## How To Watch A Soccer Game

Soccer is essentially a passing game in which the passing is done entirely with the head and feet. On the surface it would appear that the players follow the ball, that is, let the ball play them, but in reality that is not true.

Each time the ball is passed it is to attempt a favorable position from which a goal may result for the passer's team.

To be able to place the ball where he wants it, a player must get himself into position to play the ball. In watching a game, one should notice how the best players handle the ball. They get close to the ball and use knee-action. However, they refrain from power-kicking and do not swing their legs from the hips.

A few technical terms explained by Soccer Coach Bill Jeffrey:

**Drugging**—taking the ball into possession, moving with it, and keeping it close to the body at all times.

**Tackling**—attempting to take the ball away from the opponent and directing it to the team's good.

**Heading**—playing the ball with the head, usually on high passes.

**Feinting**—attempting to deceive the opponent by motioning one direction and either moving or passing in another.

### Cross Country Run

## Captain Wins, 1 Up, Over Defending Champ

Chuck Seebold beat Scotty Maxwell one up in a thrilling duel to capture top honors in the 36-hole final of the All-College Golf Tournament on the College course yesterday afternoon.

Seventh-seeded Seebold, this year's golf team captain, held a one up advantage when the second round of 18 began yesterday, and was two up on Maxwell, defending titleholder, at the end of 27 holes.

Maxwell made a great comeback on the final nine. The defending champ took four straight holes from Seebold and held a two up lead on the 31st.

Seebold turned in some beautiful shots to get back into the match, and took his winning one up lead with a five on the 17th.

In yesterday's play Maxwell carded a 75, while Seebold came in with a 76.

Maxwell has been a finalist in the All-College Tournament for the past three years. Two years ago Scotty lost out to Ken Stear, and last year Maxwell took the championship by beating Don Leyden in the finals.

## Rifle Coach Issues Call For '45 Team Candidates

All candidates for the Freshman Rifle team should report to the Armory at 7 p. m. tonight, announced Lieut. S. B. Gilliard, coach of the team.

Sophomores interested in trying for rifle team managerships should also report at the organization meeting tonight, Burnett C. Carlton, rifle manager, announced.

**Bitter Fruit For The Lions**—One of the most talented Orange ball carriers on the Syracuse eleven is Tommy Maines, driving left halfback. He may turn out to be a piece of bitter fruit for the Lion secondary defense. Maines, recovering from last year's injuries, has been particularly effective in returning punts and on defensive maneuvers. The left halfback has compiled an average of nearly five yards per try in six contests this season.

## Nittany Eleven Polishes Defense For Versatile Syracuse Attack

Defense was still the battle cry for the Nittany football team yesterday as it prepared to meet a versatile smooth-functioning running and passing attack by Syracuse on New Beaver Field Saturday.

Coach Bob Higgins was forced to use some new strategy in the backfield to fill the gap left by the injured Jack Banbury, reserve fullback. He switched Ralph Ventresco, tailback, into his old spot at fullback again. Ventresco proved himself a capable ball carrier in the NYU game and is no longer hampered by injuries.

Spot scrimmage occupied the efforts of the Lions yesterday as a stiff defense was designed to stop the intricacies of Syracuse's now famous Y formation and reversed center. The Nittany freshman team used Orange power plays against the varsity defense in practice.

An extensive pass drill tested

the Lion's aerial defense as Penn State prepared to meet the tosses of Syracuse's Leland (Bunky) Morris, slinging left halfback.

Penn State and Syracuse have played football every year since 1922 and Saturday's contest will be the 20th meeting of the two teams. Syracuse has won ten contests and the Lions have taken four. Five games have ended in ties.

Last year, Captain Len Krouse and veteran Bill Smaltz combined efforts via the aerial route and pulled the Lions from behind twice to knot the score, 13-13. The passes sailed for 48 and 27 yards.

Syracuse boasts of a talented fullback in Sal (Toots) Mirabito. Last year Mirabito caused the Nittany Lions' famous Seven Mountain line a lot of trouble. Mirabito also added to his sports laurels by annexing the eastern heavyweight championship in boxing last season.
