The story centers about the hardy band of Rogers' Rangers and their battles with the Indians.

### Former Boxing Captains And Managers To Reunite

Varsity boxing captains and managers who have done their fighting for Doctor Leo Fred Florain Houck both in and out of the ring during the last 18 years will reunite here for the Penn State-Michigan State boxing meet tomorrow night.

When the first reunion was held last year it was confined to managers, and 12 of the 17 who have served under Doctor Houck returned for the gathering.

The New York legislature is considering a bill that would make all of the state's normal colleges four year teachers colleges.

### Ordinance Protects Fraternities From 'Short-Weight' Coal Dealers

#### Borough Council Acts To Improve Water Supply; Considers Adoption Of Daylight Saving Time

Approval of weighing ordinance requirement for out-of-town coal dealers, formulation of plans for improving the borough's water supply, and discussion of the possibility of adopting daylight saving time were matters of student-interest which highlighted the meeting of the State College borough council Monday night.

The weighing bill, which will protect fraternities from "short-weight" coal shipments, requires all coal and coke dealers not having established business yards in the borough to obtain weight bills at designated scales. Local observers predicted that the measure would prove to be a money-saver for all local residents purchasing coal from outside dealers.

Also adopted was an ordinance signifying Council's intention of forming a borough authority for improving and enlarging the water supply, the sanitary sewer system and the sewage disposal plant. Details of the plan were left to future discussion.

No definite decision was reached on the possibility of adopting daylight saving time, and it was decided to table a motion to this effect until definite word was received on Bellefonte's policy. Presented in favor of the daylight saving plan were the results of a survey conducted by Prof. William M. Lepley, of the department of psychology, who found that 68 per cent of those persons contacted favored the fast time.

### Ski Club Plans Next Year's Meet

#### Winter Carnival Is Goal; Contest Slated Sunday

With news of the success of the first all-state ski meet, held here last Saturday and Sunday, still echoing and re-echoing throughout the ski-minded East, ski coach Max Decum and his Ski Club are already formulating plans to make next year's meet bigger and better.

So much interest and enthusiasm was aroused locally by the meet that an intra-club meet will be held Sunday by the Ski Club. Instruction will be given Saturday afternoon to Ski Club beginners as well as outsiders, only stipulation being that non-members must pay a 25 cent fee. The meet Sunday will feature Downhill racing, Slalom, and informal jumping.

A Winter Carnival at Penn State is the goal of the Ski Club for next year's all-state competition. Figure skating, a hockey game on the new College Rink, snow sculptures over the campus, a Queen and King of the Snow, and a ski meet comprising the top-notch skiers in the county as a climax to the weekend.

Only thing lacking is a 100-foot jump and a ski tow. Without the 100-foot jump, standard equipment at all winter sports centers, it will be impossible to attract the ski skiers of the country. The trail, which was acclaimed as one of the best by visiting skiers during the meet, is ideal for the installation of a 100-foot jump.

Complete plans are laid for the installation of the jump, Coach Decum stated, except that the necessary lumber, or funds to purchase the lumber, are not yet in sight. One hundred dollars would be sufficient to erect the jump. Coach Decum has said that the Ski Club, working in conjunction with the Summer foresters camp, can build the jump in plenty of time for next year's meet if they have the material.

### Lion Stickmen Meet Yale At New Haven, March 2, In Box Lacrosse Contest

March 2 has been set as the date for the pre-season box lacrosse game with Yale at New Haven, Coach Nick Thiel announced yesterday.

The game will be played in the Yale gymnasium after a basketball game between Yale and Harvard. Approximately 60 varsity candidates attended a lacrosse meeting last Monday. Additional candidates should report at Rec Hall as soon as possible, Thiel said.

### Paintings Loaned To IFC

Twelve facsimile paintings donated to the College by the Carnegie Corporation in New York City will be loaned to fraternities under arrangements to be made at the next meeting of Interfraternity Council. Already 10 fraternities have bid for use of the paintings. Plans call for circulation of the pictures each semester.
