Congressmen May Talk On Armistice

Hon. Clifton A. Woodrum from the Sixth Congressional District of Virginia has been asked to address the joint borough-student body Armistice Day observance, it was disclosed after a meeting of the Community Armistice Day Committee last night.

If Representative Woodrum can not accept the invitation, Hon. James E. Van Zandt from the 23rd District of Pennsylvania will be asked to speak, Ray V. Watkins, chairman of the program committee, said. It is possible that both men will be here.

After the meeting, an unsuccessful attempt was made to reach Representative Van Zandt by telephone to find out if he will hold the date open until a definite answer is received from Representative Woodrum.

The Community Armistice Day Committee is composed of representatives from the PSCA, Inter-Church Fellowship, Student Religious Workers Council, Veterans of Foreign Wars, American Legion, Elks, Kiwanis, Commerce Club, Borough Council and the Alpha Fire Company.

If present plans go through all students will be granted a free 11 o'clock on November 11 and the observance will be held in Schwab Auditorium. Both of these plans hinge on approval by the Council on Administration.

The entire program is still "highly tentative," Mr. Watkins said. The Blue Band and the Pershing Rifles will be asked to participate. If the Blue Band does not accept, the Lemont Band will probably play.

Present plans call for one of these organizations to play taps on the campus immediately preceding the meeting. The Pershing Rifles will probably be asked to fire a salute. A worship service may also be on the program.

Members of the program committee, in addition to Mr. Watkins, are E. R. Bordner, A. John Currier Jr. '42, Robert Y. Edwards, and Wilbur F. Leitzell.

GSA Equipment Is 43 Pct. Ordered

The most recent report on GSA equipment received by the College shows that to date orders have been received for only 43.26 per cent of the estimated value of the whole program of movable equipment according to an announcement released by Harold R. Loman, College purchasing agent.

A total of \$260,910.46 worth of orders has been received by Mr. Loman's office but at the present time items actually delivered, installed, inspected, and accepted amount to only \$152,710.96 or 25 per cent of the total estimated program.

Approximately \$5,000 worth of material has arrived on campus and has not yet been inspected.

The balance of Group 40, which includes laboratory and pharmacy equipment and totals \$169,338, is in the process of being awarded but the purchasing agent has not yet received any purchase orders.

Next group to be awarded is Group 31 which includes for the most part wall chairs and a few miscellaneous furniture items. No information is available as to when the bids are due.

'Weekend' Season Commences Today

"Big Weekend" season hits the campus with a bang today and tomorrow with Alumni Homecoming, the all-college pep rally and broadcast from Rec Hall, the Collegian Dance, selection of a Collegian Queen, five sports events, the dedication of the Land Grant Mural, and other special events filling the two-day schedule.

This year is the 20th anniversary of Alumni Fall Homecoming Weekend, started in 1920, and between 1500 and 2000 old grads are expected to register today in the first floor lounge of Old Main.

Returning Alumni will find a full program planned for their entertainment today and tomorrow. (See page 4 for Weekend Calendar.)

Undergraduates will share with the alumni in the season's first large social affair, the Collegian Dance. Following the Pep Rally, the dance will feature the music of the Campus Owls. Highlight of the event will be the announcement of the Collegian 1940 Queen.

Tonight's Pep Rally, to be broadcast from Rec Hall by station KDKA, in which students and alumni will participate, will begin with the dedication by Fred Waring over his NBC Red Network program of his new Penn State song.

The Alumni Council and the All-College cabinet will meet in a get-together tonight following the Pep Rally.

Tomorrow's schedule includes a rigorous set of athletic events with varsity football with West Virginia topping the list, and including soccer with Western Maryland, cross-country with Michigan State, junior varsity football with Cornell, and freshman football with Bucknell.

Tomorrow night's cider party, to which alumni, faculty, and seniors are invited will provide the finishing touch to the 20th Alumni Homecoming Weekend.

Need Matric Card In Draft Registry

Matriculation cards, in addition to filled-out sample registration forms, will be necessary for draft registration in the Armory next Wednesday, Edward K. Hibshman, chairman of the College draft committee, said yesterday.

Mr. Hibshman also warned students that once they register they must notify their home draft boards of any change of address. It is believed that this does not apply to changes of College address.

As a convenience to students, draft registration certificates will be cut to fit matriculation card cases, Mr. Hibshman said.

Mr. Hibshman and other members of the committee present at yesterday's meeting were sworn in as official registrars to act in a supervisory capacity at registration.
