

Four IC4-A Championship Contenders On X-Country Schedule

Managerships

Continued From Page Six

They are selected by the manager, coach, captain, graduate manager of athletics, and the president of the Men's Athletic Association largely through the recommendations of the three outgoing first assistants.

The first assistants usually make a majority of the tips and are placed in charge of most of the arrangements.

They also supervise the work of the "seconds" and "thirds."

At the end of the season, the manager is elected from the three assistants in practically the same manner as the first assistants were chosen.

The two candidates other than the newly-elected manager become freshman manager and associate manager, respectively, according to the number of votes received.

Grand Scores Ace

Jack Brand, of Sewickley, a member of the Lion varsity golf team, scored a hole in one on the 138-yard No. 14 hole at the Edgewood Country Club during the summer.

8 Games To Test Mettle Of Booters

Six down and the seventh coming up—that's six undefeated seasons for Coach Bill Jeffrey's Nittany Lion soccer team who will be swinging into their first practice sessions soon, and the seven is for the campaign which will begin when the booters meet Gettysburg here September 30.

And a tough campaign it is, as the Jeffrey men battle it out with the Bulls, Lehigh, Bucknell, Carnegie Tech, Syracuse, Navy, Army, and Temple. The first five encounters are scheduled for New Beaver Field, while the latter three will be waged on foreign soil.

Heading the team will be Captain Bob Schuler, all-Eastern full-back last year. The Venezuelan, volcano, Gus Biggart, a sensation as a sophomore last season, will be on hand to add his fiery tactics to the 1939 squad. Head charging Walt Hosterman plus several other members of the '38 championship squad will be back to bolster the Lion attack.

have during the coming week.

Several good prospects who are expected to don uniforms this week are Paul Weaver of Harrisburg, high scorer of the Big 15, Robert Rice of Bethlehem, who captained the Staunton Military Academy team of last year, and Stuart Stables of Red Lion, a nephew of Hinkus Haines, great Lion athlete of two decades ago. Weaver, Rice and Stables are all backs.

Lion Harriers To Face 'Suicide' Track Schedule

Facing the toughest schedule that any Nittany Lion cross-country outfit has ever tackled, Coach Chick Werner's harriers will pick up their spikes along with their registration blanks because practice will start as soon as the thin-clads reach the campus.

The cross country schedule resembles the IC4-A meet so closely that Coach Werner began to wonder if his proteges weren't running Manhattan, Michigan State, Syracuse, and Pittsburgh at the same time some torrid October afternoon.

These four teams finished first, second, third and fifth in the national championships last fall. It is very easy to understand why

Time Limit Is Set For Tennis Court Usage

Following a plan used effectively in the past two seasons, all tennis courts on the campus will be placed on a reserved schedule by the School of Physical Education and Athletics.

Players may phone their reservations by dialing "711" and asking for the "Tennis Court" extension phone. Reservations may be made from 8 a. m. until 12 noon and from 1:30 until 5 p. m. daily except Sunday mornings. However, courts will be open from 2 to 5 p. m. on Sundays.

Complete list of regulations follows:

Plan of Courts

1—Recreation Hall Courts will be numbered from 1 to 12, starting with the court nearest Recreation Hall.

2—Varsity Courts will be numbered 13 to 16 starting with the court nearest the fraternity houses.

3—Alpha Zeta court will be numbered 19.

4—(Pond Lab courts, 17 and 18, have been discontinued.)

Costume

1—All players must wear ribbed-sole, heelless shoes.

2—All men should wear either a shirt or similar covering.

Rules

1—First consideration is given to organized classes. Such reservation is made through a letter to the Dean giving dates and number of courts needed.

2—Aside from classes every College student and instructor has equal claim to courts, first come, first served.

3—Reservations may be made on only a day in advance and for only one hour. The College has too few courts to allow one person to monopolize them for several hours at a time.

4—No person is required to give up a court except upon presentation of a written reservation signed by the Dean, of the School of Physical Education and Athletics or by an instructor in the same School.

5—All reservations must end at the stroke of the hour as sounded by Old Main. The next reservation will be effective at once. If the possessors of the court are in the middle of a game, they may finish as long as it doesn't require more than 15 minutes.

6—A reservation must be taken up by 15 minutes past the hour otherwise it is automatically cancelled. Anyone has a right to play on those courts not reserved (Organized classes need not comply with this rule. If an instructor has a reservation from the Dean covering a group of courts, or if a student has a reservation from an instructor in Physical Education the 15 minute rule will not be effective.)
