

Independent IM Cagers Meet In Finals Tonight

Glen Alexander Named Lion Wrestling Captain; Garnered 4-2 Record

Glen Alexander, 155-pound grappler, was elected by his teammates last night to captain the 1941-42 Nittany Lion wrestling squad.

Forced to move up a weight this year because he couldn't quite cope with Senior Joe Scalzo, Alexander did yeoman duty to pull some dual meets out of the fire to rack up wins for Coach Charlie Speidel.

Alexander boasts a record of four victories and only two defeats, losing to Captain Welles of Army and a close bout to Dick Feldmeir of Princeton.

Colonial Hotel Quintet Faces Rocky Ramblers

Finals in the independent bracket of intramural basketball will be staged in Rec Hall at 8:30 tonight when the Rocky Ramblers meet the Colonial Hotel. Fraternity semi-finals to be run off at the same time are Beta Theta Pi vs. Sigma Nu, and SAE vs. Delta Upsilon. Results of last night's games are as follows:

Fraternity

In a thrilling last minute field goal, SAE came from behind to down a hard fighting Sigma Pi quintet, 12-11. Craig White paced the winners with 6 points, and Banks McFadden chalked up 4 tallies for the losers.

Another upset was registered in the adjoining court when Delta Upsilon, trailing 8-17 at the half, defeated Delta Tau Delta, 31-24. High scorer of the game was Jack Brand, DTD, with 12 points. Moylan Hull was high man for the winners with 11.

Sigma Nu, leading 10-8 at the half, went on to nose out Delta Sigma Phi, 22-19. Rod Sachs and Don Taylor each garnered 8 markers for the winners. The losers were led by Roy Barclay's 7 tallies and Dave Marvin's 5 points.

In one of the cleanest fought games this season, Beta Theta Pi won over Phi Sigma Kappa, 21-15. The winners were paced by Don Leyden with 6 points, and John King starred for the losers with 7.

Independent

Led by Jim Sampsell with 9 tallies and Ken Cook's 4, Colonial Hotel overthrew a hard fighting Watts Hall Blues five, 19-12. Don Cassidy rang up half the score for the losers.

The Rocky Ramblers fought their way into the finals with a trouncing victory over BRB No. 2 (Billetts) by a 25-12 score. Jack Furman BRB was top man of the game with 8 points followed by opponent Morry Steinberg's 7. After the fracas the Billets entertained their vanquishers at an ice cream party.

Baseballers Practice For Opener With Penn

With only a little more than a week of practice remaining before their first game at Penn on April 11, the varsity baseballers ran through a practice game yesterday with pitchers taking the mound for three innings apiece.

Coach Joe Bedenk temporarily switched veteran Eddie Sapp from his second base post to the initial sack in an attempt to solve the first baseman problem.

'44 Golfers To Report

A call for all freshmen golf candidates to report to the Caddy Hous at 4 p.m. today was issued by Coach Bob Rutherford. Only two official games are scheduled for the Frosh putters this season. They will take on the Cornell freshmen here on May 10, and encounter Army at West Point on May 17.

CINEMANIA

"Topper Returns" today to the Cathaum Theatre for a three day stay in a surprise booking engagement.

Labeled a "hybrid" by its producers, this movie is guaranteed to make the audience shudder between laughs. It's a good old-fashioned house-of-mystery melodrama.

"Topper" again is played by Roland Young, and his wife, by Billy Burke. Joan Blondell, who is killed both at the beginning and end of the picture, is the girl whose wraith returns to heckle "Topper."

Lightbody Will Captain 1942 Ice-Hockey Squad

Larry Lightbody, brilliant Penn State ice-hockey goalie, was elected captain of the 1941-42 squad at the annual hockey team banquet held in the State College Hotel last night.

He succeeds George Wolbert, active 1940-41 captain and star defense man of the Lion six.

Dean Carl P. Schott of the Physical Education school was the principal speaker at the banquet. He commended the rise of the hockey team from an insignificant standing to a position where they are accounted as a regular varsity sport.
