

Cigarettes For Army Men Set As Greek Ball Admission

Panhel Considers Code Revisions

Men in khaki will again profit from Panhel Ball as, following the custom of last year's dance, each couple must contribute a pack of cigarettes for admission. Pan-Hellenic Council decided last night. The cigarettes will be sent to an Army camp.

The informal dance will be held at the Nittany Lion Inn from 9 p.m. to midnight Friday. All sorority women are invited to the dance, according to Betty Jane Haupt '43, dance chairman.

Suggestions for revision of the Panhel constitution were discussed at an executive board meeting last week under the direction of Miss Mary Jane Stevenson, assistant to the dean of women. The Council will vote on the suggestions at the next meeting, stated Pauline E. Keller '43, president.

CONSTITUTION REVISIONS

Under discussion were the following revisions:

Article 3, section 2—Every delegate shall be assessed a fine of 50 cents for non-attendance at a regular or special meeting, unless a substitute is provided.

Revision: Two alternates must be provided.

Clarifying this, Miss Keller stated that if a regular member misses one meeting and sends a substitute, not a regular alternate, the house will be fined 50 cents. If she misses two consecutive meetings a 50-cent fine will be imposed on the sorority. (No substitute, who is not a regular alternate on the Panhel roll book, can be sent to a meeting.)

Article 3, section 5—One delegate from each fraternity must have a written report at each Pan-Hellenic meeting as to any action and discussion that has been taken by her house concerning the material presented at the preceding Pan-Hellenic meeting.

Revision: Written reports are not necessary except for Panhel violations.

Article 4, section 2—The officers shall serve for a term of one college year. The president and vice-president shall assume their duties at the regular meeting in May, at which time the secretary and treasurer shall be elected. They shall assume their duties immediately.

Revision: President and vice-president will assume duties at the first meeting in the second semester.

Article 6, section 1—Amendments—Amendments of this constitution may be presented by any member of Pan-Hellenic Council at any monthly meeting. The amendments must be submitted in writing to the Council and cannot

be voted upon until the following month.

Revision: Amendments may be presented at any regular meeting.

Article 6, section 4—The committee on eligibility for initiation shall consist of four members—one delegate, two Pan-Hellenic advisors, and the dean of women.

Revision: The committee will include two delegates and one Pan-Hellenic advisor from the dean of women's office.

Article 9, section 2—Any club which desires to be affiliated with Pan-Hellenic shall have been in existence for one college year before becoming affiliated with Pan-Hellenic.

At the meeting, the subject of pledging women who are not enrolled in the College was discussed. Further discussion is to be brought up at individual sorority meetings, Miss Keller announced.

Carruthers Calls For 430 Big Sisters; WSGA House, Frosh Council Head Drive

Approximately 430 coeds will enter the College this Fall in need of Big Sisters, according to statistics from the office of the dean of women.

"All upperclass women interested in this traditional form of orientation are eligible to become sisters," H. Anne Carruthers '44, WSGA town senator, announced last night.

The project will be handled through WSGA House of Representatives and Freshman Council. Persons not contacted by these groups may fill in blanks for the purpose at the office of the dean of women. They may also get in touch with Miss Ruth

We, The Women
Wanted: 430 Coeds
To Be Big Sisters

While present freshman women are approaching the stage where they can answer questions as well as ask them, about 430 prospective coeds are beginning to ponder over college clothes, dormitory conditions and campus regulations.

Since the accelerated program occasionally proves confusing to even the most hardened senior and since Freshman Week has been slashed to three days, more and better Big Sisters will be needed.

Big Sisters are needed now to write letters to future frosh, letters containing introductions, information about rooming conditions, dances, rules, clothes, classes, and activities.

They will be needed in September to welcome the frosh in person, to show them about campus, and to guide them through the maze of orientation programs.

Of all WSGA activities, the Big-Little Sister program is most frequently attacked. We know that over-loyal sorority women have broken the spirit, if not the rule, of orientation activities. We know that many upperclass women do nothing more than sign the paper, agreeing to be Big Sisters. We admit that there are freshmen who resent attempts to help them.

But because the underlying idea is basically good, the Big-Little Sister program could be converted into a worthwhile activity.

It will cease being one of those ideas which might have worked when upperclass women realize that their help and advice is needed, when they forget personal loyalties and prejudices, when they make an effort to be real Big-Sisters.

However, before any of those can be accomplished, 400 women must fill out blanks with any member of WSGA House of Representatives and Freshman Council, or at the dean of women's office.

Forum Swim Party

PSCA Freshman Forum replaced its regular meeting with a swimming party in White Hall pool last night.

Kappa Alpha Theta recently initiated Gunnel O. Bjalme '45 and Cyrene E. Newcomb '45.

Deadline for signing up has been set for Saturday, the committee decided.

New students and upperclass women will indicate their courses, extracurricular interests, and religion, and from these the committee will match sisters. Assigned sisters are requested to write at least once before the frosh arrival and aid as much as possible in the first semester's orientation.

"A special need is cited this year for Big Sisters in technical courses since a large number of the entering coeds will register in the pre-medical, chemistry, biological and other scientific schools," Miss Carruthers pointed out.

Women who signed up but who were not assigned Little Sisters at the beginning of the last semester, due to the small enrollment, will be given them during this registration.

"Because large numbers of the new class will live in town dormitories, big sisters will be a greater aid than ever before; we ask your cooperation," Miss Carruthers emphasized.

Brunner Announces House Meeting Today

"All members of WSGA House of Representatives are requested to attend a brief but important meeting of the House in 318 Old Main at 5 p. m. today," according to Dorothy K. Brunner '44, WSGA vice-president and House Speaker.

Big Sister blanks will be given to House members to distribute to their respective dormitory units or sororities.

Miss Brunner announced that the map of nearby picnic sites prepared by three House members would be ready for distribution soon. Coeds who worked on this project were Geraldine A. Custer '43, Beatriée E. Smith '43, and Elizabeth Senft '44.

The House meeting planned for this afternoon will replace the one previously arranged for tomorrow.
