

## Frosh Ribbons Will Appear

Freshman women will be required to wear the traditional green ribbons and name cards, decided WSGA Senate last week. Customs will be discontinued on good behavior.

Letters, composed by WSGA Judicial committee, explaining coed regulations, have been distributed to all dormitory hostesses and checkers, according to Marjorie L. Sykes '43, Judicial head. Supplements to the first letters will be sent out in the near future, she added.

Miss Sykes reported Judicial's decisions of refusing downtown permissions for big weekends, and of granting fewer special permissions than has been the custom.

On Miss Sherman's suggestion, Senate passed a motion to have a standing executive committee consisting of the president, vice-president, secretary, treasurer, senior senator, and Judicial head. The committee will meet, if necessary, on special occasions, and minutes will be kept.

Senate elected Juniors Dorothy J. Jennings, McAllister Hall; Florence J. Jaffey, Atherton west; and Marion J. Reynolds, Atherton east; to take charge of dining room seating arrangements.

New dining room announcers are Miss Brunner, McAllister Hall; Ruth L. Kiesling '43, Atherton east; and Patricia E. Diener '45, Atherton west. Announcements must be handed in to these coeds before noon.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capabilities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)
