

## Sapp, Richardson Lead Lions To 5-2 Win Over Devils

Jim Richardson's six hit pitching and Captain Eddie Sapp's hitting shoved the Lion baseballers back into the win column yesterday afternoon when they downed the Dickinson Red Devils by 5-2.

Richardson struck out five men and allowed only one base on balls. In only two innings, the fifth and sixth, did more than one Devil get on base. In the last two innings, the first five men up to the plate were retired on exactly five pitched balls, flying out to the outfield three times and grounding out twice.

Second baseman Sapp accounted for three runs, the Lions' margin of victory. In the fifth inning he smashed out a triple, scoring catcher Jack Stauffer who had singled. With the bases loaded in the eighth, Sapp rapped a hard single down the third base line, bringing Bill Debler and Peany Gates home.

## Between The Lions

With PAT NAGELBERG

### The Ewell Case

If you're one of those sceptics who called Babe Ruth a bum when he struck out, or believes that Joe Louis is no longer the great fighter he was several years ago, then you have undoubtedly relegated Barney Ewell to the has-been class.

If on the other hand, you are a sport follower in the true sense of the word, certain definite questions will come popping up in your mind which will clear away any doubts you may have of the athletic greatness of the fastest sprinter in Penn State history.

The fact that Barney was defeated during the Penn Relays in a rather slow 9.8 century is startling and yet the Lion speed merchant ran one of his fastest hundred yard dashes. A notorious slow starter, Ewell was left at the start in Franklin Field and was three yards behind the rest of the field before he shot out of the holes. Considering this decided handicap, it was remarkable that he finished as well as he did, in runner-up position.

The Lancaster product didn't set any new world's records in the short 50 yard indoor dashes, but his slow starting could account for that. With the outdoor season now progressing beyond its preliminary training period, Ewell should attain his top speed in the near future.

### Big Test Tomorrow

His test on the New Beaver Field cinder path tomorrow afternoon against Pitt's Bill Carter will be a tip-off on what is to come. Carter is ranked among the best sprinters in the country and will push the Lion star to the limit in the broad jump, as well as the century. Barney shouldn't have any trouble in the 220-yard dash, by far his best event.

Incidentally, the 1941 debut of Chick Werner's track and field athletes tomorrow should be one of the highlights of the spring sport season.

## Lion Track Team Faces Pitt In Debut Tomorrow

### Meet Considered Best In East This Weekend

By DON DAVIS

It was the spring of 1907 when Penn State's Nittany Lions first pitted their track and field prowess against the Pittsburgh thin-clads. Since then the Lions have been on top 14 times to the Panther's 12.

In Penn State's initial 1941 dual meet on New Beaver Field at 2 p. m. tomorrow the intense rivalry of this long series will be continued in what Chick Werner has termed, "the best track meet in the East this weekend."

On the basis of past records the Pitt tracksters will carry a slight edge over the Lions. However, pre-match statistics mean little when these traditional rivals meet on the cinders.

The highlight of the meet will be in the sprint events to be run by what Werner believes to be the fastest field to ever dig up Penn State's track. The Nittany-men's hope in the sprint events, Barney Ewell, will be pushed to the limit by two great Pitt dash men, Bullet Bill Carter and Hap Stickel. Carter and Ewell have also both broad jumped over 24 feet and will compete in that event.

But this is far from the limit of the show that Coaches Chick Werner and Carl Olson have planned for their 27th meeting. In the javelin throw Pitt will enter the Penn Relay and IC4A champion, Jim Elliott. State will enter an unknown, Quent Dietrick. "Don't be misled," warned Werner, "both boys should approach 200 feet and it should be very close."

And the list of interest-packed struggles continues. High jumping for the Panthers will be Jim McDowell who placed second in the IC4A's with a leap of 6 feet 5 1/2 inches. "Glenn has improved steadily," stated Werner, "and he and I have set a 6 foot, 7 inch goal for him this year."

With equally close contests scheduled for the pole vault, mile and two-mile runs, and the hurdle events, tomorrow's meet

## Frosh Stickmen Meet Penn Here Tomorrow

After six weeks of intensive drilling in stick-handling technique, the freshman lacrosse team will get their first crack at inter-collegiate competition when they tangle with Penn's Little Quakers on the practice field tomorrow at 2 o'clock.

Coach Murph Temkovits intends to use his entire squad of little Lions in the fracas so as to give the boys some much needed experience. Boasting of only two veterans—Al Sayre and Bill Piper—who played high school lacrosse, the remainder of the Cub stick squad has never played the sport before coming to State.

Last year's yearling stickmen chalked up a fairly good season by defeating Lafayette and losing to the little Reds of Cornell. Two more games carded for the 1941 frosh lacrosse men are with Cornell away on May 17 and Kenyon College here on May 24.
