

IM Tennis

Taking an easy 6-1, 6-3 victory over Christensen moved Larry Rosenfeld into the semi-final bracket of the IM Independent singles tennis tournament, last night. Rosenfeld will be forced to defeat Dick Adams tonight if he expects to go to the finals since he has lost one match so far.

Since the tournament is being conducted under a double-elimination system, every entrant must lose twice before he is finally out of the running.

In one-sided matches early yesterday afternoon, three Phi Delta entrants also moved closer to the finals by eliminating weaker opponents. Doug Purdy yielded only two games to Fred Grun and made short work of the Theta Chi entrant with a 6-0, 6-2 victory.

Tom Culp's win over Art Reese was also unimpressive, play being completely dominated by Culp. The other one-sided match was the Scheirer-Yeagley 6-1, 6-1 victory over Ard-Parker.

Independent play yesterday proved much more active with the favored doubles team of McGill-Yerger defeating a highly rated Adams-Vargo combine. Play was carried to three sets before the tournament favorites finally won, 8-6, 3-6, 6-2.

Presbyterians Rally To Tie Frosh Diamondmen, 7-7, In Abbreviated Tussle; Fraternity All-Stars Battle Champion Canal St. Firehouse Team Today At 5:15

Greeks Will Attempt To Stop Borsa's Streak

The curtain will be drawn on Penn State's regular softball season tonight when a picked group of fraternity stars goes out to do battle with the All-College champions, the Canal St. Firehouse of the Independent league. Hostilities commence at 5:15 p. m. on the golf course diamond.

Following the straight game victory of the Canal St. Firehouse in their two out of three game series with the fraternity title holders, Phi Delta Theta, is generally conceded that the champions had too much on the ball for even the best of the fraternity squads. Therein was born the idea of a fraternity All-Star team.

The superiority of the Firehouse rests, to a large extent, in the whip-like right arm of Art Borsa, for four years the most sensational and almost consistently victorious hurler in the Independent league. Art has been unbeaten in four years of league play and has lost but one exhibition game in that time, that one to Mike Kerns who will be on the mound for the All-Stars tonight.

Mike hasn't been quite so effective against his opponents in fraternity Section 1, however, losing games to Tau Kappa Epsilon and Phi Igamma Kappa. Catching Kerns will be Smith, outstanding receiver from Phi Delta Theta. On first will be Germain, Phi Igamma Kappa, six feet and some of first base coverage; on second, Cleeland, a season-long Delta Upsilon standout; and rounding out the infield, Qualey and Moriarta, who stood out in Phi Delta Theta's drive to the fraternity crown.

Phillips, Phi Delta Theta, who has had some success in hitting Borsa; Baldi, Delta Upsilon captain; Scott, Phi Sigma Kappa leadoff man; and Dickson, heavy Tau Kappa Epsilon hitter, will complete the lineup.

Manager Silan will start the same lineup that copped the All-

State Booters Win Second Inter-Squad Soccer Competition

For the second time in as many weeks, the "Out-of-State" soccer team met defeat in the hands of the "State" squad when they lost 2-0 last night.

Both points were scored by alumnus All-American Bob Schuler. Although both teams were well-matched Schuler's finesse proved too much for the Out-of-State squad.

Coach Bill Jeffrey, who officiated the match said that the intra-squad game marked the discontinuance of soccer practice until Tuesday, September 8.

College title for the Canal St. Firehouse. This lineup includes: Freeman, catcher; Williams, left field; Borsa, pitcher; ilan, shortstop; McFarland, short field; Gales, first base; Tremarchi, right field; Grego, center field; Apt, third base; and Rabinowitz, second base.

Between The Lions

With DON DAVIS

It Sounded Great

Something's bothering us. You remember all the talk about the great need for required physical conditioning of the junior and senior classes and how well things seemed to be moving in that direction. You remember how Dean Carl P. Schott of the Phys Ed School expressed his approval of the plan and stated that the Phys Ed School was ready for the job; that the only thing holding up the realization of such a conditioning program for this Fall semester was the assent of the other deans. To find out the opinion of the other deans, "feelers" were sent out. Well, these "feelers" have been returned and, according to Dean Schott, are in agreement with the plan.

Something New Added

From that little summary of the situation it would appear that everything was all set; that this Fall would actually find upperclassmen, as well as lower classmen getting in physical shape to fight this country's war.

But that is far from the case. It seems that now a new objection has been brought up; one that was not mentioned before. It seems that there is not enough locker space in Rec Hall. Plenty of instructors, but not enough locker space.

Without doubt this is a valid objection to the enlarged physical fitness program. BUT WHY WASN'T IT BROUGHT UP WHILE THERE WAS STILL TIME TO DO SOMETHING ABOUT IT?

Now we don't know just what can be done about such a problem; whether more lockers can be purchased or not. But we do know and repeat that it is vital for Penn State's upperclassmen to be receiving physical conditioning along with academic work in preparing for the task ahead. We say it is more important than the conditioning of freshmen and sophomores. THE UPPERCLASSMEN ARE THE ONES WHO WILL FIGHT FIRST!

Stymied—But—

It is very unfortunate that this physical handicap of too few lockers is going to stand in the way of a four class conditioning program this Fall. But if there just aren't enough lockers we are logical enough to see that the plan may have to be abandoned for the time being. But not for long! Let's get those lockers and anything else that's lacking now. THE WAR WON'T WAIT!

Churchmen Overcome Early Yearling Lead

Coming back to have another try at Penn State's freshman baseball team, after losing their first encounter with the yearlings, 9-8, the Presbyterians of the State College Church League scored one run in the seventh inning to tie the score, 7-7, on the New Beaver Field diamond last night. The game was called after the seventh frame because of darkness.

Coach Leo Houck's squad took the lead in the first inning when four of his men crossed the plate. The Frosh scored again in the second as they tallied once and in the fifth when three runs were racked up.

Jack Berlin, star hurler, again turned in a bang-up game as he hit two safeties for three times at the plate, and struck out five Presbys, while only giving one free pass and eight hits. Other freshmen who played outstanding ball were Lou Lanni, who for the second time in two games went in as pinch-hitter and slammed a double into right field, Jack Gracey, third-baseman, who scored three runs in four times at bat; and center-fielder Wayne Kreidler, whose fine fielding saved the '46 diamondmen from many rallies on the part of the Church League team.

A bit of novelty was injected into the game as agriculture professor Bill Hall, coach of the Presbyterians, entered it in the second inning and played for the next five frames. No youngster, Prof. Hall proved an able man as he meted out a fielding average of 1.000.

Tonight, the freshman team will meet the sophomores of the varsity baseball nine in their last match of the current season. The game will start promptly at 5:30 p. m. on the New Beaver Field diamond.

The box score:
