## Survey Confirms

Ability Of Women
Women are doing away with high heels, long hail, and feminine
frills in defense production, and men who work with them are "smoothing up," according to an Associated Press survey. Men, who were prejudiced against women entering their fields are now bragging about the good work their "little gals" are doing. In this survey of 550 concerns National turers, said that married women are more deepndent and producen. Women are absent oftenerthan men, but married women lose less time from work if they are on the morning shift, according to Mr. Witherow.
Men's efficiency has often increased where women have entered industry, for contending with female efficiency and increased output, men have had to "buckle down."

Kappa Alpha Theta will entertain ensigns at a punch party at $7 \mathrm{p} . \mathrm{m}$. Sunday.
