# 500 Bid Good-By **To Colonel Emery**

"I will always feel that I belong to Penn State, no matter where I said Colonel Ambrose R. Emery last night, as he expressed his reluctance to leave State College and Penn State, before a cheering send-off crowd of 500 at the State College High School.

Unaware of the student gathering outside, Colonel Emery was inside the school inspecting the State College Drum and Bugle Corps. As he came out of the school, the ROTC band started a march and Colonel Emery saw, waiting for him in the cold air the entire Pershing Rifles group, members of Scabbard and Blade, the ROTC band, members of the ROTC department and many others out to say good-by to their friend.

To show their appreciation for all he has done at Penn State, Robert N. Baker '41, in behalf of the entire student body, presented a watch to Colonel Emery, who in answer, expressed his appreciation and thanks to all those connected with ROTC and all others at Penn

After Cadet Colonel Thomas G. Tousey gave Emery an official farewell, a cheer, 500 voices strong, was raised, followed by a stirring band selection. Colonel Emery was then surrounded by students and officers to bid him "good-by."

The Drum and Bugle Corps thanked Colonel Emery for his help and presented him with a picture of the Corps, and also the Corps nighest-award.

Emery is leaving State College Sunday, for Macon, Ga. where he is to command and build the first of four new replacement centers for the training of new soldiers.

After Emery leaves Col. Edward D. Ardery will be in charge of the ROTC department here at the Col-

"Unless we protect federal solvency and the ability to pay our debts we shall be deprived of our democracy."

The national defense program was also discussed by Mr. Zimmerman who said, "Private enterprise will pass out of existence if the government persists in its 'everything for defense' program."

Mr. Zimmerman advised college students in government work to advocate high wages. This will get the mpublic approval. From this policy, he claimed, the New Deal received much of its popularity. He said that he did not like to discuss politics, but it was impossible, since politics, commerce and finance, and business go hand in hand.

### Students Asked To Avoid **Damage To Decorations**

The State College Commerce Club, which is sponsoring a Christmas street decorations project, has requested the cooperation of all students in preserving the Christmas trees and bulbs which will decorate the street.

In former years some of the trees were damaged and quite a few bulbs broken by students evidently filled with too much holiday spirit.

It is hoped that this year there will be no damage done to the decorations which represent the combined efforts of town merchants, the Ladies Auxiliary of the American Legion, the Alpha Fire Company, and the West Penn Power Company.

#### Foresters In U.S. Service

A recent alumni survey by the department of forestry revealed that at least half of the forestry graduates are employed in Government services. #### Petitions, Pictures Due Tomorrow Noon The small guns of Penn State's

political front began blazing Tuesday night when John B. Cramp, Independent, and Paul O. Frey, Campus, were nominated by their respective parties as freshman presidential candidates to be elected on Monday, December 16.

Flashing into concerted formation behind their political standard bearers, both parties approved their slates with hardly any disagreements, and proceeded to outline plans for their campaign stumping.

Other officers named on the freshman slate were: vice president, Paul M. Heberling (Independent) and Robert L. Walters, Jr. (Campus); secretary, David G. Keeney (Campus) and Phyllis R. Watkins (Independent); treasurer, Betty R. Broderick (Campus) and Larry T. Chervanek (Independent); historian, Helen E. Dodd (Independent) and E. Clint Stubbe (Campus).

With the petitions deadline set for tomorrow noon, the candidates will be concentrating on procuring the necessary 100 freshman signatures, which must include 25 per cent women.

At the same time, party platforms and pictures of candidates must accompany the petitions, which can be handed in at Student Union or to H. Leonard Krouse '42, chairman of the Freshman Elections Committee.

Coincident with the signing of petitions, Krouse warned all freshman politicians that they cannot influence signers by stating that signatures on petitions also entails a pledge to support that particular party.

Any party found circulating such information will be heavily punished by the Elections Committee, Krouse said.
