

## Rushees To File Averages In Dean's Office Tomorrow

### Grades Available From Registrar

Freshman and transfer women interested in joining sororities should turn in averages to the dean of women's office tomorrow, Jean A. Krauser '42, Panhellenic Council president, announced last night. Rushees are asked to place a 3-4 inch paper containing names and averages in a box in Miss Charlotte E. Ray's office. Grade sheets will be available at the registrar's office tomorrow.

Houses which will not have informal parties tomorrow may ask rushees for basketball dates. Other dates are not permitted because limited contact will continue until 9 p. m. Thursday. A silent period begins at that time and ends at 5 p. m. Saturday. Invitations delivered yesterday should be answered as soon as possible.

Frances E. Haley '43, panhellenic chairwoman, reminded rushing chairmen to turn in to Student Union itemized accounts for informal parties the day after each party.

Formal dinner invitations will be delivered by individual sorority members after 9 p. m. Thursday.

## First 'Stamp Day' Nets 166 Sales

Receipts from defense stamps sales last Thursday totaled \$16.60, Alices M. Murray, president of Mortar Board, senior women's honorarium, stated last night. One hundred sixty-six ten-cent stamps were sold in the opening Defense Stamp Day campaign.

Coeds may purchase stamps Tuesday and Thursday evenings outside dormitory dining commons, Miss Murray said.

Beginning today Mortar Board members will make a house-to-house canvas of sororities. Groups to be covered tonight include Delta Gamma, Alpha Epsilon Phi, and Gamma Phi Beta.

## CA Forum, Council To Sponsor Party

PSCA '45 Forum and Freshman Council will sponsor a Valentine Party at 7 o'clock tonight. Following a "Talent Parade" in the Hugh Beaver Room, the group will dance in the Sandwich Shop.

Committee members are Freshmen Dorothy A. Evans, Shirley A. Fink, Martha Gosztonyi, Anne R. Hazard, Baroara R. Wells, and Katherine Wright. The party is open to all freshmen.

**CALLS FOR AVERAGES**—Jean A. Krauser '42, Panhellenic Council president, announced last night that rushees' averages will be due at the dean of women's office tomorrow.

## Philotes To Open Membership Drive

Opening its annual membership drive, Philotes, independent women's organization, will hold the first of four mixers in the Philotes room, Old Main, from 2 to 4 p. m. Saturday. Forty members and guests are expected to attend.

The reorganized social committee includes Claire Bernstein '42, chairman, Julia A. Barney '43, Sarah A. Barr '43, and M. Christine Haines '43.

Julia V. Skellchock '43, acting president, stated that the Philotes room is always open for independent women. Magazines and a blue-book file are now available. Recent renovation of the room was in charge of Jane E. Booth '43, Mary A. Fox '43, and Miss Haines.

## We, The Women On Sky-Rocketing State's Progress

Four students were sitting around a fire toasting toes and engaging in a bull session. Two were from Penn State and two were from another university.

From humorous college experiences the conversation drifted to war and gradually slipped into what their respective colleges were doing.

"Our student government," said the visitors, "is planning to put our next big dance on a much smaller scale. We feel that unnecessary expenses are impractical and that the money can be used in better ways while we still have some entertainment."

The local talent proceeded to commend this action and then, tactfully of course, listed what Penn State had accomplished thus far—Victory Ball, defense courses on campus and throughout the state, bond and stamp sales, elimination of May Day and its substitute, "Defense Week," and countless other projects.

WSGA was pointed out as having jumped the gun by inaugurating courses for women before the emergency arose and also as purchasing a \$500 defense bond.

"Your college is really on the beam," said they, "our estimation of state universities and especially Penn State has sky-rocketed in the past half-hour. Wish our place had organization and push to accomplish one-eighth that much."

## Sweetheart Dance Will 'Go Modern'

Betty Coed and Joe College will greet couples at WRA's Sweetheart Dance from the center of a lace heart on the wall of White Hall gymnasium Friday night.

The theme of a modern valentine will be used to give Valentine's Day a modern touch. Love birds, cherubs, and hearts will decorate the rest of the wall.

Red crepe paper will be strung across the center of the ceiling, where a balloon will be suspended. Indirect lighting will play on the basket as well as the bandstand.

Main attraction of the dance will be selection of a "Sweetheart" couple by drawing numbers corresponding to ticket numbers. Tickets are now on sale at Student Union for \$1.10. The Campus Owls will play from 9 p. m. until midnight.

## Council Speeds Summer Work

(Continued from Page One)

mester from May 18 to August 28, yesterday reaffirmed that a College term of 15 weeks will begin September 7 and end December 19. The Committee on the accelerated program was allowed to give further consideration to the recommendation concerning a spring term in 1943.

In place of a previous recommendation of the Council in connection with the budgetary adjustments involved in changing to an accelerated program, the following recommendation was substituted:

"That contracts for those to be appointed on a 12 months' basis begin July 1; and for those on a 10 months' basis, begin September 1, without change from the present practice. That those who are on a 10 months' basis and who will be needed in July or August of the summer term or the main Summer Session or the Post Session be given a contract for the period of their service in July and August, and that they be paid for this period at a rate to be determined after a study of information not now available."

## 'Save Paper' Day

Is your wastepaper basket filled with newspapers, magazines, half-filled notepaper, and wrapping paper?

Beginning today, coeds are urged by WSGA House of Representatives to conserve paper. Space is provided in dormitories for discarded newspapers and magazines which will be collected by the conservation committee of the State College Defense Council.

**ROOM AVAILABLE** in men's dorm. Call Hocking, 771.

## Buy Warily, Haley Advises

"Although the clothing dollar won't go as far in 1942, coeds can dress as well as in pre-war days if they choose clothes with discretion," said Miss Alice H. Haley, representative of the Celanese Corporation of America, speaking to home economists yesterday.

Miss Haley, former home economics instructor at the College, is touring American universities in an attempt to give coeds consumer information on textiles and clothing.

For satisfactory buying, coeds should learn to discriminate among new fabrics, Miss Haley said. Man-made fabrics require careful treatment in washing, pressing, and purchasing, she added.

Coeds may schedule conferences with Miss Haley at the home economics office from 9 a. m. to noon today.

## Chi O's, Theta's Ping Pong Victors

Chi Omega team two and Kappa Alpha Theta were winners in yesterday's table tennis, both with 3-0 scores.

Chi O's Bernie Maurer '42 and Pat Patton '42 defeated McAllister Hall's Polly Huber '45 and Hattie Lenker '45. Janey Berkeley '43 and Anna Lee Carey '42 did the job for the Theta's, trouncing Peggy Good '45 and Streaky Salonic '45 of Women's Building team two.

Ath East bowled a 505-387 victory over Kappa-Kappa-Gamma, with high scorers June Steinfurth '43 for Ath East, and Ginny Lee Jackson '44 for the Kappa's.

Juniors topped seniors in basketball, 28-14. Scoring high were Pauline Rugh with 16 for the juniors and Betty Widger with 8 for seniors.

Players included Seniors Ann Borton, Audrey Dice, Kathryn Loesch, Bernie Maurer, Pat Patton, Marce Stringer, and Dot Wagner.

Juniors — Mary Devling, Ann Drivas, Whiffet Crossman, Mattie Haverstick, and Pauline Rugh.

## Director Visits

Judith M. Rubinstein, Sigma Delta Tau regional director, visited Emanon, local sorority, last weekend. Members entertained Miss Rubinstein at tea at the home of Mrs. Harold P. Zelko, advisor, Saturday.

## Your WSGA—Behind The Lines

(Editor's note: This is fourth in a series of articles discussing the purpose and organization of women's student government.)

Because freshmen have many special problems, they are the one class to have a self-governing council.

Headed by WSGA sophomore senator, WSGA Freshman Council consists of freshman unit presidents and three town delegates. Their main duty is to assist with matters of discipline pertaining to customs and to suggest changes for next year's frosh regulations.

In addition, they legislate on matters brought by members from living units or referred to the Council by WSGA Senate. All legislation must be approved by Senate. The WSGA "baby" cooperates with WSGA House of Representatives in the Christmas Drive and helps plan future orientation programs.

The freshman coed named vice-chairman acts as one of two class representatives to WSGA Judicial Committee.
