

Lacrosse Manager President Of Phi Ep

Phi Epsilon Pi—When Phi Ep was established at Penn State on February 14, 1914, Jacob Miller was one of the prominent charter members. A boarding house on E. Fairmount avenue served them until they built their present house in 1925.

President of the house is Laibe Kessler, who also manages the lacrosse team. Other active Phi Eps are Alan Moses, who is the football manager, and Marvin Nathan and Herbert Hershfield, who are on the varsity swimming team.

"Work to win today! Win to work tomorrow!" is the effervescent motto of Joseph S. Finch & Company, Inc. of Schenley, Pa.

Lions, Bisons Finish Preparations For 32nd Meeting of Grid Series

Lions 'Taper Off' In Practice Session

Non-contact work replaced scrimmaging in last evening's football practice, as Coach Higgins and assistants put their gridders through intensive pass defense and offense work in preparation for tomorrow's Bucknell game.

Although Higgins has not yet announced his starting lineup to meet the Bisons, indications at present are that the opening whistle will find veterans Van Lenten and Bob Davis holding down the end posts. "Big Mike" Kerns and lanky Ken Schoonover will be at the tackle spots. Highly touted Johnny Jaffurs and his running mate, Bob Perugini, will be at the guard positions, with Senior Lou Palazzi at center.

Aldo Cenci will be at the number two back position (probably for the full 60 minutes), and Cliff St. Clair, the only sophomore in the starting lineup, will be at wingback when the whistle blows. "Sparky" Brown and Jack Banbury will round out the backfield at tailback and fullback respectively.

Commenting on the Bisons, whom he saw in their Lebanon Valley tilt last weekend, Bob Higgins stated: "Humphrey has another one of his scrappy little outfits. They have always been great on the defensive, and it looks as if they'll give our backs plenty of trouble this time."

The veteran mentor, who will be pitting his team against a Bucknell foe for the 13th straight season, refused to make any predictions on the outcome of the game. He did, however, admit that the Bison "lacked a really strong scoring threat."

Although Bucknell always comes to State College "loaded for lion," most of the experts are picking the Lions to win by two or more touchdowns. They base their predictions on the fact that the Bisons were unable to score on little Lebanon Valley although they outplayed the Flying Dutchmen to the tune of 24 first downs to none.

Meanwhile Higgins is faced with the loss of four gridders who will be on the sidelines tomorrow with injuries.

The injuries of Larry Schellhamer, reserve to Cenci at the number two back position, has left that department sadly depleted of substitutes.

All fraternities that have been notified about the time to meet at the Photo Shop for La Vie pictures are urged to report promptly at the denoted time.

Bucknell Back

Al Magagna, outstanding Thundering Herd tailback, will find extra duties confronting him when the Bison invade New Beaver Field Saturday. Magagna will play the safety position on defense, as well as doing most of the offensive running and passing. He formerly played a defensive fullback position.

Galbraith Calls Swim Candidates

With possibilities shaping up to make Penn State's varsity swimming team one of the best in the history of the aqueous sport, Coach Bob Galbraith has served notice that candidates may still come out for the squad. Freshmen and upperclassmen interested must first get a physical exam at the dispensary and then report to Coach Galbraith.

Already with 35 freshmen getting the "feel of the water" in informal conditioning workouts, the swim mentor announced that starting Monday outdoor caesthetics will get under way to toughen the candidates and put them in the pink of condition physically. Should any students wish to "go out" they are asked to be in front of Rec Hall at 4:15 p. m. Monday.

Although the Lion splashers lost the services of Clyde Bell, captain and star of last year's frosh team who withdrew from school, the addition of several former scholastic champs will bolster the squad roster a great deal, "Gal" added.

Given quite a write-up in the Pittsburgh papers when he announced his intention of coming to Penn State, Bob Cowell is perhaps the standout attraction of the now-eligible freshmen. Cowell holds the national junior AAU 100-meter backstroke record which he set while in high school.

Freshman Rick Loung, interscholastic diving champ, and Bill Juve, another high school star, will also be on hand to aid Coach Galbraith whip out a winning aggregation.

Then, of course, members of last season's varsity led by Capt. Johnny Miller and Dick Wesner in the distances and Mike Nockett and Shoffet on the spring board, will be right in there chalking up their share of the points.

Even though the swimsters face no inter-collegiate rivals until January, the boys will keep in top form by intra-squad contests, John E. Csaklos '44, manager, announced.

Bison Coach Releases Tentative Line-Up

Special to The Collegian LEWISBURG, Pa., Oct. 1.—Bucknell's Bisons, on edge for their traditional game with Penn State Saturday, today tapered off in their heavy contact practice work. Coach Al Humphreys has indicated that approximately the same lineup that answered the whistle last week against Lebanon Valley will start the Lion fray.

Only at the wingback position where Felix Siezega, Don Nesselbush, and Mickey McConnell are fighting it out for the starting nod, is Humphrey uncertain.

Siezega is a 165-pound freshman who did surprisingly well last Saturday. However, his lack of experience may keep him out in favor of Don Nesselbush, 160 pound sophomore, or speedy Mickey McConnell, another sophomore that tips the scale at 170.

Al Magagna, talented junior tailback will again be Humphrey's choice at the left half position. Magagna is not only the chief Bison running threat, but he also does most of the team's passing.

At least two sophomores will be on the field to meet the initial Lion attacks. Denton Brown, 185 pound guard, and Elting Johnson, 190 pounds of fullback will be the sophomores to see action.

Leading the Thundering Herd will be Co-Captains Bill Anderson, and Steve Sokol from their guard and center positions respectively. Anderson is the stocky 180 pound guard that played havoc with the Lion's offense in the early stages of last season's encounter. Sokol, an outstanding defensive center, weighs in at 185. Humphreys will probably start veteran Len Miller, junior letterman, at the right terminal and Junior Gene Mathews at the left end spot. Both terminals hit the 185 pound mark.

Two veteran lettermen, Tom Rodgers and Walt Szot, will get the nod at the tackle positions. Rodgers is the biggest man on the

Harriers Shaping Into Winning Form

With the opening meet of the season still more than two weeks off, Coach Werner's varsity cross-country squad is fast shaping into winning form.

Lead by Captain Norm Gordon and two other returning lettermen, the varsity harriers head into a tough season consisting of three duel meets, the ICAAA meet in New York City, and the National Collegiate tourney.

Curt Stone and Mac Smith, both junior harriers, are returning from last year's seven that placed second in the National Collegiate meet.

Smith is recovering from grippe and will not be running for a day or two.

The harriers will run against time for the first time today. The varsity aspirants will run four miles and freshmen hopefuls will take a shorter two mile distance.

The pace for these distances will be set by the seventh man, who is the last man on a regular team. Other members of the teams will urge the seventh man on and thus bring the whole team to the finish line in a better time.

Addition To Dean's List

Omitted from yesterday's Engineering School dean's list was Leonard Joseph, mechanical engineer.

squad—a mere 215 pounds, while Szot only misses the double century mark by a few pounds.

Chet Podd, senior, letterman who has played at every backfield position, will be the Bison's signal caller. The veteran quarterback will be starting his second season as a regular.
