

Pan-Hel Tea Will Open Fall Season

The fall Panhellenic season will open officially at the annual tea sponsored by Panhellenic Council in Atherton Hall from 2 to 4 p. m. today.

All freshmen and transfers, whether interested in sororities or not, are urged to come for the purpose of meeting upperclasswomen as well as members of their own classes.

Fraternity women will not wear their pins and there will be no segregation into cliques, the council has stressed.

L. Eleanor Benfer '41, general chairman, Marion M. Eberts '42, and Carolyn Moorhead '42 will be in charge of the affair at which Miss A. Pauline Locklin and Mrs. F. L. Bentley, Panhellenic advisors, will pour.

Freshman WSGA Senator To Be Nominated Tuesday

Freshman women will nominate and elect their senator at a compulsory meeting following the all-freshman mass meeting in Schwab Auditorium at 7 p. m. next Tuesday. Marjorie E. Siebert '44 has charge of election publicity.

Any freshman woman may suggest a candidate who meets the qualifications which will be announced at the close of the meeting.

The Freshman Senator will represent her class on WSGA Senate, highest coed ruling body. The runner-up will sit on WSGA Judicial Committee. A second senator and Judicial Committee member will be appointed by Senate later.

We, The Women—

Pajama Parades Versus Slumber

PARADING IN PAJAMAS has gotten to be a habit with a group from the men's dormitories. Although no damage was reported after the last episode, we believe that every coed should do what she can to discourage any recurrences.

We take the stand that discouraging future demonstrations is not putting a wet blanket on the revival of College spirit which has been evidenced this year.

Surely all will agree that school spirit is more than a coed hanging out of her dormitory window throwing unmentionables to a throng of cavorting serenaders or screaming the words of "The Blue and White."

The late night hours are not the time to demonstrate that women students have as much spirit as the Hordes which descend from Jordan or Watts Halls. And we believe that Rec Hall courts or Beaver Field stands are the places to display such enthusiasm.

We profess that the "damage done" though not in property, was in disillusioning many women about the proper conduct not only of college men but also of college women.

Parades versus slumber being the problem we say, "Please go way and let us sleep."

GUARANTEED for LIFE

by Parker's Blue Diamond

What's the use of being a quick-thinker if your pen won't work when your brain does?

A college professor found that this gets many a student down. So he invented a brand-new way of filling pens—a way that makes more room for ink INSIDE by dispensing with the customary rubber ink sac.

Parker spent 5 years to engineer this revolutionary principle to perfection—this sacless "One-Hand" Filler—the Parker Vacumatic—the largest selling pen in the world today.

A pen that holds nearly twice as much ink as our old style, and shows days ahead if it's running low, so it won't run dry. Whose lubricated 14 K Gold Point—non-brittle, extra resilient—is tipped with Osmiridium so smooth and hard and dense that it won't wear scratchy as long as you live!

And its crowning glory is that streamlined Pearl and Jet style—laminated, Ring upon Ring, as shimmering as velvet—wholly smart, original and exclusive—winner of the Pen Beauty contest.

Go and see it and try it—don't make the mistake of writing "the hard way" throughout your college course and life's career.
