## Late News Flashes...

**WASHINGTON** — Secretary of War Stimson announced last night that the capacity of the ships sunk by Gen. MacArthur's forces was 10 to 15 thousand troops. Several thousand Jap troops were known to be killed when the ships sank.

**JAVA** — Head of the Dutch forces in Java said that the only hope for salvation was to divert Japanese troops by a strong offensive in another sector of the eastern front.

**BERLIN** — German officials last night announced that a new line was being constructed all along the French coast. More than 135 miles of the fortified line has already been completed, the Germans reported.

## Look Before You Sit! If You Find A Porcupine, Feed It Chocolates

Penn State's famous porcupine just couldn't stand the limelight of national publicity—so she disappeared late yesterday.

"Quill," pet of the wildlife management department, was first thrust before the public's eye February 21, when her picture appeared in 2,600,000 issues of Life magazine. Last Sunday fame became even more widespread when the story of her life was printed in the American Weekly Sunday supplement, which has a circulation of 7,000,000. Yesterday afternoon Quill had skipped.

Quill was last seen sunning herself in a cage outside the office of Doctor P. F. English, professor of wildlife management. When her keeper (a coed) returned, she found that the top of the cage had been removed and the animal was nowhere to be found.

## IFC Changes Chaperon Clause In Dating Code, Chooses Vincent Lopez As New IF Ball Band

### Film Company's Option Calls James To Coast

A bombshell was thrown into Interfraternity Ball plans with the announcement at last night's Interfraternity Council meeting that Harry James' orchestra, booked for the dance, will not be available on March 27 because of an option suddenly exercised by Universal Pictures.

In James' place, IFC, by a vote of 36 to 2, decided to engage Vincent Lopez' orchestra. The dance committee, which holds an option on the services of Lopez, will notify the band today of its selection. The price, not yet determined, is expected to be in the vicinity of the \$1,500 that James would have

### 21 Students Cast In Players' Show

"A gay and likeable mystery play. Brisk comedy—excitement and suspense." Quoted from the New York P. M., this statement is an apt description of the next Players' show, "Mr. and Mrs. North," to be presented in Schwab Auditorium, March 20 and 21.

Based on the stories by Frances and Richard Lockbridge which appeared in various issues of the "New Yorker," the play recounts the adventures of a zany couple troubled with dead bodies falling out of their closet.

Cast as Jane and Ben Wilson are Joanne M. Palmer '43 and William E. Reimer '45. Other characters are: Buono, Jerome N. Haimsohn '42; Claire Brent, Jean E. Hersberger '43; Louis Berex, John S. Keck '42; Clinton Edwards, Sol G. Joffe '42; Mr. and Mrs. Brooks, Leon B. Flook '43, Doris S. Lavine '44; Cooper, Harold Chidnoff '45.

Detective Mullins, James J. Ambandos '43; Fuller Brush Man, Harold J. Raab '42; Inspector O'Malley, Hugh M. Ridall '45; Timothy Barnes, Milton Dolinger '44; Jenkins, James C. Simon '43; Medical Examiner, William H. Bayer '44; Jones, George-D. Pringle '44; Ross, Michael Kulick '43; Gordon, Jack Bobb '44; and prompter, Eleanor M. Freedman '44.

### Blakeslee, Mozzocco Nominated For All-College President's Job

Four cliques blew the lids off underground political activities last night and released their nominees for the coming All-College elections on March 24, 25, and 26. Two parties, the Campus '44 and '45, have revealed their final nominations.

Only in the Independent '43 party are the nominations still open. The deadline for nominations has been set for Sunday.

#### Class of 1943

For the office of All-College president, the Campus party nominated Jerome H. Blakeslee, present junior class president. At pres-

### John C. York '43 Named Head Of Penn State Club For New Term

John C. York '43, present vice-president of the Penn State Club, was elected president for the next two semesters at club elections held in 405 Old Main last night.

Other officers elected were Thomas E. Wilcox '44, vice-president, Robert A. Christoff '44, secretary, Ray A. Zaroda '44, treasurer, Kenneth D. Bair '43, social chairman, Vincent B. Makowski '43, athletic chairman, and Harry C. Coleman '44, publicity chairman.

The newly elected officers will serve as understudies to the present officers for a period of six or eight weeks, according to Arthur Peskoe '42, president. They will be installed at the annual Spring Banquet sometime in April.

Candidates were nominated by a committee made up of Peskoe, J. Louis Nageotte '42, William C. Streib '42, Russell E. Clark, bur-sar, and George L. Donovan, manager of Student Union, and by club members. Member nominations were placed at a nomination meeting Thursday and at the election meeting last night.

### Engineers' Hop Set For March 14

With a St Patrick's Day theme Penn State's engineers will lay aside their slide rules and T-squares for their annual Engineers' Hop on Saturday, March 14.

The Aristocrats have been signed to play at the informal dance from 9 p. m. until midnight in the Armory.

Highlight of the dance may be the popular kissometer, a feature of last year's Hop, according to Ernest F. Marshall '42 and Charles L. Van Inwagen '42, co-chairmen.

Because of the speed-up in the engineering program in the war effort, the engineers will content themselves with the March 14 dance. This acceleration has caused the cancellation of the fourth annual Engineering Open House.

### STCD Hours Changed

The STCD course in military sanitation and first aid will meet in 100 Carnegie Hall from 4 to 5 p. m. every Tuesday, according to Lieut. Bruce S. Gilliard. The first meeting of the class will be held next Tuesday.

### Council's Jurisdiction Changed After Debate

Three words—"at chaperoned affairs"—plunged Interfraternity Council into one of the most bitter debates ever staged and ended with a 22-20 vote in favor of limiting Council's jurisdiction on the mixed drinking question to unchaperoned affairs only.

To supplement this Prof. Sheldon C. Tanner, IFC faculty advisor, submitted a resolution that was later added to the code.

Professor Tanner suggested that the code "pertain only to unchaperoned affairs, but that IFC disapproved mixed drinking at any time. The responsibility for enforcement at any chapter function shall rest with students, the fraternity, the chaperones, IFC, and the corporate authority of the College.

"Disciplinary measures shall rest with IFC, subject to the authority of the Board of Trustees of the College."

Professor Tanner explained that the IFC Board of Control would judge the complaints against the fraternities.

Professor Tanner went on record as defining the word "disapprove." He said that it did not mean prohibit, and was a policy, not a law of the Council.

The findings of the Judiciary Committee concerning violations of last weekend will not be disclosed, Thomas J. L. Henson '42, IFC

### IMA To Sponsor Sweater Dance

IMA will sponsor an all-college sweater dance to be held in the Armory Saturday, March 21.

The first affair of its kind, the dance will feature an all-college sweater queen, to be chosen by IMA units, it was announced last night by John H. Knode '42, acting IMA head.

Music will be provided by the Penn State Aristocrats from 9 p. m. to 12. Admission will be one dollar per couple, tax included.

John F. Zalinski '43 was appointed general dance chairman. Assisting him will be Donald O. Schissler '43 and Kehl Markley '44.

The sweater queen nominations committee consists of Richard S. Kurtz '43, chairman, Nelson L. Bostic '43, Charles F. Maclay '43, and Ray L. Reinbold '43.

Publicity will be handled by Benjamin M. Bailey '44 and Charles Maclay '43.

Nominations for new IMA officers will be held next week, Knode announced. The nomination committee will be headed by Thomas L. Reissmann '42. Other members of the committee are Donald O. Schissler '43, Knode, and Maclay.

### Coeds Get 1 O'clocks For Freshman Mixer

With one o'clock hours for freshman coeds a special added feature, the Freshman Mixer will be staged in the Armory from 9 p. m. until midnight tonight.

All freshmen were requested to come stag and bring matriculation cards to the dance with all admissions from donations scheduled for Mrs. Hetzel's Emergency Loan Fund.

The refreshment concession will be handled by the Sandwich Shop staff, according to the general committee of Joan E. Piolet, Dale Quinn, Doris F. Campbell, Kathryn K. Metzger, Ruth M. Kauffman, Marjorie J. Watson, Robert A. Sheesley, Arthur H. Martin, John V. Sylvester III, Russell M. Smiley, William C. Masett, Peter Scott, and William E. Reimer.

### 'Tandem Wheel Daisy' Revival Due If Council Approves Proposed Bill

The bicycle built for two may yet stage a real comeback if the "multi-molar" bicycle ordinance recently proposed before Borough Council is passed in its original form.

As provided in the ordinance, the cyclist is prohibited from riding double, or from removing his hands from the handlebars while the vehicle is in motion.

This would undoubtedly be the hardest blow summer romances have suffered since the rationing of gasoline and tires. Authorities agree that the bicycle built for two is probably the only solution.

If passed, the ordinance will also require the registration, licensing, and inspection of all bicycles. Cost of the license would be 25 cents. The registration card would have to be carried at all times, and bicycle inspection would be

done semi-annually at approved stations.

Cyclists must travel in single file, and on the right side of the highway. Operating on sidewalks is strictly taboo. All violators will be subject to a fine not exceeding \$5 and, or, a three month suspension of their licenses.

The only possible weakness of the bill lies in the fact that it makes no provisions for learner's permits, parking meters, or intoxicated operators. Otherwise it is foolproof.

### Red Cross Lacks Funds

Money collected in the State College Red Cross War Fund Drive now totals \$5,568.59, still nearly \$3,000 short of the \$8500 quota, it was announced yesterday.
