

Lion Baseballers Face Pitt Team For Navy Relief

Playing their last game of the season, Coach Joe Bedenk's baseballers will meet the Panthers from Pittsburgh on New Beaver Field at 2:30 Saturday afternoon. Proceeds will go to Navy Relief.

In the previous Pitt-State encounter two weeks ago, the Lions nosed out the Smoky City crew, 7-5, after an 11-inning battle, and the winner of this weekend's encounter will help determine the stronger of the two squads.

Wet grounds at West Point forced cancellation of both the freshman and varsity baseball games scheduled away last weekend.

Andy Tomasic, whom Penn Staters saw enough of in football togs, helped the Temple Owls to another Nittany victory, 3-2, as rain halted the contest in the sixth inning.

Johnny Stover went the distance on the mound for the Bedenkmen, giving up five hits, while the Lions collections four from Tomasic. Debler was the Blue and White powerhouse as he slammed three of the hits, the other safety credited to Catcher Oggie Martella.

The batsmen were inactive last week, being confined to indoor practice on wet days, and hence are somewhat off form. However, rain also fell in Pittsburgh, so the rivals should be evenly matched.

WRA To Sponsor Co-Rec Bike Hike

WRA Outing Club will open the women's Summer sports program with a co-recreation bicycle breakfast hike to the WRA cabin at Shingletown Gap at 6:30 a. m. Sunday. The group will return by 10 a. m.

Jean B. Ogden '45, club president, requests that all interested men and women students sign at Student Union before Saturday noon. Bikers will meet at the Miles Street Bicycle Shop.

To aid in bowling perfection, mechanical pin setters were installed by WRA in the White Hall bowling alleys during vacation.

Activities club program was opened by the Bowling Club last week with 25 coeds attending.

The club will meet at 6:30 p. m. every Wednesday for a trial period of three weeks, announced Martha J. Haverstick '42, president. If sufficient interest is shown, weekly meetings will be continued, said Miss Haverstick.

Kathryn Thomas '42, Archery Club president, announced that archery practice will be held in front of White Hall at 4 p. m. and 6:30 p. m. daily.

The Archery Club will hold a reorganization meeting in 3 White Hall at 6:30 p. m. tomorrow. All coeds are invited to attend, stated Miss Thomas. Summer calendar will be discussed.

Ewell Seeks 3rd Triple Win As Lions Vie For IC4-A Title

When the cream of the thin-clad crop of the country gets together in New York this weekend for the greatest meet in the track world, the IC4-A's, the favorite team of the experts will be a group of great athletes from the Nittany Valley, led there by the greatest athlete of them all, Barney Ewell.

Ewell will go to New York for the 66th annual classic a favorite to win in his three events, the 100, 220, and the broad jump and to become the first three-year triple winner in the history of the meet.

Following Ewell will be a well-rounded team trying its best to raise its last year's third place to a first over an NYU team favored early in the season to repeat its last year's win. The Lions garnered 20 3-7 points last year to be led by NYU with 31½ and Pitt with 21 19-28.

If Ewell is able to repeat his triple win this year, he will be rated above such athletes as Frank Wyckoff, Nate Cartmell, and Tom Shearman. If he wins the nine outdoor titles he will beat the record of eight set by Alvin Kraenzlin of Penn in 1898-1900.

The team title will depend on the 15 points Ewell may pick up. Other nearly sure pointers will be Norm Gordon in the mile and possibly the half-mile, Johnny Glenn in the high jump, and Curt Stone in the two-mile.

Included in the six outdoor wins which Ewell has captured are three meet records in the events which he has won. The first he garnered in the broad jump in 1940 with a jump of 24 feet 8 1-8 inches. The other two were won last year, 100-yard dash in 9.6 seconds and the 220-yard dash in 20.7 seconds.

A serious threat to the Lion chances of gaining the ground they missed last year will be the Pitt sprint stars, Bullet Bill Carter and Hap Stickel, a thorn in the Lion's side for two years of competition.

Other outstanding college stars expected to show well in the meet in Triborough Stadium on Randall's Island will be Les Mac-

Stickmen Beat Drexel, 6-3; Gotwals, Mitchell With All-Stars

Gotwals Elected New Lacrosse Captain

Jim Gotwals and Tom Mitchell, Penn State lacrosse stars chosen to play in the annual all-star North-South game, arrived in Baltimore last night with Coach Nick Thiel, head coach for the North team.

The Penn State trio left State College following the lacrosse team's successful close of its season with a 6-3 win over Drexel on the College golf course Saturday afternoon.

Completing one of the toughest schedules in its history, the Lions packed the first half of the game with enough action to score all six points. Their withering first-half play left the Dragons too dazzled to score a point.

Bill Piper broke the scoring ice when he threw in the first point in the latter part of the first period. He was followed in scoring by Bob Koch, who scored twice in the second quarter, Jim Gotwals, Dick Ross, and Sam Flenner—each scoring one.

Drexel took over the scoring in the second half to lessen the Nittanymen's lead by three goals.

Along with Penn State's two representatives in tomorrow's all-star game, will be players from Princeton, Yale, Dartmouth, Rutgers, Union, Syracuse and Hobart on the northern roster under the direction of Coach Thiel.

Jim Gotwals was elected to succeed Bill Ziegenfus as captain for the lacrosse team. Because several games, as yet unscheduled, are under consideration for this Summer, the newly elected captain will probably be able to play again before graduation.

Score by quarters:
Drexel 0 0 1 2-3
Penn State 1 5 0 0-6

Rides Wanted

R.W.—Kane, Leave Friday, 3 p.m. Return Sunday. Call 306 Atherton. 1tch B.

Mitchell, NYU, defending his mile and half-mile titles; Al Blozis, Georgetown, trying to retain titles in the shot and discus; and John Campbell, Fordham, defending champion in the 440 event.

District 1 Captures PIAA Track Crown

Despite the fact they didn't don spikes, Chick Werner's varsity trackmen got a workout this past Saturday as officials at the annual PIAA track championships on New Beaver Field.

Three new records were set in the Class B division of the meet as District 1 copped the "small school" diadem over District 3, while District 1, led by Upper Darby and West Chester, nosed out Western Pennsylvania's District 7 and District 6, most of whose points were contributed by Altoona (38), eventual Class A titlist.

Dick McFadden, Peters Township husky, was high individual scorer of the meet with a first in the Class B discus and 100-yard dash and a second in the shot put. McFadden's heave of 143 feet 3 inches in the discus broke the record for that event by two feet. Bellwood-Antis' Negro star, year.

Hal Yount Places 2nd In National Rifle Shoot

The College department of military science and tactics announced recently that Hal Yount '43, co-captain of Penn State's varsity rifle team last semester, placed second in the national match sponsored by the Society of American Military Engineers.

Hal is the brother of Ken Yount who is also noted for his excellent marksmanship, and honorary captain of the frosh rifle team during the previous semester.

Hal fired 385 out of a possible 400 to set the pace which brought Penn State into the final round in 15th place.

Steve Hatfield, broke one of the other records with a vault of 12 feet 3½ inches, while Al Haig, Swarthmore hurdler, turned in a 12.1 110 high hurdle effort to break his own record set last year.
