Borough Council Orders Removal Of Dual Meters

All dual parking meters, placed for a 90-day trial period, will be removed, contracts for the purchase of the meters will be cancelled, and a borough ordinance amendment will establish a fine for overtime parking in the space now governed by the meters, the borough council decided last

These meters, affecting twohour parking, having proved unsatisfactory and will be removed by the company offering them for sale sometime before or shortly after May 12, the date of expiration of the 90-day contract.

Council also recommended Burgess Wilbur F. Leitzell to close Allen street between College and Beaver avenues to vehicle traffic on May 23 and 24 following a petition from the local American Legion concerning their "Town Fair" on those dates.

Several petitions for notifying parties about laying sidewalks on their property were considered at the meeting. One petition, concerning property on Hamilton avenue, owned by Gamma Sigma Phi fraternity, was granted. Another petition asking that sidewalks be laid on the corner of Hamilton and Garner streets was also granted. Notices will be sent to owners of the property setting a time limit for construction of walks...

In answer to a letter from Governor Arthur H. James, Burgess Leitzell appointed Councilman John H. Henszey as representative for the borough to attend the Pennsylvania Civilian Defense Meeting at Harrisburg Wednesday afternoon. Representatives from all municipalities have been invited to help organize a Council of Defense for Pennsylvania.

An ordinance granting duo parking spaces for use by taxi cabs and vetoed by Burgess Leitzell was amended to grant only one space. This block occupies the first parking space north of Calder Alley on the west side of Allen street.

Deferment Blanks For Fees Ready

Application blanks for deferment of fees for the first semester of the 1941-'42 year are now available in the Bursar's office, it was announced yesterday by Russell E. Clark, bursar.

Regulations governing the deferment are stated on a sheet adjoining the application.

The final date for filing applications in the Bursar's office for the first semester fee deferment has been set as August 20.

Deferments for the first semester will be due and payable October 15 and November 15. The portion of the fees not deferred is payable at the time of regular fee payment.

Alumni Drive In Second Week

yesterday as the Alumni Association plunged into the second week of a student membership

With acceptances received from 50 percent of the students reported contacted, the main reason for failure of the drive to sign up more than 300 students so far was laid yesterday to inactivity on the part of solicitors.

In a statement last night, William B. Bartholomew '41, general chairman of the drive, said:

"Our difficulty the first week was with solicitors who did not report at all. Those who reported had more than 50 per cent success. For this reason the drive has been extended through this week. By Thursday night we expect to pass the 500 mark in new subscriptions."

Although 80 per cent of the wemen have been approached, only 40 per cent of the men have solicited, Bartholomew

To date 162 women and 106 men have signed to bring the total of new members to 268. This number includes 118 juniors, 112 sophomores, 29 seniors, 2 freshmen, and a two-year ag student.

He urged that all solicitors who have not yet turned in their subscriptions to do so as soon as possible.

first floor lounge of Old Main from 9 a.m. to 5 p.m. Monday. If no candidate receives a majority of the votes cast on Monday, the two highest candidates Army Officials for each office will compete in a run-off election Tuesday.

Required by the constitution to have at least a "1" average, candidates for AA offices do not have to be athletes or managers. However, all of this year's candidates have earned varsity letters in at least one sport.

A special committee will be appointed by Brand to supervise Monday's elections. AA books will be required for voting.

In addition to electing officers, proposed amendments to the AA constitution:

1. Restoring the eligibility rule limiting varsity and freshman competition to four years.

2. Establishing the numeral award as an Athletic Association award, the requirements remaining the same.

If the first amendment is adopted, Roman Pieo, captain-elect of the gym team, would be ruled ineligible. It is believed that no other athletes would be affected.

College officials at conferences in Harrisburg and Washington pondered the tardiness of a usually efficient public service. They, too, waited.

No amount of futile waiting, however, could alter the fact that striking employees of the Greyhound Lines had shut down autobus service in a 10-state area at 5 a.m. Sunday, cancelling 20 arrivals and departures per day at the local terminal.
