**Tal Henry Played For IF
Ball—Eleven Years Ago**

Years ago, 11 to be exact, IF Ball featured the music of the "Personality Prince with the Southern drawl," Tal Henry and his North Carolinians, billed as a Victor Recording Orchestra. What a far cry to Raymond Scott, his quintet, and his music in 1942.

Raymond Scott, this year's band leader, doesn't play up individuals, but stays among the leaders with his "quintet" and modern arrangements.
