### Lion Victory Against Pitt Petrella Likes Milk,

Wind-Blown Hair

He recommends milk as a diet, has been "plastered" only once, wouldn't tell about the biggest thill he had in football because tailli ne had in football because it might sound like bragging, dates a town ghl with wind-blown bair, thinks Penn State will have a better football team next year than it does this, and predicts we'll beat Pitt'7-6

To add that he's the snake-hip-ped little sophomore who has made sensational touchdown dashes in all but the Cornell game would give away the fact that his name is Petrella, John G (Pepper) Petrella.

Fans liked to compare him to 135 pound "Windy" Wear, whose climax running sparkplugged the teams of 1935, '36, and '37, but al-leady they're beginning to put him off in a class by himself

Hero of the Penn game, he has rolled up five touchdowns to help the Lions in scoring on sensation-al dashes past 55 (add 'em up) would be tacklers But he gets in-to each game for only a few minites because of his size

There's a lot more about him Here's some of it in a hurry Won't drink, smoke or swear won't drink, snoke or swear broke down at IF Ball last year, took a swig, passed out on the floor, had the whole football team razz him, and now says never again is the only player on the team who doesn't get some
