

Between The Lions

Real Determination

Ted Husing, noted sports commentator, recently related what he termed the funniest incident he had ever heard in the world of sports. And this incident was about two Penn State trackmen on their way to a meet last spring.

It seems that Joe Bakura and Red Moffatt, pole-vaulters, were en route to Randall's Island via subway. In a weak moment at their hotel they had bragged of being able to carry their poles with them on the three subway trains which they had to take to reach their destination. And so the two boys from the Nittany Hills undertook a task that a native New Yorker would have never attempted, that of driving their way in and out of the cars with these long bamboo poles in tow. Screamed at by every guard and conductor they passed, the two Lion stalwarts turned deaf ears and plowed on amid the teeming masses of weary commuters. On reaching Randall's Island these two boys had accomplished a feat unheralded in the sports columns but unparalleled for sheer determination.

Three Thoughts

If this rain stops the Lion courtmen will face across the nets tomorrow the first service squad to meet the Lions for many years. Even if it is only a match with the ensigns stationed on campus it is probably the beginning of a series of athletic events with service squads. And from this corner, the more such matches the better.

Word has come to us that mushballers have been using the community baseball diamond for their games. Those in charge of the diamond have requested that mushball playing be restricted to the outfield since playing on the infield necessitates the moving of bases, etc.

Linksmen Meet Centre Hills CC

When the 40 players tee off this afternoon in the match between Penn State and the Centre Hills Country Club, golf is in for some mass action.

Following the first three four-somes who are the actual contestants, will be fourteen pairs of assorted Country Club and Penn State players. Most of the men out for the varsity and some freshman candidates will take on the Centre Hills linksmen.

Playing for Penn State this afternoon will be Co-captains Dick Stephens and Bill "Ducky" Swan, Bill Smiley and Ed Fairchild, and Jim McCormick and Charlie McClay. Stephens lost his first match of the season last weekend to one of the Colgate players.

The golf course will be closed tomorrow afternoon while the matches are in progress. The first nine will be in use from 1:30 to about 4:30 and the second nine from 3:30 until approximately 6:30.

Caddies for the matches this afternoon are needed. Any students interested in the job may obtain more information at the caddy house.

This is the second of the six Summer meets scheduled for the Nittany golfers, all of them on a home and home basis. Next encounter for the linksmen will be with the Country Club at Centre Hills on July 11.

Art Honorary Pledges 3 Profs, 5 Students

Pi Gamma Alpha, local art honorary, pledged eight persons yesterday, according to Mildred B. Schmidt '43, president. Ceremonies were held in Main Engineering art gallery.

Those who will be initiated Sunday are Mary J. Spear '43, and Sophomores Helen D. McKee, Mona L. Wieland, E. Stanford Roth, James P. Storm; Miss Amy G. Gardner, associate professor of art education; Miss Katherine M. Norman, instructor in art education; and Mrs. Eleanor G. Willis, instructor in fine arts.

Thiel Makes Lacrosse Call

Freshmen interested in trying out for the lacrosse team are urged by Coach Thiel to report to his office in Rec Hall anytime during the day. No previous experience is needed. The freshman game schedule is still indefinite.

Men, Women, Mixed Groups To Take Part

Play in 19 sports tournaments, softball, basketball and volley ball leagues for Summer Session students will begin July 9, according to Miss Marie Haidt and Earl Edwards, co-chairmen of the Session recreation program.

Seven women's tourneys in tennis singles, bowling, badminton singles, table tennis, archery, golf and softball will be conducted if enough entries for the respective tournaments are turned in at Student Union before 5 p. m. July 6.

Men's tournaments will include tennis singles and doubles, basketball, softball, handball, horseshoes, golf, badminton, table tennis and volleyball with the same stipulation.

Mixed groups will compete in tennis doubles and archery tournaments, with preliminary and final competition in the latter.

Leagues of four teams or more will be formed in softball for men, softball for women, and men's basketball and volley ball if sufficient interest is shown. Games will be played at 4 and 7 p. m. daily.

Summer Session students will also be asked to indicate interest in bike trips every Wednesday night, with breakfast trips July 12 and 26; hiking every Sunday afternoon, and horseback riding club.

Blue Key Will Tap Smoker Tomorrow Night

Blue Key, junior hat society, will tap new members Monday night. First assistant managers for the Spring sports, as well as cheerleaders, are eligible for membership.

A smoker for all prospective members will be conducted at the Sigma Alpha Epsilon fraternity at 7 p. m. tomorrow. Informal initiation is scheduled to start early next week, ending Tuesday, July 7. Formal initiation will take place Wednesday, July 8. The group is also planning a dinner-dance for the new members some time next month.

Rain May Halt Special Net Tilt

Inclement weather may force postponement of the tennis match between the varsity Lions and a special service team comprised of Naval Reserve lieutenants, scheduled to be played on the College courts at 2 o'clock this afternoon.

Although yesterday's steady downpour plus showers last night have turned the courts into a field of mud, they should dry sufficiently for play by noon today unless more rain falls, in which event the match would have to be postponed until a later date.

Leading the ensigns will be Lt. "Chuck" Reed, through whom arrangements for the tilt were completed. Lieutenants Freeman and Miller are also expected to start for the service team.

Coach Ted Roethke has not yet released a starting lineup for the Lions, but will probably add several sophomore newcomers in the double matches to give them some varsity experience. Herb Kraybill will move up to the leadoff spot to replace Cy Hull, who is out of town for the weekend.

Weather May Halt W & J Baseball Tilt

Condition of the New Beaver field baseball diamond will determine whether Washington and Jefferson meets the Lions at 2:30 o'clock this afternoon in the first home game of the Summer schedule.

Clear skies today could put the Penn State field in shape for the battle, but wet weather would make the ground too slippery for play.

Ideal weather during the past three weeks has given Coach Joe Bedenk's nine plenty of time to practice, although a large part of the squad is made up of sophomores.

For the first time in nearly a month, Whitey Pyer will hurl in a home game when he takes the mound against the Presidents. Last New Beaver field performance by Pyer was Memorial Day when the Lions downed Pitt.

George McWilliams will catch behind the plate; Jack Weber will handle first base duties, shifting Captain Bill Debler to the outfield; Dale Bower will probably start at second Whitey Thomas is carded for the short stop post; and either Gene Sutherland or Don Sandercock will direct third base traffic.
