

Women's Debating Schedule Includes Three Broadcasts

Schug Announces Freshman Squad

With three broadcasts scheduled over a local station, women's debating squads completed plans for a Summer program at a recent meeting, according to Clayton H. Schug, assistant professor of public speaking and women's debate coach.

"Women in the Army," "Women in Industry," and "War Marriages" are the three questions which will be discussed by varsity women over station WMRP, Lewistown, on Thursdays, July 30, August 6, and August 13. Mr. Schug, Paul R. Beall, and George R. Rice, of the public speech department, will direct the debates.

Freshman women on the squad will demonstrate their skill in the annual freshman tournament to be held soon. Each will be a defender with opposition from other team members.

The varsity squad will rate them and award credit points according to ability. The women with the highest score will win the tournament. C. Betty Friedman was the winner of last year's contest.

Debate question for the Summer is "Resolved: That all unmarried women between the ages of twenty and thirty-five should be conscripted for military service."

Varsity women include Sara M. Bailey '43, Evelyn R. Wilner '43, Harriette Block '44, C. Betty Friedman '44, Florence I. Jaffy '44, Margaret K. Ramaley '44, Mary L. Casanave '45, Ruth Clyde '45, C. Grace Goodline '45, and Roslyn B. Schnitzer '45.

Freshman women debaters chosen by Mr. Schug are Helen Barr, Betty Funkhouser, Dorothea Herrington, Teresa Kratochvsky, Gloria McDowell, Rochelle Meisel, Violet Mae Nagle, Mable Parks, Althea Schaeffer, and Elizabeth Zimmerman.

House To Check Value Of Defense Courses

To discover the actual benefits received from College defense courses, WRA House of Representatives will make a survey of coeds registered in classes last semester, it was decided at a meeting of the House yesterday.

Representatives will contact women in dormitories and sorority houses and ask questions covering the uses to which courses can be put; how beneficial they were; immediate uses; need and suggestions for new courses; and which courses were most popular.

Asking that reports from the survey be turned in at the meeting in 305 Old Main, at 5 p. m. Wednesday, July 29, Dorothy K. Brunner '44, House Speaker, announced that favorable results would mean a continuation of the courses.

Under the same system of contacting, the House will cooperate with a College committee to consider additional courses for women, Miss Nina M. Bentley, assistant to the dean of women and committee member, announced.

To offer the House's services for Victory Weekend, Jocelyn Walsh '44 was appointed to contact Leon Rabinowitz, general chairman.

Marjorie L. Sykes '43, WSGA Judicial chairman, reviewed the system of signing in and out in dormitories and blackmarks at the meeting.

Dancing Will Head Fun Night Events

Last of the Summer All-College Fun Nights will be held in Recreation Hall from 7:30 p. m. to midnight Saturday, according to Miss Marie Haidt, head of women's physical education. A crowd of over 1,000 attended a similar program last week, Miss Haidt announced.

Included in the program will be square dancing, round dancing, and other group games. There will also be a refreshment stand.

Schedule of Summer session women's bowling and badminton tournaments are posted in White Hall. Miss Haidt urges all participants to check up on partners and games immediately.

WRA intramural tennis games played yesterday show Ath East winner in two games over SDT with Sis Pelly downing Sylvia Millburg, 6-0, and Pat Aloe defeating Betty Aaron, 6-1. In golf AOPi and AEPi both received defaults, and Ath East's Adele Levin and Sis Pelly outplayed Thetas Jimmie Irwin and Perkie MacLellan, 2 and 1.

We, The Women Panhel Is Judge—Not Policeman; Big Sisters Are Aids—Not Rushers

Established on campus 15 years ago, Panhellenic Council has fostered cooperation with the administration and consideration of freshman and transfer rushees.

By Panhellenic Council we mean the 14 sororities which compose it, and this ultimately boils down to Greek coeds themselves.

Because of misinterpretations, more factual than rumored, we wish to point out that during rushing, a committee appointed by the Council functions as a judicial body—to judge the cases brought before it by its member sororities, to determine whether a rushing code rule has been violated, and to pass sentence in accordance with the violation.

We emphasize the fact that the Council is not a policeman, that it can not act unless a specific instance of violation is reported to it. For example, a hint or suggestion that party invitations have been issued in advance by some sorority will not be followed up.

A rumor started among sorority women is far more harmful than an open report to Panhellenic Council, and unless violations are reported immediately they will not be acted upon, stated Miss Mary Jane Stevenson, assistant to the dean of women and Panhellenic advisor.

Women students belonging to sororities who have been assigned or who have volunteered to assist in freshman orientation, took an unwritten oath to keep sorority pressure out of the picture. Panhellenic Council granted these students special permission to deal with freshmen during silent periods.

Panhellenic rushing code specifies that there shall be no breakfast, luncheon, dinner, or movie dates. Is it merely coincidence that many more sorority women are Big Sisters than independent women? Have sorority women taken advantage of the Big-Little Sister policy?

Again the code states that there shall be no dates made before 8 a. m. or after 6 p. m. and that social pledges shall not assist in rushing. More rumors?

If so, we hope that they fast disappear and that Penn State women continue to render service with a true spirit—of sincerity.

—S. L. H.

Third in a series of defense stamp sales will be conducted outside Atherton Hall dining rooms and in McAllister Hall lobby at 6:20 tonight, Miss Crossman reminds coeds.
