

Watts, Delta Chi Gain Finals In Intramural Play

Jordan Hall, defending champions of the independent league, lost to Watts Hall Blues and Delta Chi fought their way to the finals of the fraternity league in intramural football play last night. Phi Sigma Kappa and the Penn State Club also eliminated rivals in tournament play.

The undefeated, unscored-upon Delta Chi nine entered the finals of the fraternity league by nosing out Alpha Zeta three first downs to none. The passing combination of Briner to Pittenger was outstanding for the victors.

Watts Hall Blues had to come from behind to defeat the Jordan Hall nine, who had previously been undefeated in three years of competition, by a first down count of 2 to 1. In the last two minutes of play the victors, by three short passes, tallied the deciding first down.

In the quarter-final contest, the Phi Kappa Tau's were eliminated from tournament competition when they were swamped by the Phi Sigma Kappa's by a 24 to 7 count.

The Penn State Club defeated the Allen Co-op 12 to 0 in a hard-fought game to gain the semi-final round of the independent league.

Only two games are scheduled for this evening. At 7 p. m. the Penn State Club will meet a fast Unit team for the right to play the Watts Hall Blues in a title match. At 7:30 another semi-final match will be run off. The Kappa Sigma's will meet the Phi Sigma Kappa nine to decide who will meet the Delta Chi's in the finals. The finals of both leagues are scheduled for Thursday evening according to Jack Quailley and Sid Rudman, co-managers of intramural football.

HORSESHOES

Yesterday's scheduled final match in the intramural horseshoes tournament, independent division, was postponed and is scheduled to be played off either today or tomorrow.

Only two matches were played yesterday, Sigma Chi No. 2 defeated Delta Upsilon No. 1 and Alpha Zeta No. 2 won over Delta Upsilon No. 1. These were both quarter-final games. Scheduled for today is Delta Upsilon No. 6 vs. Sigma Chi No. 1. This is a semi-final match.

SWIMMING

Intramural swimming finished its quarterfinal round last night at Glennland Pool when Pi Sigma Kappa defeated Phi Gamma Delta in a close meet by the score of 30-27 and Gamma Sigma Phi swamped Phi Kappa Sigma to the tune of 38-19.

Tonight at 5:15 o'clock the semi-final round will take place at the pool with Sigma Chi meeting Phi Sigma Kappa and Gamma Sigma Phi facing Phi Delta Theta.

NEW ERA—Bill Kern, head coach at West Virginia, is reshaping the grid fortunes of the Mountaineers in his second year on the job. A graduate of Pitt in 1927, Kern was selected as a tackle on most of the mythical all-eastern elevens that season.

Yearling Eleven To Battle Army

WEST POINT, Nov. 11—The Penn State freshman football team arrived late this afternoon and drilled lightly for tomorrow afternoon's game with the Army Plebes.

With their line averaging nearly 195 pounds, the Nittany Lions have assembled their best yearling squad for many seasons and will be attempting to garner their fifth victory of the season.

The Lion cubs rolled over Bucknell, 19-0; Colgate, 21-0; Syracuse, 20-12; and Cornell, 20-6. In their last two contests the Lions, coached by Marty McAndrews, came from behind to win. If the Lions can turn the trick on Army tomorrow, they will be the first undefeated freshman grid team at Penn State in 25 years.

Coach McAndrews points with pride to his talented backs and is confident that they will give a good account of themselves against Army.

Penn State's strength is boosted by the return to action of Dave Alston and Bud Davis, first and second string left halfbacks. Alston, triple scoring threat, has recovered from a shoulder injury and Davis' wrenched knee has healed.

Twenty-six players made the trip. The Lion starting line-up will probably be: George Durokuta and Bill Boyd, ends; Clarence Smith and Joe Blasiole, tackles; Steve Suhey and Leo Noble, guards; and Joe Cackovic, center.

The backfield will include Ray Ulinski at quarterback; Harry Alston, right halfback; Dave Alston, left halfback; Bob Weltzel, fullback.

Nittany Eleven Stresses Offense For West Virginia

Where last week the Nittany Lion gridgers spent most of their time perfecting a defense, this week's strategy turned to offense in preparing for the invasion of West Virginia's Mountaineers on Saturday.

The Nittany eleven spent much of its practice yesterday in polishing and timing its running attack. But the defense did not go unnoticed as the Lions prepared to meet a diversified aerial attack.

West Virginia's Coach Bill Kern varies his aerial attack by switching his linemen into positions where they will be eligible receivers. He also uses an assortment of sprad formations to cross up opponents.

Though the Mountaineers have won four and lost three games this season, they have been improving as their schedule progresses. Last year Penn State and West Virginia battled stubbornly, the Lions finally winning out, 17-13.

The Nittany Lions and the Mountaineers have met on the gridiron nine times in a series which started in 1904. Penn State has won six, lost two, and one game ended in a tie.

Coach Kern has coached football five years, but this season will be his second at West Virginia. For three seasons, 1937, 1938, and 1939, Kern coached at Carnegie Tech. He sent his 1938 team to the Sugar Bowl, but it lost to Texas Christian, 15-7.

Only the condition of Pepper Petrella will be indefinite for Saturday's encounter. The Nittany tailback turned his ankle yesterday and did not report to practice. Jack Banbury, reserve fullback, has not been in uniform, but he will probably see action against the Mountaineers.

Time Trials To Decide Fresh Harrier Team

Time trials will be held for the freshman cross-country team this afternoon to determine the sixth and seventh runners to represent Penn State in the IC4A's next Monday, Coach Bob Grieve announced yesterday.

The five chosen so far are Jerry Karver, picked by many metropolitan coaches as the favorite, Joe Beach, Newman Draper, Jack Johnson, and Paul Smith.

The frosh were undefeated in dual competition, beating Cornell and Syracuse in their only encounters.

HARD RUNNER—Dick McCann, Mountaineer left halfback, has been one of the most consistent ground gainers this season. He is one of the hardest runners on the West Virginia squad and may cause the Nittany Lion defense many a headache.

Pitt Surprises The Grid Experts

Pitt's 13-0 upset victory over Fordham last Saturday will rate as the biggest surprise of the year to the grid experts. With the Panther win went any hopes the Rams had entertained for a "bowl" invitation.

Other future Nittany opponents met with bad and good luck over the weekend. South Carolina's Gamecocks were subdued in a tough game to lose, 3-0, to Kansas State. West Virginia rolled over Kansas, 21-0, in their most impressive showing of the season.

It was Edgar "Special Delivery" Jones who did the most damage to the Ram dreams of an undefeated team this season. With five top-heavy losses proving no burden, the Panthers pushed the Rams from one end of the Pitt Stadium to the other.

Pitt first scored in the initial quarter on a 70-yard drive and added another tally in the final period to put the game safely in the victory column.

When the Nittany Lions tangle with the Panthers, they will be facing a team with much experience against tough opponents. Pitt has played Purdue, Michigan, Minnesota, Duke, and Ohio State. The Panthers will engage Nebraska a week before the Blue and White warriors visit Pittsburgh.

Megrail's Goal-Getting Nears All-Time Record

If Don Megrail high-scorer for the undefeated Nittany booters, continues to boot his present average of three and one-third goals a game from his new center position, he will set a new Penn State individual scoring record for one season.

Aided by fine work on the part of his teammates, Don has slipped 13 kicks past goalies in the last three games, and is approaching the all-time record of 20 set in 1934 by Bill McEwan.

The second highest total, 16, was also made by McEwan, but Don Megrail needs only one more goal to match the record of his brother Franny, who booted 14 in 1937. Franny was a star center forward in 1936, 1937, and 1938. Crashing the varsity lineup in 1939, Don continued the family tradition by scoring four goals from halfback in 1939 and 1940 and going on a spree at center forward this season.

Booters Prepare For Army Game

Ignoring cold afternoon weather, the Nittany Lion soccer team is continuing its daily workouts in preparation for Saturday's game with the Army booters. The Jeffrey men will go to West Point in quest of their 68th consecutive game without defeat.

Army, considered slightly inferior to the Navy team the Nittany men trounced soundly in their last appearance, is expected to be outclassed by the more skillful Lions.

The servicemen cannot be taken too lightly, however. Until suffering a surprise 1-0 upset at the hands of Harvard last Saturday, Army was the only undefeated and untied team in the East in addition to Penn State.

Army's chief claim to soccer distinction this season lies in its 3-1 trouncing of Princeton in its opening game of the season. Princeton, it will be recalled, tied Penn State for the eastern intercollegiate championship in 1939 and 1940.

With Captain Guykeson spearheading their attack, the cadets have also defeated Lehigh, 3-1; Syracuse, 4-1; and Bucknell, 1-0. Lion Coach Bill Jeffrey says that Guykeson must be stopped if the Lions are to win.
