

Intensive Rushing To Begin Monday

Panhel Announces 28 Informal Party Dates

Sorority rushing will go into a final intensive program for the semester as formal rushing begins at 9 o'clock Monday morning. Free association will continue from 9 a. m. to 6 p. m. daily, Monday through Thursday.

Strict silence will be enforced until Monday morning, Pauline E. Keller '43, Panhellenic Council president, reminded Greeks and rushees.

Beginning Monday, all rushing will again be on the "Dutch treat" basis as in previous free association periods, Miss Keller stated. Breakfast, luncheon, and dinner dates will be forbidden.

During the period of formal rushing next week, each sorority will hold two informal parties from 6:30 to 8:30 p. m. or from 6:45 to 8:45 p. m. Sororities scheduled to entertain Monday evening, as announced by Beatrice M. White '44, Panhel rushing chairman, are Alpha Chi Omega, Alpha Epsilon Phi, Alpha Omicron Pi, Alpha Xi Delta, Gamma Phi Beta, Kappa Delta, and Zeta Tau Alpha.

Additional party dates are Tuesday—Chi Omega, Delta Gamma, Kappa Alpha Theta, Kappa Kappa Gamma, Phi Mu, Sigma Delta Tau, Theta Phi Alpha; Wednesday—Alpha Omicron Pi, Alpha Xi Delta, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, Zeta Tau Alpha; Thursday—Alpha Chi Omega, Alpha Epsilon Phi, Chi Omega, Delta Gamma, Kappa Kappa Gamma, Phi Mu, Sigma Delta Tau, and Theta Phi Alpha.

Miss Keller said all sororities entertaining Monday must have invitations checked by Miss White at the Phi Mu house, or by Miss Keller at the Alpha Omicron Pi house, from 2 to 3 p. m. Sunday. Checking deadline for houses holding parties later in the week will be 4 p. m. the day preceding the party at Student Union.

Freshman and transfer women are urged to reply to party invitations by telephone as soon as possible, Miss Keller said.

Formal coffee hours from 2 to 3:30 p. m. and from 3:45 to 5:15 p. m. Saturday will climax the rushing season. Written replies to coffee hour invitations will be required and will be due at Student Union at 4 p. m. Friday.

Another strict silent period will go into effect at 5:15 p. m. Saturday and continue until sorority women get their new pledge lists Sunday afternoon. Ribbing exercises will take place at that time.

Ray Cautions Coeds On Weekend Emphasis

With IF Weekend further filling an already crowded Fall calendar, Miss Charlotte E. Ray, dean of women, gave a word of caution yesterday to all coeds, and especially to freshman women who are unused to "big weekends" at Penn State.

Miss Ray, in commenting on the weekend said, "Coeds who want to show what they can do in our physical fitness program have a chance this week. The woman who can come through IF Weekend with no loss of sleep except two hours on Friday night, then can be rested and well prepared for Monday's classes, is a better prospect for defense work than the one who thinks that recreation wears one down."

Tennis Partners Named In All-College Tourney

Tennis partners matched for next week's All-College tennis tournaments include Nancy Hodgson and Betty Creswell, Betty Pike and Helen Orange, and Carolyn Crooks and Shirley Mills, according to an announcement made last night by Grace L. Judge '44, WRA intramural chairman.

With today the last for interested persons to complete their required six practices in preparation for interclass hockey games, Miss Judge reminded women that they should secure medical permits from the College Dispensary by tomorrow. Permits should be handed in at the White Hall office.

Third White Hall open house is scheduled for tomorrow night with WRA bowling club acting as hostess, it was announced.

254 Women Workers Earned Board, Room During Past Year

Employed by College and town officials, 254 coeds of the approximate 1,000 enrolled in the College during the year 1941-42 were "working their way through College."

According to a recent women student employment survey, issued annually through the office of the dean of women, coeds have taken jobs in ten types of employment with total compensation for the year amounting to \$31,925.39.

NYA work heads the list with 116 employees while housework in private homes offers compensation to 36. Twenty-nine are attracted to library work and 22 work in the capacity of town and campus dormitory checkers. Concessions in coed houses and dorms are held by 17 women students.

The survey showed that 11 coeds are waitresses in downtown restaurants and 21 are divided equally in part-time housework and caring for children, stenographic work, and in miscellaneous sales positions.

Two women act as student assistants to the dormitory hostesses to work with freshman women, it was recorded.

Board Plans Rally For Transfers

Powell Urges Coeds To Obtain Handbooks

Plans for a pep rally for transfer women were made at yesterday's meeting of WSGA Junior Service Board.

Purpose of the rally, which is scheduled for Tuesday, 'October' 13, is to teach College songs and cheers, as requested by new students.

Transfers are urged by Mary Jo Powell, Service Board chairman, to obtain student handbooks at the PSCA office, third floor Old Main, as songs, cheers, and Penn State traditions, are all included in them. Place and time of the meeting will be announced later, Miss Powell said.

Service Board members discussed ideas for entertaining transfers at a pajama party in Watts Hall. Further plans will be made after consulting officers of the transfer dormitory.

Miss Nina M. Bentley, assistant to the dean of women urged Junior Sponsors to stress the necessity for quiet and study, importance of participating in activities, dining room etiquette, and manners and dress.
