

## \$1.20 Fee Boost Voted For Blue Band

### Delta Upsilon Loses Month's Social Privileges For Mixed Drinking Party

Ban Includes IF Ball Weekend; Even Heavier Penalties In Future

See Editorial, Page 2

A one month's suspension of all social privileges was meted out to members of Delta Upsilon fraternity when they pleaded guilty before the Interfraternity Judiciary Committee to charges of a mixed drinking party Saturday night.

This penalty is substantially heavier than the 10-day suspension of privileges suffered by Phi Kappa Sigma, the only other fraternity to be reported under IFC's new dating code adopted last fall.

On giving out the penalty the committee stressed the point that no women, aside from parents, may be entertained at the Delta Upsilon fraternity house until April 18, either before, after, or during Easter vacation. This includes IF Ball weekend.

"It is known that there were several similar parties Saturday night," the committee revealed, "but we can take action only on those cases turned in to us. The committee also recognizes that many innocent members of the fraternity will suffer, but it is the job of these members to keep the house in line."

"It is true that the penalties are becoming heavier, and they will continue to do so until violations of the IF dating code are curbed," the committee added.

The reporting of any other infractions of the code is again urged by H. Edward Wagner '41, IFC president, to whom the violations should be presented in writing, with the promise of Wagner's strict confidence.

### Warmer Weather Expected Today

Relief from biting winds and sub-zero weather which hit State College late Sunday night after a cross-country drive will subside today, reports from the College weather station said yesterday.

Thermometers in State College sank to five above early yesterday and were reported slowly rising by degree. Reports from the State College vicinity showed lower temperatures.

Gales in Centre County have averaged from 30 to 50 miles-per-hour during the cold wave. County temperatures are expected to be held down to about 14 above by experts.

Seventy-eight have been killed and many are missing in the country-wide storm.

Spring-like winds have invaded the middlewest and are expected to be heading eastward. The storm hit New York City and the rest of the east coast Monday and was still tormenting residents yesterday.

### Riding Club Fee Due

Students interested in joining the Riding Club must pay the \$15 fee today at Student Union, so that horses may be purchased.

### \$54,200 Gift May Swell Aid Fund

Approximately \$54,200 may be transformed into student loan funds or scholarships in the near future, S. K. Hostetter, College treasurer, revealed yesterday.

Definite action taken by the Class of 1941 in voting its memorial to the student loan fund guarantees an estimated \$5,200. The class of 1920, which has not yet filed a formal proposal although preparations began last June, has available a principal of \$20,000.

"The College understands that the class of 1922 will present a plan changing its memorial from that of a swimming pool to one of loan funds and scholarships," Mr. Hostetter said. "However, they haven't agreed yet as to the disposition of their treasury of approximately \$29,000."

A class or individual donor wishing to establish a loan fund addresses a proposal to the president outlining the amount. The purpose of the fund and the condition under which it is to be operated are also stated as well as any other information the donor thinks desirable or necessary.

After the President receives the proposal he presents it to the Board of Trustees for consideration and action provided the stipulations are satisfactory. When the proposal is accepted by the board the donor is informed and the fund transferred to the College.

In the case of a class gift the class officers sign the proposed memorial. Usually a committee within the class prepares the statement of the purpose and conditions of the fund. "It would be very helpful if we could advise the committee on the operation of the gift," remarked Mr. Hostetter.

Action taken by the classes of

### IFC Meets Tonight At 7

A discussion of the rushing code proposed for next year will comprise the principal business of Interfraternity Council's meeting at the Tau Kappa Epsilon fraternity at 7 o'clock tonight. According to IFC President H. Edward Wagner '41, the council will also take up the matter of another fraternity rushing booklet for next fall.

### Bill To Bolster Student Tribunal Included In Five Amendments

Five amendments to the All-College constitution were proposed to Cabinet last night by William B. Bartholomew '41 and will be voted on April 1. Previously, the only amendment to the constitution had been one revising the Interclass Finance Board.

Bartholomew's amendments must pass Cabinet by a two-thirds vote to be adopted. They provide for:

1. Changing the All-College inauguration from a month after elections to the first Tuesday in May.
2. Removing Cabinet's power to overrule Student Tribunal's decisions.
3. Petitions for a general election on an amendment to be signed by 300 instead of 100 students.
5. Establishing the chairman and president of each school

### Cabinet Recommends Increase To Trustees; Chapel Offerings Divided

#### Here's What Cabinet Did

In its most important meeting of the year held last night, All-College Cabinet took these actions:

1. Recommended to the Board of Trustees that a \$.60 fee be assessed of each student each semester next year to pay for new Blue Band uniforms, estimated at \$6,800. (See Col. 5.)

2. Voted to divert two chapel funds each month from Lingnan University in China to a local charity. (See Col. 5.)

3. Received five constitutional amendments which will be voted on April 1. The most important removes Cabinet's power to overrule decisions of Student Tribunal. Others merely clarify present difficulties. (See Cols. 3 and 4.)

4. Appointed Robert N. Baker '41 to supervise All-College inauguration. (See Cols. 3 and 4.)

5. Endorsed a PSCA report urging establishment of a permanent student-faculty relations committee. (See Cols. 3 and 4.)

6. Urged a better system be set up for selection of cheerleaders. (See Cols. 3 and 4.)

### Bursting Balloons Will Shower 100 Prizes On Couples At IMA Dance

Bursting balloons filled with theater tickets, meal tickets, merchandise slips for stockings, neckties, and 100 other prizes will descend upon dancing couples at the IMA Balloon Dance in Rec Hall from 9 p.m. to midnight Saturday, the dance committee has announced.

The Independent Men's Association's major social event of the year, formerly called the IMA Ball, the dance will present the music of Jimmy Leyden and his Penn State Collegians.

The dance will be open and dress will be informal. Admission will be 75 cents a couple.

### Two Collections Each Month Will Go To Local Charity

In an unprecedented move All-College Cabinet decided last night to recommend that \$1.20 be added to each student's fees next year to buy new Blue Band uniforms. Only one member, W. Rae Herrmann '41, voted against the measure.

Students will be assessed .60 cents each semester. However, the fee increase must be approved by the Board of Trustees before it goes into effect.

A motion by Theodore Rice '41 to recommend taking \$150 from each class fund to build up a reserve from which to buy Blue Band uniforms in the future was defeated by a vote of 8 to 7.

Approximately \$6,800 will be raised by the increase in next year's fees. It is planned to buy 85 uniforms at \$80 apiece.

Cabinet also voted that chapel collections from two Sundays each month shall go to some local charity instead of the support of G. Weidman (Daddy) Groff at Lingnan University, China. The vote was 9-7.

The action was taken on the motion of Adam A. Smyser '41 to accept a minority committee report made by H. Edward Wagner '41. Cabinet previously defeated, 9-6, a majority report submitted by A. John Currier, Jr. '42, committee chairman, to continue sending all chapel collections to Lingnan.

Chapel collections amount to approximately \$2,500 each year.

No decision was made as to what local charity would receive the collections taken two Sundays per month. The only suggestion was that Mrs. Hetzel's Emergency Fund should receive the money.

A committee was appointed to work out the details of the fund. Members are H. Edward Wagner '41, chairman, Paul M. Doty, Jr. '41, Richard M. Geissinger '41, Harriet Singer '41 and Adam A. Smyser '41.

### '41 Loan Fund Committee Named By Bartholomew

The Class of 1941 Loan Fund Committee, headed by Bursar Russell E. Clark, was appointed last night by William B. Bartholomew '41, senior class president.

Other members of the committee are H. P. Hammond, dean of the School of Engineering; S. K. Hostetter, assistant to the President in charge of business and finance; Dr. Victor A. Beede, head of the forestry department; and Arnold C. Laich '41, All-College President.

It will be the committee's job to set up the conditions and rules under which students will be eligible to receive loans from the senior class fund. As a matter of formal procedure, the Board of Trustees will vote on the matter in the spring, following which the College will administer the loans under the set rules.

### Gamble To Manage Fencing Team In 1942

H. Walter Gamble, Jr. '42 was elected manager of the fencing team for 1942 yesterday to succeed Jack R. Cunningham '41.

Palmer L. Davis, Jr. '43, Karl J. Israel '43, and Jack H. Dodd '43 were named first assistants for next year, while Charles P. Smith, Jr. '42 will serve as associate manager. David H. Goldsmith '43 was elected freshman manager and E. Richard Booser '43 first alternate.

### Waring Cup Will Popularize Song

Fred Waring, disappointed with the popularity of his song, "The Hills of Old Penn State," has decided to promote it by offering a trophy to the fraternity group of 16 that sings it the best. This contest will be run in conjunction with the inter-fraternity sing competition preliminaries to be held at Schwab Auditorium after the concert, Sunday, March 30.

At IF Ball intermission, when the IF sing finals will be held, the group selected as best the previous Sunday, will sing "The Hills of Old Penn State" and receive Waring's trophy. The IF sing winners will also be awarded their trophy at this time.

Waring's song must be sung in unison and will be judged on the following points: pitch, diction, tone quality, enunciation, and unity. All entries for both contests should be turned in at Student Union or to William S. Kirkpatrick '41, before Wednesday, March 26.

### Naturalist To Illustrate Talk With Sound Movies

Sound movies and bird-sound recordings will be used in a nature lecture by Dr. Arthur A. Allen, Cornell professor of ornithology, when he speaks here in Schwab Auditorium at 8 p. m. Friday.

Dr. Allen was the first man to raise ruffed grouse in captivity and was elected president of the Wild Life Society in 1938. Bird sounds are recorded and used to supplement his wild life films.

The School of Agriculture, State College Conservative Association, and the Outing Club are coordinating their efforts in bringing Dr. Allen to the campus.

### PSCA Holds Lent Service

"The Cross and Forgiveness," first in a series of Lenten Morning Worship Services, was held in the Hugh Beaver Room at 7 a.m. today.

### Sirott Wins Contest

Samuel Sirott '42 guessed the exact flow through a small glass tube—345 gallons in 24 hours—to win the two dollar prize offered by the hydraulics exhibit at the Engineering Open House.
