

# Extensive Summer Recreation Program Is Outlined

## 8 Mushball Teams To Include Many Session Students

Numerous Summer Session students will be included on the rosters of the various ball teams entered in the State College Softball League. Eight teams are listed this year.

With action slated to get underway Wednesday evening, Manager Tom Moore has been lining the clubs up. Final plans were discussed at a meeting of the managers last Wednesday.

Heading the list of eight teams in the circuit will be last year's undefeated champions, Mineral Industries. Other clubs are Graham's A. C., Matill's A. C., McKee's Market, Cook's Market, Corner Room, Independents, and Alpha Five Company.

Games will probably be played three evenings a week, with contests starting before 6:30 p. m.

University of Vermont co-eds have formed a new club to promote improvement of their personalities.

## NAMED COACH

## Wear Named Coach At Curwensville Hi

Wendell "Windy" Wear, former star Nittany Lion athlete, was recently named athletic director at Curwensville High School, one of Western Pennsylvania's best producers of top-notch grid elevens.

Wear, who was selected Penn State's outstanding athlete for 1938 by vote of the coaches, succeeds Regis McKnight, who resigned to become head coach at Greensburg High School.

Roosevelt College has been the educational starting place of more than 20 college presidents.

## Mixed Group Games Feature Plans For Main Session

Many Sports Figure In Activities Arranged By Dr. Arthur F. Davis; Several Tournaments Slated

Plans for the most extensive recreational program in the history of Summer Sessions are developing rapidly under the direction of Dr. Arthur F. Davis, professor of Health Education in the School of Physical and Athletics, in charge of Summer Session recreation.

Designed to reach every individual regardless of sex or age, the complete recreation program entails cooperation with Social and Executive committees of the Summer Session. Miss Marie Haidt, in charge of Women's recreation, will work in cooperation with Dr. Davis.

Emphasis will be placed on the participation of mixed groups in games and contests to promote physical activity as well as for social purposes, Dr. Davis pointed out.

Tournaments Planned Round-robin tournaments will be held in every sport which manifests sufficient interest. A mushball league for students may get underway if four or more teams can be formed.

Included in the list of activities outlined by Dr. Davis are mushball, volleyball, tennis, golf and golf putting, horseshoes and quoits, archery, horseback riding, and such indoor contests as shuffleboard, squash, handball, badminton, ping-pong, and darts.

Most Events Free With the exception of only a few activities, the majority of sports planned will not involve any expense to the participants. Horseback riding, golfing, and others which may arise later will necessitate the charging of a nominal fee.

Following out the anticipated plans for more mixed groups engaging in events, a mixed group water sport evening is being planned for the near future.

Students may indicate their preference of sports on mimeographed forms which will be distributed at the opening assembly in Schwab Auditorium Wednesday night.

## Time Limit Is Set For Tennis Court Usage

Crowded Conditions Force Retention Of System For Players

Following a plan used effectively for the past two seasons, all tennis courts on the campus will be placed on a reserved schedule by the School of Physical Education and Athletics.

"Because of continued crowded conditions, the same plan with minor revisions will be used for the College tennis courts again this Summer Session," Dean Carl P. Schott of the School announced.

Players may phone their reservations by dialing "711" and asking for the "Tennis Court" extension phone. Reservations may be made from 8 a. m. until 12 noon and from 1:30 until 5 p. m. daily except Sunday mornings. However, courts will be open from 2 to 5 p. m. on Sundays.

Complete list of regulations follows:

- Plan of Courts**
- 1—Recreation Hall Courts will be numbered from 1 to 12 starting with the court nearest Recreation Hall.
  - 2—Varsity Courts will be numbered 13 to 16 starting with the court nearest the fraternity houses.
  - 3—Alpha Zeta court will be numbered 17.
  - 4—(Pond Lab courts, 17 and 18, have been discontinued).

- Costume**
- 1—All players must wear rubber-soled, heelless shoes.
  - 2—All men should wear either a shirt or similar covering.

- Rules**
- 1—First consideration is given to organized classes. Such reservation is made through a letter to the Dean giving dates and number of courts needed.
  - 2—Aside from classes every College student and instructor has equal claim to courts, first come, first served.
  - 3—Reservations may be made only a day in advance and for only one hour. The College has too few courts to allow one person to monopolize them for several hours at a time.
  - 4—No person is required to give up a court except upon presentation of a written reservation signed by the Dean of the School of Physical Education and Athletics or by an instructor in the same School.
  - 5—All reservations must end at the stroke of the hour as sounded by Old Main. The next reservation will be effective at once. If the possessors of the court are in the middle of a game, they may finish as long as it doesn't require more than 15 minutes.
  - 6—A reservation must be taken up by 15 minutes past the hour, otherwise it is automatically cancelled. Anyone has a right to play on those courts not reserved. (Organized classes need not comply with this rule.) If an instructor has a reservation from the Dean covering a group of courts, or if a student has a reservation from an instructor in Physical Education, the 15-minute rule will not be effective.)

## Ewell's Feet Hurt But He Continues Dazzling Pace

"My feet hurt." That's all yearling sprint ace Barney Ewell had to say after having set a new freshman record in the 100-yard dash, tied the varsity record for the same distance, and equaled the freshman record for the 220-yard spurt.

Barney was clocked in 9.6 seconds for the century. That knocked .2 second off the freshman record set by Bartholomew '28, and tied the varsity record first set by Henry '07 and later equaled by Bartholomew. Bartholomew also holds the cub record for the 220—21.4 seconds—and the varsity record of 21.2 for the same distance.

Ewell, who was clocked in 9.6 seconds for the 100 while still in high school down in Lancaster, also had foot trouble during the winter. His "feet hurt him" when he broke the world's record for the 50-yard dash in the Penn. A. C. meet in Philadelphia.

His feet "foundations" troubled him as he took second in the Millrose games in New York City.

If his feet bother him—look out! He's liable to break a few more world records.

And, just recently Barney flashed through with a 9.6 century to win in the annual Armstrong A. A. games, following that up with a double victory in the 100 and 220 at Ocean City, N. J., in the Middle Atlantic Association track meet of the A. A. U.

Wonder if his feet were sore then?

The number of widows in college towns is 10 per cent above the number in the average U. S. city.

## AMONG THE NATION'S BEST

Ace javelin tosser and captain-elect of the Nittany Lions, Nick Vukmanic tossed the spear in the National AAU championships at Lincoln, Neb., Saturday in an attempt to defend the fourth of his crowns which he won last year. Nick was forced to relinquish the IC-4 and NCAA titles to Bob Peoples, Southern California star, in recent spring meets.

## 14 Varsity Sports Teams Set Outstanding Mark

Penn State's 14 varsity sports teams compiled one of the finest records in Nittany Lion athletic history during the 1938-39 academic year with a record of 86 victories, three ties and 41 defeats for a percentage of 67.

Only once in the past 20 years have State teams bettered this season's record. In 1923-24, the victory percentage was 71.

With Lion teams meeting stouter opponents and with the number of teams increased from 11 to 14, the present record is considered at least as impressive as during the record year.

Leading the Lion teams was Coach Bill Jeffrey's soccer eleven which was undefeated and untied in eight games. The booties, who have not suffered a defeat in six consecutive years, won the Eastern Association championship.

The only other undefeated varsity team was the cross-country squad. The Lion runners won four dual meets against top-notch rivals.

The records

	W	L	T
Soccer	8	0	0
Cross-Country	4	0	0
Baseball	15	4	0
Fencing	6	1	0
Golf	7	2	0
Track	3	1	0
Wrestling	5	2	1
Tennis	7	3	0
Boxing	4	2	1
Basketball	13	10	0
Swimming	5	4	0
Lacrosse	4	5	0
Football	3	4	1
Gymnastics	2	3	0
Total	86	41	3

Besides the general excursion, picnic trips for girls, girls' hiking clubs, and other trips and picnics are planned by Prof. White. Those interested may contact Prof. White at the College Library from 7:45 to 8:15 a. m. and 12:15 to 12:30 p. m. daily except Saturday, or in Room 203, Agricultural Experiment Station Building. A charge of 75 cents will be made for all excursions.

A handshake to Jerry Weinsten Centre Daily Times spotted, for picking Louis in the fourth over Tony Galento. This corner won the stakes by having the fourth—but we didn't have to guess, we just drew.

## Sport Sparks

From this corner the Summer Collegian will relay to you short snappy snips of State sports, sho snuff.

Sparking from out of a clear summer sky is the good news that Doc A. F. Davis (in cooperation with several other committees) is planning the most extensive Summer Session recreational program in years. The idea of mixing groups in male-female tournaments is inviting to say the least.

Featuring the early Nittany Lion summer spot showings out in the world has been the amazing performances of Barney Ewell, ace negro sprinter of Chuck Werner's thru-clubs. The doings of the Olympic-potential are exploited in other parts of this page.

Hats off to Samuel Thompson "Red" Watts, one of the Lion's foremost factors in Joe Bedenk's sparkling baseball season just passed. The ace righthander is getting a tryout with the Baltimore Orioles in the International League come one of these days.

Lou Barth, former Lion football player, has landed a coaching job at Lower Merion.
