Stimson Explains **Earlier Statement** On AER Status

PRICE: THREE CENTS

Elaborating on his September 10 statement which predicted the calling of all or many members the Army Enlisted Reserve to active duty at the end of the current college term, War Secretary Henry L. Stimson advises college men in the AER to "proceed with their studies until they are called to active duty."

In a special letter to the American Council on Education Stimson qualifies his statement with the following assertion:

". . . I announced that college with leading New York booking students who are members of the agencies were made yesterday, the Army Enlisted Reserve will all or co-chairmen stated, in order to in- for the most part be called to acsure an early start in the efforts tive duty at the end of the term to secure the tops in name bands now beginning, and thereafter, as they reach selective service age.
