

## Snipas, Grey Gain IM Boxing Finals; 18 More Advance

Ben Snipas and Jack Grey entered the finals as 18 contestants advanced in the intramural boxing tournament in Rec Hall yesterday afternoon.

Snipas, who lost to Barney Ewell in the finals last year, TKOed Len Stevens in the third round after both boys had slugged it out toe to toe for two rounds. Grey had more difficulty in subduing his opponent, Karl Yohn, but finally won a decision after three rounds.

Fans were treated to another outstanding bout in the Jack Banbury-Ralph Erwin scrap. Banbury, after a slow start, came to life in the second and third rounds to finally TKO Erwin in the closing seconds of the final period.

Gene Starr, in the 127 pound class, was knocked down in the first round by Ford Boyle but made a thrilling comeback in the second and third rounds to get the nod from the judges. Boyle was unable to ward off Starr's steady barrage of lefts and rights.

Winners in yesterday's bouts were:

## Interclass Wrestling To Begin Next Week

Hurried by the approaching holiday vacation, the annual interclass wrestling bouts will probably be run off next week, Coach Charlie Speidel said last night.

These meets are restricted to matmen in training who must sign up for the tourney this weekend. It is expected that three individual matches will be on the canvas at once to speed up the bouts. The grapplers will meet under the balcony due to the lack of floor space.

## 30 Frosh Receive Grid Numerals

Thirty members of the undefeated Nittany yearling squad were awarded their numerals; Frosh Coach Marty McAndrews announced yesterday.

The yearlings came through their five-game schedule without a defeat; the first time this feat has been accomplished by a freshman team in 25 years. The Frosh were victorious over Bucknell, Colgate, Cornell, Syracuse, and Army first-year squads.

Standout of the aggregation was Dave Alston, a Negro back who did a great deal of the running, kicking, and passing, with favorable results.

David S. Alston, Harry M. Alston, Robert Bacher, Henry H. Baierl, Joseph E. Blasiole, William Boyd, Joseph Cackovic, John A. Clapperton, Allen D. Davis, George Durkota, George E. Fuller, George A. Hoffman, Fred Kreuter, Robert G. Larsen.

Reid McCloskey, John W. Moody, William R. Moore, Leo Nobile, Clair J. Reilly, Harry Rywak, Paul Schweitzer, Stanley C. Skuter, Clarence W. Smith, Steven Sukey, Clifford t. Clair, George J. Taylor, Harry Tucceri, Ray Ulinski, Robert Weitzel, and John Wolosky.

## Bortz, 1940 Mat Captain, Elected Group Official By Scholastic Coaches

Ernest F. Bortz '40, former Lion wrestling captain and present coach at Blairsville High School, was elected secretary of the Western District of Pennsylvania Interscholastic Coaches and Officials Association, which was formed at a wrestling clinic at Dubois Saturday.

Arthur Weiss of Clearfield was elected president of the group which has organized to represent the Western district of Pennsylvania in the PIAA. Weiss is the former coach of Sam Harry, Clearfield's lightweight contribution to Penn State's 1941 mat squad.

Charlie Speidel, Nittany mentor who officiated at the clinic, attended by over 300 coaches and scholastic wrestlers, was chosen advisor of the new organization.

As a Penn State wrestler, Bortz established a memorable record by gaining third place in the 1939 intercollegiate, going undefeated in his senior year, and winning the 175-pound championship title in the 1940 Eastern Intercollegiate.

The blond Lion light-heavy is well remembered for the fighting match which he gave Dick Brennaman of Lehigh, in winning the Intercollegiate crown. The bout went two two-minute overtime periods before the Penn Stater was awarded the title.

For several months in the Fall of 1940 Bortz served as athletic director at Bolivar High School prior to assuming his present position as coach at Blairsville.

## Prosser, Barr Help Beat Frosh

Aided by Charley Prosser and Johnny Barr, former Penn State stars, the junior varsity basketball team downed the freshman cagers in the preliminary game at Rec Hall last night, 38-22, to partially avenge for two defeats by the Lion Cubs earlier in the season.

Myles Smith took scoring honors for the jayvee five with 16 tallies while Prosser was runner-up with 12 points. Phirman led the freshman quintet by contributing seven markers.

The upperclassmen started fast in the first quarter, garnering nine points to the Frosh's two. Halftime saw the jayvees out front, 21-11, and by the end of the third quarter the varsity understudies had a 29-17 advantage.

Barr's performance amounted to an exhibition as his superior play sparked the jayvees to their victory. Twice before the junior varsity bowed to the yearling cagers by margins of at least 10 points.

Jim Lawther, son of the varsity coach, again was a big cog for the freshmen, but Cal Clements and Jack Phirman also sparkled.

## Egli Leads Attack Against Bucknell

By GORDON COY

Coming back with a fast second-half attack, Penn State's basketball Lions hung up their third straight victory of the season last night when they subdued the Bucknell Bisons, 48-32, on the Rec Hall court.

Led by John Egli, who copped scoring honors for the night with 17 points, the Nittany quintet was never headed after gaining the lead midway in the opening quarter. Egli again dropped in the first point of the game, just as he did in the previous two encounters played this year.

The Lions forged out in front early in the opening period on a trio of field goals by Egli. However the Bisons rallied and spurred ahead momentarily, 9-8; midway in the quarter after George Haines, visiting forward, threw in a goal at the climax of a fast break.

Going into the second period, the Nittany passers enjoyed a slim 14-11 lead, which was increased to 20-14 by halftime. During the first half, Egli dominated the Lions' scoring attack by marking up 15 points, 8 of which came from tipping in erring long shots by his teammates.

At the beginning of the third quarter, Coach John Lawther's passers suddenly broke into a scoring spree that the Bisons could not halt. To make matters even worse for the visitors, the Nittanymen also threw up a strong defense and completely bottled up Fred Fahringer, diminutive Bucknell forward, who had scored ten points in the first half.

Herk Baltimore, after going scoreless in the first two periods, carried the brunt of the third period attack by scoring 8 of the Lions' 16 markers. Elmer Gross also added four points on two successive one-hand tosses from the corner.

In contrast to the Nittanymen's scoring ability, the Bisons could not find the hoop, and rung up only two field goals in the third period. As a result, the Lions coasted into the last stanza on the long end of a comfortable 42-24 margin.

Outplaying the Blue and White, Bucknell scored eight points against six for the winners in the final period. Six of the visitors' points, however, came via the foul toss route, while the Lions' scoring was well-divided.
