

## '44 Women To Sport Green Bows For Customs Debut Next Wednesday

### All Regular Students Granted No Immunities

Many new students will be green in more ways than one next Wednesday afternoon when the bliss of Freshman Week comes to an abrupt end and freshman women begin sporting brilliant green hair ribbons, four inches wide and three-quarters of a yard long. Customs will be enforced by the Judicial Committee, composed of upperclass women.

#### Customs Regulations

1. Any student entering as a freshman in any of the four-year courses shall be considered a freshman and shall be required to undergo a year's College customs. All special students entering the College with approximately the rating of a freshman shall be required to undergo a semester of College customs. Special immunity shall be granted by the chairman of the Judicial Committee.

2. The regulation hair ribbons for freshman women will be green and their measurements will be four inches in width and three quarters of a yard in length. All freshman women are required to wear these ribbons which will be discarded at a Freshman Bonfire Sing, the date to be set by Judicial Committee.

3. The regulation name cards which freshman women are required to wear are three by five inches. The name of each woman is to be printed on her card in heavy black letters one inch high and must be worn until Thanksgiving.

4. From 5 p. m. on Saturday until 7 a. m. Monday, and on Friday night dates, women need not wear name cards and hair ribbons.

5. At Penn State class precedence is a tradition. Freshman women shall hold doors open for upperclass women and faculty when leaving or entering class rooms, dining rooms, and at all gatherings.

6. Except Holmes Field, all freshmen shall keep off the grass until Move-Up Day.

7. Football games must be attended by all freshman women. Except during House Party, no freshman may have a date for a football game.

8. When an older person or upperclass woman comes into the room all freshman women must rise.

9. All freshman women who break customs shall appear before

the Judicial Committee and be punished in accordance with the severity of their offense.

10. On Move-Up Day a freshman celebration will mark the removal of freshman regulations.

11. The responsibility of enforcing customs will rest with the Freshman Council.

12. Women with deficient scholarship will be restricted socially at the discretion of the Education Committee of Freshman Council.

## 'Look At Fur Coat Label,' Warns Clothing Expert

Look for labels in buying coats at fur sales, Miss Elizabeth M. Lippard, instructor in clothing extension, advised yesterday.

"The correct name of the fur must be the last name of the description," she noted, "and all furs that are shaded and dyed must be so described."

In addition, Miss Lippard suggested that the customer look carefully at the placing of fur trimming on a coat and note whether it is so placed that rubbing and friction will cause it to show wear.

"Correct care of fur will prolong its life," said Miss Lippard. "If the label does not give directions for care, ask the buyer explicit information. He will be able to help you more than the clerk."

"It is also important to know what kind of rayon is used in the lining, as special care must be used in dry-cleaning certain kinds," she observed.
