Track Team Drills For First Meet **Despite Snow Fall**

The runners could hardly be seen above the snow piled high around the track, but they carried out their regular drills despite the handicap. Only the field men were kept from practice by the snow.

Nittany Stickmen Prime For Season Opener

In preparation for its season opener in two weeks with Navy, Coach Nick Thiel is putting his squad of 39 stickmen through drills in Rec Hall.

Carrying the brunt of the field attack this year will be Captain Bill Zeigenfus, Jim Ritter, Jim Gotwals, Mark Singley, Bob Koch, and Kean Campbell. These seven stickmen will form the nucleus around which Coach Thiel plans to make his starting lineup.
