

WATCH OUT, PANTHERS, HERE WE COME!

**WE'LL SEND
SPECIAL DELIVERY JONES
TO THE DEAD LETTER
OFFICE**

Great teams are made—not born. The merchants of State College have watched with keen interest and pride the progress of our football team this year. Coach Bob Higgins has welded together from untried reserves and a few of last year's regulars a hard fighting, high spirited eleven which has admirably carried on the traditions of the past. A team that we, as well as students and faculty, can point to with pride as representatives of Penn State.
