Thespian Show Stock Goes Up Three Points

'Danger! Men At Work' Adds Four Girls To Cast; Pepped-Up Production Postponed To April 19, 20

That "DANGER! MEN AT WORK" would be Thespians' all-time masterpiece seemed virtually assured today in the face of three important counts.

1. The addition of four girls to what heretofore has been an all-male cast.
2. The tremendous publicity impetus the show received on the nationally-broadcaster Fred Waring Pleasure Time program.
3. The insertion of two swell new tunes by former Thespian Billy Provost, now enjoying brilliant success as a Broadway songwriter.

Originally scheduled to be staged this week-end, "DANGER! MEN AT WORK" has been postponed until Friday and Saturday, April 19 and 20.

The four girls who have been added to the cast are Marce Stringer, Jackie Reese, Barbara Thiele and Doty Reeves—all veteran showmen in their own right.

With this rejuvenated cast plus important revisions by Billy Provost who has worked on the show for the past week, Director "Sock" Kennedy now has a big-time show that just "can't miss."

The two songs Provost has donated to the show are "Up and Coming" and "It's Just As Easy As Rollin' Off A Log" both of which are receiving more than passing attention from Broadway producers.

Other songs destined to achieve musical prominence are Lindsey Arson's "Why Did It All Go Wrong" and Jimmy Leyden's "Dream Of Me" which Fred Waring aired over a national hookup on his Pleasure Time program last Friday.

John D. Rockefeller, who gave the University of Chicago more than 34 millions, twice that institution only twice in his life.

New Type Junior Blazer To Appear This Week In Downtown Stores

A new Junior Blazer, to be definitely chosen early this week, will go on display in downtown store windows about Friday or Saturday, co-chairman Howard Alter and John Jenkins announced yesterday.

The new Blazer will be definitely of a new type and more attractive, the co-chairmen stated. It will probably be of gabardine and will be priced higher than the blazers used in the past due to the higher quality.

Committee members will contact all fraternity houses and dormitories, displaying the new Blazer within the next week. Purchases may be made at that time or through downtown stores.

The co-chairmen also said that cheaper blazers, similar to those sold last year, would be on sale for those desiring them.

ELECTION CODE

(Continued from page 1)

lege Vice President must have a petition containing the signatures of 200 voters, 25 percent of the signatures must be women's. A candidate for the position of President, Vice President, Secretary, or Treasurer of classes must have a petition containing the signatures of 100 voters in his or her class, 25 percent of the signatures must be women's.

School Councils shall hold elections in a manner prescribed by respective Councils.

Accompanying the petitions must be a statement of platform. The Elections Committee shall approve all platforms, but shall reserve the right to censor any provisions which it may deem ridiculous. Petitions for all candidates must contain a statement of their all-College averages.

ARTICLE V Campaign

The campaign will open 7.00 p. m. Tuesday, April 16, with an all-College mass meeting. All candidates are required to be in possession of their approved petitions before their campaign may be started.

For each party that has candidates running for major offices, the All-College Cabinet, through the Elections Committee, will supply posters containing the party platform and pictures of the major candidates. Separate posters will be provided for all-College and class office candidates. In addition each party can spend up to \$10 for each class slate and up to \$5 for each candidate for All-College President and All-College Vice President. The cuts purchased by the All-College Cabinet for the posters will be supplied to all parties at no charge.

On or before 12 noon, Tuesday, April 16, each party must submit to the chairman of the Elections Committee its plan of campaign and an estimate of all expenditures. The Committee reserves the right to forbid any type of advertising or campaigning which it considers unfair.

A final official itemized list of expenditures and receipted bills must be submitted to the chairman at 7:00 p. m. Monday, April 22. The Committee may at that time deal with any violations of those parts of this code which deal with campaigning as it sees fit.

ARTICLE VI Eligibility to Vote

To be eligible to vote, voters must present their A. A. books and matriculation cards which will be checked with the Dean's list procured before elections. A. A. books will be marked by the checkers and the voters' names will be crossed off the list. Those who have lost their A. A. books or matriculation cards may be eligible to vote upon presentation of a note from the Dean's office certifying that they are regularly enrolled undergraduate students. These names will also be checked off the Dean's list.

Two-year Agriculture students in their first year may vote for sophomore class officers and the all-College office. Two-year Agriculture students in their second year may vote for the all-College office only. Other special students will not be eligible to vote. Students with senior rating will be permitted to vote for the all-College office only.

ARTICLE VII Party Affiliations

Party affiliations, if any, of each candidate will be placed upon the ballot. It is not necessary, however, for each candidate to have a party affiliation.

One approved member of each party may be stationed at the rear exit of the first floor lounge of Old Main to check their lists of voters. No conversation with the voter will be permitted. Party chairman may examine these lists every hour for no longer than five minutes.

ARTICLE VIII Violations

Penalties of twenty (20) votes each will be inflicted upon any party found guilty of violating the following:

- 1-Electioneering in Old Main while voting is in progress.
 - 2-Conversation by party checkers with voters before voting.
 - 3-Buying of votes.
 - 4-House to house canvassing prior to the stipulated time for campaigning.
 - 5-Destruction of property, such as campaign placards, etc., and any other private or public property.
 - 6-Unfair campaigning following an initial warning.
- In addition to the penalties provided for, any person violating this code may, upon recommendation of the Elections Committee, be dealt with by Student Tribunal. Anyone found guilty of code violation will be subject to dismissal from College.
