Junior hockeywomen grabbed second set in the tournament yesterday when sophomores defaulted and frosh were defeated, 6-0. Sis Fitting scored four goals and Pauline Rugh two.

Ten women were named to the Concert Dance Group, Dance Club honorary, after tryouts Wednesday night. Those chosen by Miss Jessie Cameron, assistant professor of physical education, and old members include Mildred L. Austry '43, Evelyn M. Fritz '43, Jane M. Parkhill '43, Ayclien C. Wolf '43, Grace E. Albertman '44, Harriette Block '44, Shirley Kaye '44, Daisie J. Kranich '44, Dorothy Kronick '44, and Elizabeth Furst '45.

We, The Women For The Frosh We Don't Know—

This column is intended only for those freshman women whose names we don't yet know. It is for you who weren't elected to offices, whose names haven't appeared in a gossip column, who aren't being rushed by every sorority.

Every year there are freshman women with outstanding ability who fail to make a big "splash" at the beginning. Perhaps it is because of personal reticence; perhaps the opportunity just didn't come their way.

The point is this: don't think that your chance is gone. Some of the most outstanding women in this year's senior class were unheard of as freshmen. And some of those whom everybody knew then have been forgotten.

Remember, your college career is only beginning. This campus is unsurpassed in the range of activities open to women. Regardless of your interest, there is a place for you. Go find it!
