

Ripple Clouts Homer As Reds Even Series Score

Special to the Daily Collegian

CINCINNATI, Oct. 3.—The Cincinnati Reds evened the World Series score today by trouncing the Detroit Tigers, 5-3. Bucky Walters held the Tigers to three hits as all Detroit runs scored on walks, he issued.

Jimmy Ripple smashed a home run and Walters, Werber, Higgins, and Greenberg tallied two-baggers.

Gymnasts Show Great Promise

The Penn State gym team "will definitely be in the running and promises to make things interesting for their opponents this year," Coach Eugene Wettstone stated yesterday.

The team, for the first time in its history, is entered in the Eastern Inter-Collegiate League which consists of Army, Navy, Temple, Princeton, M.I.T., and Dartmouth.

Ben Stahl will captain a team made up mainly of last year's undefeated freshman, Roman Pieo, who was declared ineligible last year by the one-year ruling, and William Lober, John Wolfe and other all-around stars.

Other men that look good in pre-season practice are Sol Small, John Teti, Louis Bordo, Warren Beck, Charles Senft, Ed Trybala, and Jack Krauss. Pieo, however, will be the key man of the team and Coach Wettstone says he has a good chance of breaking the world's record for the rope climb.

Freshmen candidates for pre-season practice who are showing up well are Harold Zimmerman, Edward Anderson, James Bush, Fred Young, Ray Lee, Charles Lebow, and James Reifsnnyder.

Freshman and varsity candidates may report for the first official practice Monday Oct. 7, with the necessary health permit.

Bucknell Co-Captain Smallest Gridder On Squad

Co-Captain John Plewak of Bucknell known familiarly to his college mates as the "Mighty Mite," "More Punch Per-Pound," "Watch-Charms Guard," and "Shorty," is the smallest gridder on the Bison team.

Bucknell University's 80-piece band will make its first appearance of the college term when it comes to State College Saturday.

Calmness Pays Dividends For 'Mild Bill' Jeffrey

Perhaps the most outstanding trait of Bill Jeffrey's handling of his soccer team is the quiet manner in which he points out their mistakes.

While most coaches either yell out their orders or else command the players as to what they should be doing, Jeffrey simply suggests in the softest manner a better way.

This method seems to produce results, since "Mild Bill's" teams have been outstanding for the past decade.

Howard Lonegran, six-foot four-inch Bison tackle, is hailed as "Slim," "Blacky," and "Bateese," after the comic-page character. The dark-haired junior is a foot taller than Co-Captain Plewak and tips the scale just short of the 200-pound mark.

When It's Candy Time At The Football Game

Peanuts, popcorn, chewing gum, candy!

You'll be hearing the cry at every football game. Besides what stadium bleachers do to spectator's spines, game time snacks add to figure worries.

The average bag of peanuts contains 250 calories. One and a half cups of popcorn without butter has 150, and a chocolate nut bar 220. In other words, resist snacks.

Gas Victim Recovers

Thomas P. Carney, graduate student, has recovered from the effects of the phosgene gas that he inhaled last Tuesday. He had been discharged from the infirmary, after emergency treatment, the day of the accident.

Philadelphia Flash Raises Freshman Track Hopes

Freshman track hopes are high this year with the addition of William (Bill) Eppright, one of the most outstanding trackmen to be developed in Philadelphia in the past few years, to the team.

During his prepping at Overbrook high where he ran anything from 220 yards up, Eppright set many records which he still holds: half mile, 1:58.8; mile, 4:28.2; X-country, 1235.8. He was also National Interscholastic 1000 yard champion in 1939.

Because Eppright ran on the Penn Frosh X-country team last fall, he will be ineligible for Freshman X-country here, but he will be in the thick of the fight during the winter and spring.

Men, Buy Large Socks To Avoid Bare Toes

For those of you who miss mama's darning and run around with toes popping out, Miss Elizabeth M. Lippard, instructor in clothing extension, advises, "Buy socks three quarters of an inch longer than the foot, or if they are woolen, a full inch longer to allow for shrinkage."

"In buying men's socks, look especially for reinforcements of the toe and heel," Miss Lippard recommends. "New socks should be washed before wearing to prevent foot irritation from certain dyes and finishing treatment," she added.

Old Shoes Wanted

In conjunction with the drive to aid war refugees, the College Boot Shop, 135 South Allen street, has placed a barrel in front of the store to receive donations of shoes. Contributions may be placed in the barrel at any time. All shoes will immediately be sent to the local committee.
