## Goeds Learm Ways To Can <br> \section*{rhirty-six coeds cooked with}

 ras last nightTo insure that students will have a working knowledge of food cononomics department sponsored a canning demonstration in the cooking laboratories last night.
Consisting of two sessions program opened with a lecture preriod last week. Miss Mildred 3. Larson, instructor of home cconomics, in charge of the lessons, gave an introductory tal on canning principles. Dr. War yen B. Mack, professor of vegetable gardening, supplied infor-
mation on vegetable storage, and mation on vegetable storage, and
two students demonstrated the pressure cooker and displaye ning methods.
Coeds gathered in two labora tories to study the three types of preserving. With tomatoes and lums prepared in a water bath, ed in a pressure cooker, and ap ple sauce canned in an open ket je, coeds learned essentials.
Miss Gilma M. Olson, instructor n home economics, and Miss Margaret E. Riegel, assistant professor of home economics and education, assisted Miss Larson

Symphony Orchestra To Give Concert
(Continued trom Fage Onel The second number will b Luovnore Overture No. 3 " by Bee Balzoni. Fourth number will be "A Night on Bald Mountain" by Moussorgsky. Fifth will be "Valse "Criste" by Sibelius.

## As the Kappas.

 Galmma Phis in semi-final the matches last week, they will enEage Ath East's team in finals at :30 tomorrow.Since archery, golf, and tennis ntramurals will have been completed by the end of the week, RA Intramural Board met las night to formulate plans for vol tart in August. Kappa Kappa Gamma will be ntertained by Phi Gamma Delta lawn at 6 o'clock this evening.

## We, The

## 'If A Thing's Worth Doing At All

It's Worth Doing Right'
It isn't only the hot weather precedented high number of stu that's to be blamed for students dents received below gradots, the droopy postures, tired eyes, and lack of pep. Bluntly speaking, The themselves are at raul They retuse to recognize that it physically impossible to con welve month college life on welve month basis.
Last Spring we shouted abou lowing down, about eliminating unnecessary activities. Even loud er were the shouts that our comments affected too few persons
to be worthwhile, that life should continue "as usual."
Echoes of our original shout eturn to point out that an un
majority of "sick" students are The easy explanation is to label The easy explanation is to label let it go at that. A more tuth ful comment might be that the trouble lies, not in the third semester as such, but in the way it has been misused.
Organizations squabble over available dates to schedule traditional events. If weekends are filled, they grab a week night. An obvious result is that daily memo pads are filled with activi-
ties, that studying is postponed, ties, that studying is postponed,
that students are declaring, "This is the last Summer I'll ever go to school. I'm tired!"
Unlike boys in training camps, who are also tired, students can call it quits.
Or they might stop to recognize a few realities: the accelerated program is a contribution to the war effort; relatively speakint,
going to college in the summer is going to college in the summer is
an easy way to help; fewer actian easy way to help; fewer acti-
vities should be scheduled with more thought.

IWA Elects Officers
To Fill. Vacancies
