

Phys Ed School Stiffens Program For Fall Semester

Compulsory Upperclass Course Suggested

Plans for a greatly stepped-up and more vigorous physical education program are now ready for application beginning with the Fall semester according to Physical Education school head, Dean Carl P. Schott.

Whether this program will include required physical activity for juniors and seniors has not been decided. However, Dean Schott stated that he has sent letters to the other deans and administrative officials showing the need for such a program and suggesting that they consider whether or not these classes could be worked into the upperclass students' schedules to an advantage.

The Dean emphasized that the physical education school is ready to take on the extra responsibility and work which would be necessary if the other deans feel that this program of physical education for all men would be advisable.

Elective physical education, previously granted to students who had shown proficiency in the course, will be completely abolished according to the new set-up. Dean Schott also stated that the so-called "sugar-coated" games such as archery and badminton will be abolished from the activities available to classes.

"The emphasis will be on body conditioning and general physical improvement rather than game ability," Schott continued. He explained that classes this Fall will begin with eight or ten minutes of body conditioning exercises and will be concluded with runs over the new 175-yard obstacle course which is nearing completion this week. "We'll also have lots of hiking and running with work on the obstacle course used as a standard and norm for a students grade," the Dean stated.

Also recommended in Dean Schott's letters to the administration officials was the separation of hygiene from the required phys-ed course. He suggested that actual activity be required three hours per week for the regular one credit and that a hygiene course be required with an extra credit granted for it.

With the addition of the obstacle course to the physical education facilities Dean Schott stated that no additional equipment would be needed for the emphasized program. However, he declared that Rec Hall would probably have to be used for 8 a. m. until 5 p. m. in order to accommodate all the classes.

In regard to the use of the new course the Dean stated that time trials over the run will be conducted every three weeks. "These will be to test the students strength, endurance, speed, and agility; qualities which will be necessary to run the course," he said.

DR. CARL P. SCHOTT

STIFFENS COURSE—Dean Carl P. Schott announced last night that the required physical education program for sophomores and freshmen will be toughened, beginning with the Fall semester. He also stated that he has communicated with all other deans and administrative officials suggesting a required phys ed course for upperclassmen.

College 'World Series' Begins Next Tuesday

Penn State's own world series, matching the winners of the two big softball leagues, will get under way on the golf course diamond, Tuesday evening at 6:15.

The game will be a clear test of Phi Delta Theta batting prowess versus the heretofore invincible fast ball pitching of Art Borsa, for four years star twirler for the Canal St. Firehouse. Borsa has tasted defeat only once in these four years in an exhibition contest with Delta Upsilon.

Netmen Trounce Navy Reserve, 6-0

Playing their long-awaited match with the Naval Reserve Officers stationed here, Coach Ted Roethke's varsity netmen coasted to an easy 6 to 0 triumph over the latter in an abbreviated 6-match contest on the College courts yesterday.

The match was a playoff of the contest originally set for July 11, which had been postponed because of rain.

Getting off to a fast start, Captain Cy Hull had little difficulty in trouncing Freeman of the Naval Reserve in straight sets, 6-0, 6-0. At the second position, Herb Kraybill duplicated Hull's feat by toppling Miller without dropping a game, 6-0, 6-0.

Dick Armbrust encountered the most trouble in Reed of the Naval Reserves, who extended him to twelve games in their opening set before faltering by a 7-5 count. Armbrust took the second and final set by an easy 6-3 score.

In the last singles match Stan Spurgeon put on a fine display of tennis in halting Webster in straight sets, 6-2, 6-0.

In doubles Hull and Spurgeon combined to halt Miller and Webster of the Reserves by 6-1, 6-2 counts, while Kraybill and Armbrust defeated Reed and Hausechild, 6-1, 6-4.

Saturday the Lions will appear in a return match with the Faculty team at 2 p. m. on the varsity courts. The Roethkemen are favored to repeat over the faculty by virtue of their 10-5 triumph in their first meeting last month.

The Lions closed their regular Summer schedule with a brilliant 8-1 win over Cornell.

Irvin Hall Beats Frosh Nine, 9-6

A powerful nine from Irvin Hall proved too much for Coach Leo Houck's freshman baseball squad last night as they dropped their second game in three starts by a score of 9-6 on the New Beaver Field diamond.

Ahead only once during the game, in the first inning when they were leading by one run, the novices racked up six crucial errors, allowing the dormitory squad to add to their scoring.

The Irvin Hall diamondmen took freshman Fred Shaw, who pitched for the first time this season, for ten hits and three free passes, which, together with the errors committed by the Houckmen, gave them the game.

Best performances for the yearlings were turned in by Shaw, who hit a double and a single in three times at bat, scored one run, put out seven men and stole two bases; first baseman Wayne Kreidler, who slammed out two doubles in four times at bat, scored a run and made seven putouts, too; and Jack Gracey, "hot-corner"

man, who scored two runs and stole three bases.

For the dormitory team, outstanding playing was registered by third baseman John Bennett, football varsity man Aldo Cenci at first base, Bill Grimes, center fielder who hit a triple and a single in four tries, and catcher Dave Kintzer who smacked two safeties.

The box score:

Irvin Hall	ab	r	h	o	a	e
