White Succeeds Keller As Panhel President

Following the rotation system, Beatrice M. White '44, Phi Mu, will be next president, with Martha E. James '45, Delta Gamma, acting as vice-president and rushing chairman. Miss James will succeed Miss White, according to Panhel code.

According to Miss Keller, the tea will be closed to all except Panhel representatives or their alternates, members of the dean of women's staff, and advisors. Each sorority is allowed two representatives.

The usual semi-monthly Panhel meeting will follow the tea.
