

Colgate Gridders Practice In Bellefonte; 16 Booters Leave For Syracuse Game

Game Will Be Stiffest Yet For Jeffreyemen

Coach Bill Jeffrey and 16 Penn State soccermen leave today at 8 a. m. for Syracuse where tomorrow morning at 10 they meet the Orange of Syracuse University in what promises to be the toughest game yet for the booters who have won their first three games handily. Making the trip will be Johnnie Struck, goalie; Captain Hap Freeman, Bill Deitrich, Frank Black, fullbacks; Dean Hartman, Boyd Eppers, Sammy Schure, halfbacks; and Paul Bender, Bill Prichard, Jose Lombana, Charley Lischer, Smiley Williams, Max Chenoweth, Walt Wozniak, Bobby Fast, and Frank Clase, forwards.

Allen Heck, veteran fullback, who saw action in last Saturday's Colgate game, will remain at home. The old leg injury which he received over a month ago bothered him again this week and has put him out of action for an indefinite time. Heck was counted on greatly to strengthen the Jeffreyemen.

Boyd Eppers was also on the injured list this week. The veteran halfback injured his leg in one of the scrimmages and did not report for several recent practices. However, he has sufficiently recovered and Coach Jeffrey expects to start him in tomorrow's tussle.

Last year the Lions defeated Coach Arthur Horrocks' Orangemen, 4-0, for their 64th consecutive game without defeat in their streak of 65. This game, played on New Beaver Field, was featured by the Jeffreyemen's defensive play which bottled up every Syracuse attempt to score. Tomorrow the Blue and White will be out to add another game to their new undefeated streak which now stands at five games.

The team will travel to the New York town in private cars. Making the trip also will be Soccer Manager A. Edward Leitzinger '43 and Robert L. Galley '44, first assistant manager.

KD's Honor Founders

Kappa Delta will celebrate Founders' Day with a formal dinner at the Anchorage Coffee Shop at 6:30 today. A ceremony in honor of the occasion will be held at 5:30, according to Mary Roberts '43, president.

6th In Defense!

A mid week release from the American Football Statistics Bureau, official NCAA accounting department, shows that the Nittany Lion football team is ranked sixth among the nation's gridiron teams in total defense, and fifth in passing defense.

The Lions have allowed three opponents an average of only 101 yards per game in total yards gained, and only 27.7 yards through the air. Only major team appearing above the Lions is Alabama's Crimson Tide.

Penn State Club Defeated 13-0

Play in the Independent intramural league got under way last night when Fairmount Hall nosed out Miller Club, 6-0, Lion Club scored two touchdowns to defeat last year's Penn State Club champions, 13-0, the Ceramists ran up a five to two advantage in first downs over Pioneer House, and the Unit Club defeated the Auclub, 7-6.

Despite the ambitious use of the Notre Dame shift by the Penn State Club, last year's champs were beaten 13-0 on the passing and running of Chuck McGill. On the last play of the first half, McGill tossed to Beattie for a 40-yard touchdown. The same combination also scored the second Lion Club touchdown in the second half.

Climaxing a 40-yard drive with Etnier passing to Frasso in the end zone enabled Fairmount Hall to top the Miller Club, 6-0.

For the Ceramists it was Bachman and Reagan running and passing for five first downs that provided the margin of victory over Pioneer House.

Although trailing in first downs, a successful conversion following the Unit Club touchdown that scored from Eshmont's interception, lateral to Sypniowski, back to Eshmont, was enough for a 7-6 victory.

Phinney Replaces Hanover At Halfback

SPECIAL TO THE COLLEGIAN

BELLEFONTE, Pa., Oct. 22.—Coach Andy Kerr and 55 members of his Red Raiders junior varsity and varsity football teams arrived here tonight where they will rest and practice in preparation for Penn State's Nittany Lions, whose den they will invade Saturday.

The only anticipated change in the Red Raider varsity lineup will find Ed Phinney, replacing injured Al Hanover at the left halfback position. Phinney, rated as the hardest runner on the Raider squad other than Mike Micka, fullback par excellence, has been a steady alternate at the tailback position all year. He is the best punter on Kerr's squad.

Coming back strong after a disappointing 1941 season, the Chenango charges of Coach Kerr this year are making a determined bid to avenge some of the drubbings they have suffered during the recent years of Colgate football decline. After last week's drubbing at the hands of the Duke Blue Devils, the Raiders are anxious to make the Lions victim number three.

After the graduation of seven star performers from the 1941 team, the early season loss of Captain Warren Anderson, and his running mate at the end positions, Earl Hamilton, created a serious shortage of wingmen.

Much has been written of the Colgate backfield of Micka, Fox, Yakapovich, and Hanover, and their capable reserves, Phinney, McQuade, Clifford, and Williams, but Kerr also has a fast, tough line which has performed creditably in the first four games.

"Iron-man" John "Red" Greer, rangy 200-pounder, has played almost 60 minutes of every game, and leads the line from his pivot position.

Flanking Greer at the Guard positions are Bob Orland, last fall's varsity center, and sophomore George Thomas, with Poeshuk and Cusick as capable reserves.

Foresters Will Be 1st Big Test For '46 Booters

Penn State's freshman soccer team will get its first big test tomorrow afternoon when it faces the Mont Alto freshman foresters on New Beaver Field.

Confined to scrimmages against the varsity for the past two months with the exception of a game with State College High School, Coach Doc Underwood's forces will stack up against their first real opposition.

The frosh and jayvee coach will make up his starting lineup of freshmen Herb Lee, goalie, Bud Simpler, Herb Kinney, Bill Fallwell, and Dick Ard, fullbacks, Ed Hannum, Jack Lammey, Dick Detheril, and Charley Fredericks, halfbacks, and Kenny Simons, Jim Eppers, Don Rider, Bob Marshall, Herb Jung, Al Carver and Roy Benka, forwards.

Howard Horne Seeks 'Excellent Showing' In Tomorrow's Meet

By DON WEBB

(Editor's note: This is the sixth in a series of seven articles to acquaint readers with members of the cross-country team, who run against Syracuse in their only home meet of the season at 2:30 p. m. tomorrow.)

Saturday is not only Howard Horne's first appearance in harrier togs before a Penn State crowd, but it will be his twentieth birthday, and no amount of money would please him more than an "excellent showing" in tomorrow's meet against Syracuse.

Howard, newest member of the varsity cross-country squad, is one of four sophomores in the Lions' starting lineup.

He was an "unknown" before he came to Penn State from the Altoona undergraduate center this fall, and has had but one test—that in the Manhattan meet when he placed ninth in the meet and seventh in Penn State standings.

As a student in Elmira, N. Y. high school, Horne captured top honors in the district mile event his last two years. When he started to the Altoona center, he had to run cross-country or track. Upon landing in State College this fall, he lost no time in grabbing a starting post on the harrier team.

Horne is a tall fellow—towering six feet, two and a half inches. He weighs 130 pounds. Howard is a lower division student, who intends to major in pre-law next year.

No one, not even himself, knows what he can really do after a little experience. He has shown much improvement in the month and a half that he has practiced on the harrier course, and Coach Werner expects him to do much better with several more races under his belt.

X-Countrymen Ready For Syracuse Seven

Coach Chick Werner pronounced his cross-country proteges in the best shape of the season last night as the Lion's only home meet with Syracuse loomed only two days away.

At the same time he announced the lineup that will face the Orangemen at 2:30 p. m. tomorrow.

The seven men who will oppose the invaders are Captain Norm Gordon, Curt Stone, Mac Smith, Jerry Karver, Joe Beach, Rufe Williams, and Howard Horne.

The entire squad will run, but only these seven men will be issued numbers and be eligible to score for the Nittanymen.
