candidates for all-College offices and class offices.

ARTICLE V Campaign

The campaign will open 7:00 p. m., Tuesday, April 25, with an all-College mass meeting. All candidates are required to be in possession of their approved petitions before their campaign may be started.

To each party that has candidates running for major offices, the Student Council through the Elections Committee, will supply standard posters containing the party platform and pictures of the major candidates. Separate posters will be provided for all College and class office candidates. In addition, each party can spend up to \$10 for each class slate and up to \$5 for each candidate for all College President and all College Vice President. The cuts purchased by Student Council for the posters will be supplied to all parties at no charge.

On or before 12 noon, Tuesday, April 25 each party must submit to the chairman of the Elections Committee its plan of campaign and an estimate of all expenditures. The Committee reserves the right to forbid any type of advertising or campaigning which it considers unfair.

A final official list of expenditures must be submitted to the chairman at 7:00 p. m., Monday, May 1. The Committee may at that time deal with any violations of these parts of this code which deal with campaigning as it sees fit.

ARTICLE VI Eligibility to Vote

To be eligible to vote, voters must present their A A books and matriculation cards which will be checked with the Dean's list procured before elections. A A books will be marked by the checkers and the voters' names will be crossed off the list. Those who have lost their A A books or matriculation cards may be eligible to vote upon presentation of a note from their Dean's office certifying that they are regularly enrolled undergraduate students. These names will also be checked off the Dean's list.

ARTICLE VII Party Affiliations

Party affiliations, if any, of each candidate will be placed upon the ballot. It is not necessary, however, for each candidate to have a party affiliation.

One approved member of each party may be stationed at the election table to check their lists of voters. No conversation with the voter will be permitted. Party chairman may examine these lists any hour.

ARTICLE VIII Violations

Penalties of twenty (20) votes each will be inflicted upon any party found guilty of violating the following:

- 1—Electioneering in Old Main while voting is in progress.
- 2—Conversation by party checkers with voters.
- 3—Buying of votes.
- 4—House to house canvassing prior to the stipulated time for campaigning.
- 5—Unfair campaigning following an initial warning.

In addition to the penalties provided for, any person violating this code may upon recommendation of the Elections Committee, be dealt with by the Student Board. Anyone found guilty of code violation will be subject to dismissal from College.
