

# Pi Kappa Phi Wins Gridders Polish Offensive Flaws In Extra Period; In Scrimmage Prep For 'Big Red' SPE Victorious

Individual brilliance was the order of the day in two intramural football victories last night while steady team play was responsible for the other as Pi Kappa Phi squeezed out a freak overtime win from Gamma Sigma Phi, Phi Kappa Sigma conquered Phi Kappa Tau, 7-0, and Sigma Phi Epsilon chalked up two first downs to Alpha Sigma Phi's one.

## Pi Kappa Phi vs. Gamma Sigma Phi

Headwork won this one for Pi Kappa Phi. Following the regulation game, with the score knotted at 6-6, each time was given four downs for yardage. The Gamma Sigs lost 10 yards in their four tries. Pi Kappa Phi then ran their four plays straight into the line, lost a few yards, but came out with several to spare and a hard won victory. Posner's running and Hanin's passes, one of which traveled 45 yards in the air for a score, were outstanding for Gamma Sig. McIlvain scored for Pi Kappa Phi on the end of a 40-yard triple pass.

## Phi Kappa Sigma vs. Phi Kappa Tau

A one-man Phi Kappa Sig team in the person of Art Wedge ran, rather than passed, to a 7-0 victory over Phi Kappa Tau. Wedge dodged, pivoted and simply outran opposing linemen in reeling off gain after gain. Wedge took a reverse from the Phi Kappa Sig safety man, following a Phi Kappa Tau punt to midfield, and ran through a broken field 47 yards to the three. On three plays the winners were pushed back to the 20. On fourth down Wedge again took the ball and sprinted for the goal-line and six points.

## Alpha Sigma Phi vs. Sigma Phi Epsilon

In a game in which neither team was able to seriously threaten their opponent's goal line, Sigma Phi Epsilon topped Alpha Sigma Phi, two first downs to one. Here again a runner provided the margin of victory when SPE back Fidati sprinted 30 yards for a second half and decisive first down.

Tonight's schedule finds Chi Phi meeting Kappa Sigma, 7:30; Delta Chi vs. Theta Kappa Phi, 8:10; Alpha Zeta vs. Lambda Chi Alpha, 8:45; and Sigma Nu vs. Alpha Phi Delta, 9:25.

## Dairy Show Cuts Annual Catalog

"In accordance with All-College Cabinet's recent ruling to curtail all unnecessary activities, we are eliminating a number of non-essential features in this year's Dairy Show," Howard J. Merrill '43, manager of the 20th Annual Penn. State Dairy Exposition, stated, as he announced that there would be no catalog for the show this year.

The exposition was scheduled to be held last May, but because it would have conflicted with graduation has been changed to October 31. Also it gives the present juniors another opportunity to participate in a dairy show.

Sponsored by the Penn State chapter of the American Dairy Science Association, the exposition is open to all freshmen, sophomores, and juniors.

Many prizes, medals, and cups, donated by individuals and organizations interested in dairy improvement, will be awarded for fitting and showing dairy cattle and clean milk production and judging. Superintendent of the clean milk production and dairy products judging contest is Martin L. Miller '43.

## Mystery Of Nittany Lion Naming Will Clear When Alum Returns To Tell Of 'Brain Child'

African lions and mountain lions are listed in Webster's dictionary, but no mention is made of the famous Nittany Lion, sports symbol of Penn State.

Students and alumni alike are as familiar with the Lion as with Old Main tower as a representation of the College, but the story behind its naming is a mystery to most Penn Staters. The little-known story will be told at the dedication of the Lion Shrine Saturday, October 24, at Alumni-Dad's Day Weekend, according to Edward K. Hibshman, executive secretary of the Alumni Association.

## Snavely Will Start All-Soph Backfield

Knowing that a lot of improvements are in order if they expect to make Cornell's Big Red football team victim number three, the Nittany Lion gridgers staged a lengthy scrimmage last evening in order to iron out some of their offensive weaknesses.

St. Clair, Van Lenten, and Johnny Wolosky returned to practice from the injured list. All three should be ready for Saturday's fray although Wolosky may need another week to get his injured knee in condition.

An addition was made this week in the varsity squad roster, when Bobby Williams, the 165-pound tailback who led the Jayvee squad to its victory over the Cornell Jayvees, was promoted to varsity status.

Special emphasis was placed by Higgins in blocking by members of the backfield—a sore spot in the Lion's offensive efforts against Bucknell and Lehigh.

In Saturday's tilt with Cornell, The Higgins' crew will face a team that has yet to prove themselves. Having lost to both Colgate and Army, 18-6 and 28-8 respectively, after winning its initial game with Lafayette, the Big Red is "past due."

### All Soph Backfield

Coach Carl Snavely, Cornell mentor, will probably start a first team backfield of all sophomores. Big gun in the offense is Walter Kretz, hard running halfback, who does most of the running and all of the passing. Teaming up with him at the other halfback position is Chuck Robinson, stocky negro speedster. Jack Saylor, blocking back, and Winfred Wright, 195-pound fullback, complete the all-sophomore backfield.

### Three Veteran Linemen

Only Senior Russell Geib, left guard, Meredith Cushing, junior center, and Roy "Red" Johnson, who succeeded Kenneth Stofer as Big Red captain, remain from last season's first team.

Captain Johnson, an end, teams up with Fred Westphal at the terminal position. Westphal, a sophomore, needs experience.

Cornell is well fortified at the tackle position with six huskies who tip the scales at better than 200 pounds. Jarl Swanson and Frank Paul are Snavely's choice as tackle starters, with Bob Anderson and Whitney Doe both expecting to see action against the Lions.

### Lacks Pass Defense

It is reported that the Ithacans are, like the Lions, weak on pass defense. If the report is true, Higgins may find reason to use pass-tossing Joe Colone extensively. However, Snavely has a line that averages over the 200 pound mark and a backfield that outweighs the Lion backfielders—withstanding Cenci—by five or six pounds.

## . . . He Runs

Walter Kretz is the big offensive gun in the Cornell backfield. Kretz, a sophomore, was the main cog in the Big Red's only victory so far this year—a 20-16 victory over Lafayette.

## Brown's 6.2 Average Leads Lion Backs In Yardage

A breakdown of the statistics of the first two games against Eucknell and Lehigh shows that "Sparky" Brown has averaged over 6 yards every time he has toted the ball.

Brown's closest competitors for ball-carrying honors are Bob Weitzel and Jack Banbury who both did so well at line plunging against the Engineers Saturday.

The following statistics are exclusive of pass plays, kickoff and punt returns—only running plays from scrimmage are included.

	Times	yards	net

## '46 Harriers Look Good In Trials

With their first track meet ten days away, the frosh harriers were put through time trials yesterday in an effort to determine how they would shape up for competition this fall.

Mitchell Williams, brother of varsity runner Rufus Williams, turned in the good time of 16:01 for the three-mile grind, followed by Bernard Rudnich and Bob Handwerk, who tied for second place in 16:02.

The first eight runners to finish the trek came in under the 17 minute mark, which is exceptionally good time for initial time trials. Yesterday's practice run was the first after weeks of intensive practice.

Following Rudnich and Handwerk, who tied for second, Dave Carlton, 16:16; Tom Scott, 16:22; Tom Madigan, 16:26; Don Harris, 16:42; Richard Kuhn, 16:43; Earl Youtz, 17:09; Russell Teall, 17:26; William Wills, 17:27; Bryce Stone, 18:12; and Dick Lose, 18:16, finished respectively in that order.

Although Coach Chick Werner will not use freshman harriers in varsity competition this year, it is expected that the frosh will show well against their opponents.

The frosh schedule opens October 24 against Syracuse at State College. They will tackle Cornell at Ithaca, November 7, and finish the season in New York City, November 16, when they compete in the IC4-A contest.
