**We Women**

IT MAY SEEM EARLY to talk of Christmas. It may seem like advertising holly wreaths in July. But it is never too early to think about the spirit of giving, and to day marks the beginning of WSGA's annual Christmas drive.  
So, before you settle down to the serious problem of deciding what kind of perfume to give your roommate or what sort of doggie dish to buy your pet canine, don't forget to set aside a small amount for toys and clothing for needy children.  
Beginning today, each woman student will be contacted by members of the House of Representatives, Junior Service Board, and Freshman Council. The goal of 25 cents from each woman is not too much to ask any of us.  
Any woman who remembers her own childhood holidays—the toys, candy, nuts and trees—will do all she can to help the Mifflin County Children's Aid Society fill up stockings for some poor tots.  
And any woman who understands the work of the American Women's Hospital Association will be interested in aiding its charity WSGA's third project is an integral part of our own campus—helping with Mrs. Hetzel's emergency fund for needy students. It may be some of our own friends or classmates who will some day need this aid.  
There isn't a lot we can do to help the starving Chinese, the heathen Indians, or even the war-scarred Europeans. But there are things we can do right here at home to bring happiness and comfort to those who lack them. And this is one opportunity to do just that.  
So, when you are approached by a WSGA representative, don't let your own busy holiday dreams interfere with your contributing as much as possible to the drive. Do your part to make this year a real old-fashioned Christmas season.

**Coeds! Make Santa Real For The Kids**

**Save Your Quarters; Drive Starts Today**

Coeds! The nickel you would spend for a coke, the price of a movie or pack of cigarettes can make some child believe there really is a Santa Claus—even if he doesn't live at the North Pole and carry a pack on his back.  
One-third of the Christmas fund which members of WSGA Freshman Council, House of Representatives, and Junior Service Board will collect from each of you in the drive which starts today and ends Friday, December 2, will be used by the Mifflin County Children's Aid Society to answer approximately 100 requests such as:  
Dear Santa Claus:  
I want a doll baby that sleeps and cry and drinks a bottle, and a color box and story book and a pair of long stockings.  
Your truly, Betty  
Dear Santa Claus:  
I am written you a few line tell you what I want for Christmas. I would like to have a football and a Sunday shirt. We are going to ut blues on are Christmas tree.  
Your friend, John  
Half of the remaining contributions will go to American Women's Hospitals which works in France, China, and our own country. The remainder will go to the emergency fund set up by Mrs. Ralph D. Hetzel's committee to aid needy students.  
Twenty-five cents from every woman student is the goal set by WSGA. Do your part in making this the most successful drive yet!

**Mrs. Hetzel's Group Plans Student Fund For Emergencies**

A fund to meet student emergencies by loans and gifts for hospital care, books, and small fees is one of the activities planned by a committee headed by Mrs. Ralph D. Hetzel, wife of the president, and organized last spring.  
Student government officers and members of the faculty and administration make up the committee which will also provide clothing for needy men and women students. This work will be organized by Miss Matilda A. Bentley, assistant dean of women and John F. Putney, PSCA secretary.  
Purposes of the organization are to meet the needs of students who work too hard and those who need more work to find emergency situations before they become hopeless, to recognize that there is a campus group to help in any situation, and to promote wider acquaintances between students and faculty.
