## Panhellenic Organization-

(Editor's Note: This is the last in a series of articles discussing the purpose and organization of Panhellenic Council.)

Before applying for associate enembership in Panhellenic Council, a local sorority must have been in existence nine college months from the date when officially recognized by the Senate Committee on Student Welfare.

Additional stipulations require at least ten members (eight of whom are sophomores and juniors) and a scholastic average of "1". Before Panhel will consider a petition, clubs must submit a report including the date of founding, charter members, chapter average, rushing policy, membership standards, financial obligations, the national sorority they thope to join, and their purpose.

Associate members pay five dol-)ars yearly dues and are governed by Council rules and regulations, but they are denied the right to compete with Panhellenic national groups for stunt night prizes. scholarship cup, or alumnae decoration award.
