## White, Mori To Remain Behind When Lions Leave For Syracuse

Leaving behind them two injured mainstays of the undefeated and untied football team, twenty-nine Lion gridgers will depart for Syracuse this morning in quest of their sixth straight victory of the season. Craig White and Wade Mori, regular right halfback and guard respectively, will be left behind with injuries suffered in the South Carolina battle.

Coach Bob Higgins plans two changes in the starting array to replace the injured seniors. Len Krouse, the Lions' most consistent ground-gainer all year, will take care of the wingback spot at the opening kickoff while Jim Woodward, a senior, is slated to draw the starting assignment at guard for the first time in his varsity career.

With Ken Schoonover, sophomore end, already lost to the squad with an attack of bronchial pneumonia, the Blue and White will be minus the services of three valuable players. Higgins now has only three ends, Vargo, Parsons and Van Lenten who have been tested under fire while Mori's loss may weaken the center of the line. Krouse is considered on par with White.

The Penn State party, headed by Higgins and Earle Edwards, end coach, includes the following players: ends—Parsons, Vargo, Van Lenten, Egli, and Shrom; tackles—Stravinski, Platt, Kniaz, Frketch, and Pollock; guards—Garbinski, Woodward, Kerns, and Yoho; centers—Gajecki, Wear, and Raysor; quarterbacks—Patrick and Weaver; left halfbacks—Peters, Petrella, Rice, and Bailey; right halfbacks—Krouse, Day, and Gramly; fullbacks—Smaltz, Ventresco, and Brown.

### Orange Prime for Lions

SYRACUSE, Nov. 7 — Coach Ossie Solem has been concentrating this week on curing "fumblyitis," improving the pass defense, and eliminating lapses on offense and defense that proved costly against Georgetown. Syracuse fumbled five times against the Hoyas, lost the ball each time with disastrous results.

Charles (Red) McPhail, regular left end, who did not play against Georgetown is expected to be ready for State, but Dick Banger, veteran halfback, is in doubtful playing condition, and may join the inactive list.

### Nittany Harriers Primed For Pitt Race Tomorrow

Coming down the home stretch in the last of their season's dual meets, the Nittany Lion harriers will invade the Pittsburgh Panther lair, tomorrow still seeking their first dual triumph.

Pitted against the three best cross-country teams in the country, the Lions narrowly suffered defeat by Michigan State, Syracuse, and Manhattan chiefly because their two leading runners, Al Bourgerie and Herm Goffberg, were too badly injured to run.

Captain Bill Smith will lead a squad of Chet Snyder, Pop Thiel, Vern Kotz, Kintigh, Bill Jameson, and Archy Hyson against a more mediocre Panther seven.

"Zeke" Sterner, Panther hill-billy, and Mac McCabe will be Pitt's outstanding harriers. Sterner is the harrier who beat Smith consistently in high school meets.

### Boomers Face Strong West Pointers Tomorrow

Again forced to play against the rugged type of soccer that characterized the Syracuse and Navy games, Bill Jeffrey's soccer men will face the Army cadets on New Beaver Field at 1 p. m. tomorrow.

The West Pointers, always a strong team, use the powerhouse tactics that are the exact opposite of the Jeffrey way of playing. The Cadets have already topped Syracuse and M. I. T. this year but lost to Princeton, 2-0, whose soccer eleven shares the Eastern title with Penn State.

Arthur B. (Bud) Boeringer, All-American center at Notre Dame 14 years ago, still keeps in as good condition as any of the University of Detroit linemen he coaches.
